

Recycling Program

The recycling program has been in place in Redvers for a couple months and the bins are located at the Redvers Rec Centre by the water tower. The success of our program has made us eligible for the MMSW Program which goes by the overall weight of our recycled goods – the more good recycled, the more of a return we get.

Please keep the following in mind when recycling and using the bins:

- **Green bins** are for paper, newspaper, cardboard, and all paper products
- **Blue bins** are for any products that display the recycling symbol on the bottom and has the number 1-7 included (pictured below) which includes: tin cans, milk cartons, juice cartons, household plastic containers, etc.
- Please **DO NOT** recycle the following items in either bin: wax or plastic coated cardboard, Styrofoam, garbage, diapers, hazardous materials, or anything that you cannot find the following symbols on

The Main Street Program in Redvers offered Memory Pots for purchase. There were 24 purchased and they can be found along both sides of Main Street. Take a minute to check them out and remember..

The dates for the 2016 Farmer's Markets are:

- June 15 - August 10
- June 29 - August 24
- July 13 - September 7
- July 27 - September 21
