2018 Award Recipients

2018 Citizen of the Year

Lifetime Achievement Award

2018 Business & Community Excellence Award Recipients Announced

On February 18th, a committee of five community representatives sat down to make an exceptionally tough decision. The selection of the 2018 Business & Community Excellence Award recipients was their task and a difficult task it was!

The Awards Committee initially met on February 11th when nomination packages were distributed for review. During this meeting, committee members reviewed the nomination process and the criteria upon which the awards were developed. Committee members were then given one week to review all nominations and their supporting documents, as well as ask any questions they

Continued on Pg 2...

may have had regarding a nominee.

Recipients were selected based on the information provided within the nomination package and as such, those nominating were asked to provide as much information about the nominee as possible. Decisions were made entirely based on the information provided within the nomination package.

To begin with, those nominating were asked to provide some background information about the nominee. Next, they were asked to describe in detail the contributions that the nominee made in 2018 and how it set them apart from others. This could include the activities, projects or service the nominee was involved in as it related to the award criteria. Lastly, they were asked to outline the impact the nominee's contributions have had on the community. For example, what was the benefit of their actions? How many people benefited? Was an unmet community need addressed? Additionally, those nominating were able to include supporting documentation such as letters of support. Prior to submission, nomination packages required the signature of two individuals who supported the nomination.

This year, the Awards Committee selected recipients for Citizen of the Year, Organization of the Year and due to the nominations received, a Lifetime Achievement Award was created and will be included in years to come.

The Awards Committee is pleased to announce that our 2018 Citizen of the Year is Chantal Bauche. Chantal's volunteer work throughout 2018 included a number of organizations. She volunteered for the Health Foundation whose fundraising efforts support the Redvers Medical Centre. Chantal used her knowledge and experience to offer support to the Redvers Rockets Field of Dreams where she helped decide what to sow and performed field checks. She also volunteered her time traveling the area promoting Agriculture in the Classroom. Chantal kept busy as the Treasurer for the Redvers Rockets Senior Hockey Team and Manager for the Ladies Hockey Team. She also helped out at the Curling Rink where she scheduled bonspiels, organized workers and planned meals. She also spent time on the ice with children in grades Kindergarten through to grade five, teaching them the sport of curling. Chantal served on the Our Lady of Fatima Parish Council and helped out with fundraisers, parish functions and acted as the Youth Group Coordinator. One Letter of Support stated that "Chantal is a valuable member in the organizations that she belongs." Another stated "Redvers is fortunate to call such a selfless individual, who has invested so deeply and humbly to make this community such a great place to call home, their neighbour and fellow citizen." Congratulations Chantal and thank you for all of your community contributions!

The Awards Committee is pleased to announce that our 2018 Organization of the Year is the Redvers & District Lions Club. The Redvers & District Lions Club was instrumental in working with the Redvers School Community Council to improve the Redvers School Playground. Phase 3 of the Playground Project was completed in 2018 resulting in the first wheelchair accessible play structure in our community. The Lions Club has worked to develop the Trip of the Month Lottery where 100% of proceeds are donated to community organizations and those in need. Last year's proceeds were distributed to the Redvers School Playground, the Redvers Recreation Centre and to the Redvers EMS facility improvements. Assistance was also provided to individual community members for medical expenses and/or special equipment. In addition to the Trip of the Month, the Lions Club also worked at several community events including the Health Foundation Fundraiser, Lobsterfest, the Old Fashioned Picnic and spent an evening carolling and fundraising for the Carlyle & District Food Bank in December. Supporting documents stated that "The Lions Club is an organization that is well-known in our community as being active and contributing to our community. They see a need and they work to help out where they can. The Lions Club has impacted the entire community of Redvers including community organizations and individual community members and as such, is deserving of such an award." Congratulations to the members of the Redvers & District Lions including Crystal Aime, Edmond Aime, David Bernuy, Perry Dangstorp, Janet Dauvin, Rob Duncan, Marius Ericksen, Jade Frecon, Angela Gervais, Aaron Hutton, Michelle Jensen, Tracy Kay, Corie Mohrbutter, David Pryde, Derek Soroka, Sherry Stewart and Kim Toms! Thank you for all of your community contributions!

The Awards Committee is pleased to announce that our Lifetime Achievement Award has been awarded to Brad Hutton. Brad has been involved in the Redvers Recreation Board since 2008 and has been the Chairman for the past 8 years. He has worked to help ensure the facility is running whether it is the ball diamonds, the hockey ice or winterizing the pool. Brad is also the Chief of the Redvers Fire Department and has been involved in the department since 1999. Brad has spent time helping out with the Redvers Curling Club,

Continued on Pg 3...

planning the fireman rodeo during Canada Day and organizing the main Street Bonfire during Winterfest. One Letter of Support stated that Brad “inspires people to be the best they can be. He has a vision and makes it happen. His goals are always to see a positive impact in our community and growth in our town. He is a jack-of-all-trades, and very humble about his skills.” Congratulations Brad and thank you for all of your community contributions!

The Redvers Economic Development Office would like to thank everyone who took the time to nominate some of our outstanding community members. These awards are an opportunity to acknowledge the amazing community builders that live, work and volunteer within our community.

Thank you to the Town of Redvers, R.M. of Antler and the Redvers & District Lions Club for sponsoring our 2018 awards. We would also like to thank the members of our community who sat on this year’s Award Committee. Selecting an award recipient is not an easy task and we thank you for your service.

To our award recipients, nominees and those yet to be recognized, we thank you for your service to our community. It is evident from the quality of nominations that were received that we are truly a community full of generous individuals who volunteer countless hours for a community they love. We applaud the efforts of all of our community members who work at building our community and wish to thank each and every one of you. Thank you!

Redvers Early Learning & Child Care Centre Inc. Submitted by Brandy George

Is it just us at the centre or has everyone found this winter to be long? On a positive we have made great use of our gym space with all this cold weather. It has been a life saver in the energy department. The staff and children have been busy making Valentines, Ground Hog, Family Day and now St Patrick's crafts and activities. We continue to enjoy our library story time thanks to Michelle and our Public Library!

Our 5th Annual Spring Fling is fast approaching. Save the date of April 27th! Tickets are available at the child care centre, Affinity, and Nelson Motors in Redvers. Don't miss your chance to buy your early bird ticket before March 27th for your chance to win your couples ticket back!

Have a wonderful month hopefully spring decides to arrive soon!

**A huge THANK YOU
to the Redvers Activity Centre for
volunteering your time to fold and
distribute Covering the Corner!**

FUN FACTS ABOUT ST. PATRICK'S DAY

How many St. Patrick's Day facts do you know? Probably that it falls on March 17 and honors the Catholic saint who legendarily chased snakes from Ireland. Well, if that's all you know here are some fun facts you can share with your co-workers in green next St. Patrick's Day.

How St. Patrick's Day Originated

St. Patrick's Day began as a religious holiday to honor St. Patrick, who brought Christianity to Ireland in the fifth century. The first parade for the holiday occurred in New York City on March 17, 1762. It featured Irish soldiers who served in the English military. In 1948, President Harry S. Truman attended the parade. In 1991, Congress proclaimed March to be Irish-American Heritage Month to honor the achievements and contributions of Irish immigrants and their descendants who are living in the United States today.

Irish-Themed Places You Could Visit

There are 6 towns in the U.S. named after a shamrock, the emblem of Ireland (in Oklahoma, Texas [two], Minnesota, Missouri and Nebraska). 16 places are named after Dublin, the capital of Ireland. The most populous are in California and Ohio. More whimsical Irish-themed towns include Emerald Isle, N.C., and the township of Irishtown, Ill. Townships named Clover exist in South Carolina, Illinois, Minnesota and Pennsylvania. Minnesota is also home to Cloverleaf.

VOLUNTEER WORKSHOP TO BE HELD IN REDVERS

Looking to add a few volunteers to your organization and lighten the load for everyone? Southeast District is hosting a Volunteer Retention & Recruitment Workshop in Redvers on the evening of March 13th! Register for this FREE evening information session that will provide you with some tips on how to recruit and retain volunteers! To register online, visit the Southeast District website at <https://southeastdistrict.ca> or call Tara at 306.695.2006.

The family of Juliette Perreux would like to thank the doctors, hospital staff, and Haven staff for the wonderful care they gave our Mom in the last six months.

Thank you to Father Wilfred for the funeral mass, Leanne for the music, the choir, to Nadine and Clint for singing and Hall Funeral Services for making all of the arrangements.

Thank you to all that donated to the Golden Age Centre, for masses, for flowers, cards, kind works and the food that was brought to our homes.

Thank you to all the friends and relatives from near and far who came to be with us!

Tourism Report
Submitted by Jocelyn Hainsworth

Although summer seems like a fantasy at the moment, the Tourism Board has decided to go ahead and plan as if it is real and will show up like it has other years. This is called optimism.

We ended off last season happy with our financial situation and looking forward to a good camping season for the summer of 2019. It's always good to have wedding and family reunion reservations in the books before the snow flies. As well, we expect the people working on the pipeline to use our facilities as soon as it's warm enough to provide them with water and sewer hook ups.

Looking forward we are in the preliminary planning stages for hosting our community's Canada Day celebrations. We have a few things nailed down – the Knights of Columbus will start the day with their pancake breakfast, the band Ten Mile High will be performing again this year, the local firemen are holding their Children's Firemen's Rodeo again, and what would the day be without the slow pitch tournament and beer gardens? We have P & A Catering booked for the evening meal although the menu has yet to be finalized, and as always, we will end the day off with fireworks.

There are other attractions in the works and we'll be announcing them as they become confirmed. I would like to convey to everyone in the community that we are a small board and are held back with what kinds of activities we can offer by the man (and woman) power we have available. We know that people shy away from offering help because they are scared of getting "stuck" on some board. Although we would welcome new members, what we really need are folks who could give us a two hour shift flipping burgers or applying sparkle tattoos for little kids. If you could be this kind of back up for us please let us know. Terri at the town office will be happy to compile a list! You can go see her in person or call or text her at (306)339-7430.

The local garden tour last summer was a hit so we are aiming to organize another one. The date will likely be later in July ... stay posted for details.

Our long range plans – or maybe this should be classified as a 'dream' – is to build an amphitheatre for community use, a permanent stage for our entertainment offerings on Canada Day and open to other people and organizations for events they need a stage for. We feel it would be an asset to the whole community, what do you think? We would love to hear from you!

LIBRARY NEWS

When is it ever gonna warm up? Even with all the warm hearts floating around on Valentine's Day, we still didn't see a reprieve from this cold!

February was a very busy month for us, which is how I like it!! We started off with a Cookie Decorating party sponsored by Advantage Coop on Feb 12th! We had 24 kids and adults come decorate and take home delicious sugar cookies made by Patti Smyth. Next we had a Giant Chocolate Kiss making on Valentine's Day, 6 kids made giant chocolate kisses with the help of the Petit family. Each participant was able to take home a grab bag of goodies and their delicious treat! A week later we held our Needle Felting workshop led by Jenel Shaw and funded by South East District! Participants of all ages had a great time learning how to make needle felted kitties and sheep. And last but not least, we were fortunate to have Chad Solomon come back to the School to perform for the entire elementary in honor of Aboriginal Storyteller Month. A big Thank You to B-Prepared Safety Training for paying for a large portion of this! The generosity of our donors make so much possible at our little Library and we could not do it without you!!

Even though Feb was super busy, March is not going to be a snore! We get the ball rolling with our Light Therapy makerspace kit coming. Light therapy is used to help with those winter blues, so stop by anytime during the week of March 4th-8th to try it out!

Next we have a Macramé Workshop by the talented Chelsy Minshull on Sunday, March 10th at 1:00. The class is full as of now but if you are interested, please contact Michelle at the Library as we always accept names on our cancellation list. Another bit of fun coming to the Library for the entire month is the Metal Stamping makerspace kit. Come on down on Wednesdays to try out the cool metal stamping kit and take home a personalized washer. On Thursday, March 21st from 3:00-5:00 you will be able to come make a name tag for your pet for a cost recovery of \$2 per tag.

For more information on our programs or what the library has to offer, contact Michelle by phone at 452-3255, find us on facebook (Redvers Public Library Branch, Southeast Regional Library), on twitter @RedversLibrary or on Instagram @redverspubliclibrary. Open hours are Tuesday 9:30-12:30/1:00-5:30, Wednesday 3:00-7:30, Thursday 9:30-12:30-1:00-5:30, Friday 9:30-12:30/1:00-3:30

REDVERS UNITED-LUTHERAN SHARED
MINISTRY NEWS
Submitted

The Redvers United-Lutheran Shared Ministry is proud to announce the installation of our full-time minister, Pastor Marja Hordern on Sunday, March 3rd at Dannevirke Lutheran Church. Pastor Marja previously served the Redvers United-Lutheran Shared Ministry as a student pastor from November 2016 to April 2018 but officially joined us in a full-time capacity on December 1st after completing her Masters of Divinity in the spring. Marja, who is originally from Regina, was ordained at Our Savior's Lutheran Church in Regina on January 11th. We have been happy to have her back serving our Shared Ministry congregation and community.

The Lutheran and United congregations of Redvers and the Manor Knox United Church first formed the Redvers Manor United Lutheran Shared Ministry in 2002. While things have evolved since then, the Lutheran and United congregations of Redvers have worshiped together for nearly 17 years with a monthly rotation of services between the two church buildings. (For example, January services were at Knox United while February services were at Dannevirke Lutheran Church.) Following Marja's installment service on March 3rd, our remaining March Shared Ministry services will be held in the Dannevirke Lutheran Church rather than at Knox United. We will be experimenting by having our regular United Church service while meeting at Dannevirke. This is just one more step in our journey together as the Redvers United-Lutheran Shared Ministry. The possibility of parting with the Knox United Church building is being explored, but the Knox United Church congregation will remain in our partnership within the Shared Ministry. Therefore, March seems like a good month to experiment with what it may look like should the Shared Ministry evolve to both denominations using one building in the future.

Church services will remain at 10 a.m. each Sunday. All are welcome. For more information about the Shared Ministry check out the Redvers United-Lutheran Shared Ministry Facebook page or contact the church office at rmulsm@sasktel.net.

Initiation has wrapped up their 2018/19 season. It is so much fun to watch these little ones out on the ice. They improved so much

from the start of the season to now!

Novice Chris played off against Estevan this past weekend with Novice Brodie facing Carlyle. After giving it their all and having a great season both teams were defeated.

Atom Jody vs Atom Jeremy – Redvers vs Redvers- Does anyone actually like these games, so hard on the ticker. We always want to see our home town teams prevail; with the talent we have makes for some great intense hockey. Atom Jody will move on to play Carievale in the next round of playoffs. Good Luck!

Pee Wee vs Wawota in round 1 of playoffs has made for a tough series! After combining the 2 teams for provincial play these kids have taken off their 'friends' hat and have tied their series up 1-1. Game 3 is scheduled for Wawota on Wednesday night! Let's go PeeWee's !!

The Bantams playoff against Estevan for their first round of playoffs, winning game one 7-1 they head to Estevan tomorrow night – finish it up bantams!

Continued on Pg 13...

*Hats off to a
fantastic
season,*

For Provincial play the Bantams vs Moosomin series was this past weekend and was it some great hockey. These were two very well played games with Redvers winning Saturday afternoon 7-5 they headed to Moosomin Sunday. Taking the series 10-7 Redvers will jump on the bus to Eastend for the South Final. Stay tuned for confirmed dates!

The Redvers Rockets are currently sitting 1-1 against the Carnduff Red Devils in their series. Playing tonight at 8pm Redvers is geared up to take the lead. So come out and make some noise tonight for the Rockets!!

After playing Theodore Thursday night the Rockets had a 2 goal deficit in their 2nd round of provincials. With high hopes and a packed house the Rockets played their hearts out Saturday winning the game 5-4 – not quite enough to move on to the next round but a very well-played game just the same!

Upcoming Playoff & Provincial Games

Thursday March 7th – Bantam vs Kipling @ 7:30pm

Sunday March 10th @ 1pm – Atoms vs Carievale

Thursday March 14th @ 7pm – Midgets vs Milestone – SHA

Sunday March 17th @ 3pm – Bantam vs East End – SHA

We start March off with a Western style dinner. Pork n' beans and wieners! At writing it looks like March is coming in like a lion so we are set for a milder month end?!?

Thanks to each and every one that supported our Rootin' Tootin' Raffle. The lucky buckaroo winning it was Gilbert Couture!! A huge thank you to Bertha Boutin who donated her 3000 piece puzzle to bring color and beauty to our wall.

I have been amiss not mentioning Jackie Simins donations of her creative endeavours. She has blessed Tiger Lily Way with it's own large cat: Garden View Terrace with a sweet little log and bird garden and numerous figurines for the western theme decor. Thank you very much Jackie.

We are off to fairer climes for March: Hawaii is beckoning us to come for a visit. We will be making a visit to Pearl Harbour Memorial as well as enjoying the local fare at a traditional luau, the beach and the palms, pineapple fields and volcanoes.

We were entertained by the Caragana Ramblers on the 5th. Phil Wilk arrives on the 13th for dance music; Keith Olsen will crone on the 19th; Ed James on the 26th will bring his St. Patrick's show; and the Happy

Wanderers close out the month on the 29th. We so appreciate each and every one who comes to entertain as well as those of the public that add to our day by joining us. Speaking of which: we are in need of 3 men who enjoy shuffleboard. A new resident is a fierce competitor and is ready to join a team and take on all opposers.

Til next time!

THE LAMB AND THE LION
Submitted by Jocelyn Hainsworth

So, right now, if we can believe the weather app on our phones, we are to expect a lamb for the first day of March. A fairly woolly one, mind you. It's still not going to be warmer than the mid minus teens, but the fact that it's not 40 below gives us all hope.

We can all pour a round of hot coffee and speculate on the manner of the beast that might follow. After all, the saying talks about both the lamb and the lion of March – the only unknown is which order they come in. Will we have a roaring storm as we head into April? Will we be back to nasty, bone-chilling cold? Or will Mother Nature decide to let the month peter out with not so much as a whimper? If there ever was a woman who didn't like to be predictable, it would be Mother Nature.

Not that I've been spending all my spare time researching various long range forecasts, but several weather sources are saying that about mid month the temperatures are going to turn right around. They are phrasing it as if it will be like 'flipping a switch'; we will have abnormally cold temperatures until all of a sudden we will have abnormally warm temperatures. Is that the trick Nature has up her sleeve this time around? Is she going to spring a flash flood on us? As long as the snow goes away and the world turns green again, I think I'll take it.

Meanwhile the best we can do is try to occupy our time constructively. I and a lot of my gardening friends are starting to twitch. The temptation to put seeds in dirt is getting stronger every day. I started way too early last year and ended up with spindly, straggly, anemic plants that didn't stand a chance in the real world. My vow to hold off till mid March is being made much easier this winter as all my inside gardening stuff is behind a huge wall of firewood in the Quonset.

Hopefully two more cold weeks gets that pile down to where I can reach my trays and potting soil. For the time being I am reading a landscaping book I ordered from the library and dreaming of green grass and summer blossoms.
