# COVERING THE CORNER

REDVERS & AREA COMMUNITY NEWSLETTER

June 2019 Issue

RedversNews@gmail.com

Covering the Corner is a service provided by the Town of Redvers Economic Development Office. It is our intent to provide the community of Redvers and surrounding area with a newsletter that keeps residents connected with the numerous events and activities going on within our fantastic community!

## Redvers Arts Council Makes Donations

The Redvers Arts Council donated \$2000 to the Redvers Library. Pictured above (L to R): Kim Frecon, Joan Stewart, Michelle Jensen, Marge Garnier and Erika Land.

The Redvers Arts Council also donated \$10,000 to the Redvers Recreation Board, to be used towards the Swimming Pool Project. Pictured top right is Graham James, the Redvers Arts Council Chairperson presenting Alicia Stewart, Redvers Recreation Director the cheque.

The Redvers Arts Council made another donation to the Redvers Activity Centre during the Johnny McQuaid Concert. \$10,000 was donated to the Activity Centre to be used towards purchasing a van.

### MOTHER'S DAY BRUNCH

The annual Mother's Day Brunch was held by the Lutheran Church Women on Saturday May 14th, at the Redvers Union Estates. The cost for the meal was your donation that will be forwarded to the Stars Ambulance program. With almost a full house everyone had lots to eat. Jackie George won the door prize that was donated by Wendy Luyten. This was a great time for everyone to socialize while donating to a great cause.

## SOMETHING TO THINK ABOUT

Submitted by Jocelyn Hainsworth

There was a little boy who came home from school one afternoon, had something to eat, and later became sick to his stomach. His mother tended to him, spending the night up with him each time he was sick. The next day he seemed a little better, but the following morning he was back to not being able to keep anything down again. The mother became worried. She was on her own as the father was away; she had to find someone to keep her other child and then find help for the one who was sick.

As it was, she was enormously lucky to be Canadian. She merely had to take her dehydrated son to the local emergency room where they did tests, gave him something to settle his stomach, and started an IV drip to restore his fluids. His mom sent Grandma two pictures – one of a pale, listless boy laying on a gurney, and an ‘after’ picture of him sitting up coloring a picture. Both had a background of clean white sheets in a well lit room. And that Grandma thought to herself “how privileged we are.” We don’t think about things like that enough. In fact, we hardly think of them at all.

There are places in the world that this simple stomach bug would have been a death knell for a seven year old boy. Because of poor nutrition he would have already had a weakened immune system. His mother wouldn’t have had ability of just going to see a doctor. And even if she had been able to go, or afford to go, the doctor might not have been able to help with even something as simple as an IV drip for a couple hours. Something as uncomplicated as a stomach flu can actually kill. We live in a country where children can be snatched back from the grip of insidious diseases like cancer but elsewhere there are kids who die for lack of an IV drip.

This isn’t meant to be a sermon. There are things we can choose to do as individuals or as voters to try to bring about the changes needed to expand the staples of food and medicine like we have to fellow human beings who don’t have them, but that’s a decision everyone makes for themselves. I’m not going to tell anyone what to do.

Think of this as an observation. The world we personally live in is so bursting with richness and privilege that we don’t even recognise what we have. In the ordinary, day-to-day lives that we live “being lucky” means winning a lottery. It does not occur to us that we already have.

We were born in Canada. For all the downside of politics and politicians our government is sound, our country is stable, our laws protect us, our food supply is safe, our health system is state of the art and there for everyone, we are admired as a people all around the world.

The luxury of these things are not the things themselves, but that we are so inured of them that we don’t even realize they are luxuries.

It’s something to think about.

## TOURISM REPORT

Submitted

It has been a very busy month for the Redvers Tourism Committee. I guess that's what can be expected with a seasonal operation, but when the snow is finally gone and summer is coming on there is a lot to do.

Our reason for being is twofold: we manage the campground and Log Cabin and we host the community's Canada Day celebrations, both of which require that we fundraise as well to help pay for the things we offer.

Behind the scenes we have been preparing the Log Cabin for the season – cleaning, setting out merchandise, contacting suppliers and consigners, training new employees, taking reservations ... and most importantly making sure our freezer is full of Saskatoon pie and ice cream! As of May 19, we were up and running – many thanks to Lorraine George and Marion Laval for their long hours and expertise!

Also, there is the outside work to do. Real Wolensky is back on our mower making the place look it's best and the gardening has been done. The committee tries to support our local greenhouses and this year it was the Little Country Greenhouse that we partnered with for the display at the gazebo garden and to fill all our planters. Hopefully the summer weather will be kind and it will look like what we imagined when we chose the plants for 2019! Thanks to Wendy Turton and Jocelyn Hainsworth for doing the gardening.

We hope to be doing a clean up in the gazebo area this summer, taking out some old trees and planting new. It's a pretty spot but as with all things, it needs upkeep. Did you know that it can be reserved if you are looking for somewhere to hold an outdoor function? Just give the Log Cabin a call.

Now that opening day is behind us our attention is focussed on Canada Day. There have been glitches along the way this year – the band we booked have backed out on us and after much discussion it was decided to downsize to karaoke at the beer garden. There will be pancake breakfast, slow pitch, a parade, kid's firemen's rodeo, dunk tank, all day concession stand, 50/50, beer garden, a beef supper compliments of P&A Catering, Canada Day cake, and fireworks. At this point, the major plans are in place, the month of June is all about the details – we are putting out a call for volunteer help – could you work a two hour shift at the concession stand or help out applying sparkle tattoos for an hour or so? Please leave your name at the Log Cabin if you can help out.

We are also planning another garden tour day this year. It is set for July 27, four gardens; two rural and two in town with refreshments served back at the gazebo afterwards to round off the afternoon. Book your tickets and spend the day appreciating the diversity of what can be created – a mix of personality, space, and vision.

We look forward to another successful season – come treat yourself to pie and coffee, take a look around the gift shop, and get in on our quilt draw – thanks again to the Piecemaker's Club for the half log cabin patterned quilt they made for 2019 in recognition of the 25<sup>th</sup> anniversary since the Log Cabin was moved to its present location.

**Hats Off!**

**TO THE GRADUATING  
CLASS OF 2019!**

**WISHING YOU ALL THE BEST AS  
YOU PURSUE YOUR DREAMS!**

July 1  
Canada Day

July 27  
Garden Tour

Tickets for our Canada Day Supper or Garden Tour can be purchased at the Log Cabin. Tickets are also available on a quilt made by the Piecemakers Quilting Club.

Our gazebo is available for public use by reservation. Please call the Log Cabin at 306-452-3276 to book your date and time.

For more information on our events, please visit our Facebook page: Redvers Log Cabin

The Economic Development Office is working in conjunction with Redvers School to offer a Work Experience placement to a student registered in Career and Work Exploration 10, 20, or 30 starting September 2019. The placement offers students the opportunity to gain valuable work experience and resume building skills, while at the same time contributing to the development of Redvers & Area. Students will help develop and implement a number of different community and economic development projects.

For more information about registering in Career and Work Exploration, please contact Redvers School at 306-452-6161. For more information about the Work Experience placement and its projects, please contact Christina at 306-575-6075.

Knox United Church & Redvers United-Lutheran Shared Ministry News  
Submitted

The Knox United Church congregation has a long history in Redvers – well over 100 years—predating the 1925 formation of the United Church of Canada. During that time, there have been many changes and evolutions, yet the Knox congregation itself was (and is) the constant. Like many congregations though, Knox has gotten smaller over the last 30 years, and that, in itself, has presented some challenges and opportunities. Working together with both the Manor United Church congregation and the Dannevirke Lutheran congregation of Redvers led to the formation of the Redvers Manor United Lutheran Shared Ministry in 2002. This agreement allowed all three congregations to share in the costs of a full-time minister while also growing together based on our similarities and strengths as a community of faith and fellowship. While things have evolved since then, the Lutheran and United congregations of Redvers have worshiped together for nearly 17 years with a monthly rotation of services between the two church buildings. Over that time, we have strengthened our relationship between the United and Lutheran congregations of Redvers and (at multiple times) have discussed the idea of becoming a Shared Ministry all under one roof—in a single church.

The reality of the Shared Ministry under a single church roof will commence this fall. Earlier in 2019, the Knox United Church AGM attendees and church council voted to list the Knox United Church building for sale. And as of mid-May, we have received permission from the United Church of Canada's regional council to proceed and list the church for sale. It is certainly a difficult decision to say good-bye to the home of Knox United Church services for over 90 years. However, "the church is not the building – it is the people", so the Knox United congregation will continue to be and meet weekly as we continue to evolve in our Shared Ministry. The question may be—why now? To be honest, with the congregation getting smaller in number (and older in age), we need to make the responsibilities of the congregation and the church council manageable for now and into the future. The financial obligation of maintaining a ministry and its properties is one that is a growing challenge with no remedy in sight. Thus, in 2018, the Knox United Church manse was sold and now we hope to sell the church building too. It will be a hard thing to do, but it is a course of action that we realize is prudent and necessary.

In March, we began our experimenting with what it would look like to hold a "traditional" United Church service while meeting at Dannevirke Lutheran Church. Through that we verified what we expected would be the case—seventeen years of worshipping together with the Dannevirke Lutheran congregation has made it so we have a large comfort level in both United and Lutheran church settings. And, yes, we can do a "traditional" United Church service in the Lutheran church. While things will continue to change, we have a good idea what it will look like when the Shared Ministry evolves to both denominations using one building each Sunday this fall.

Knox United Church will be the location of Redvers United-Lutheran Shared Ministry services for the months of July and August while Dannevirke Lutheran Church will be the location for June and September. September 29<sup>th</sup> will be an exception as that Sunday service will be at Knox United Church for the final church service held in Knox United Church building. Shared Ministry Church services in October and beyond will be held at Dannevirke Lutheran Church. October will follow the United Church order of service while November will follow the Lutheran order of service.

Sunday, September 29<sup>th</sup> will be the final church service at the Knox building and it will be decommissioned as the official place of worship for the Redvers Knox United congregation. While details are being developed, the September 29<sup>th</sup> event will be a day to reflect, grieve, and celebrate all things that the church building means to our lives and church community. Tentatively, we expect to have a service in the mid-afternoon with a program and potluck to follow. We encourage people who may have pictures of the church and congregation to share them with us for the program. You may send pictures (preferably scanned and converted to digital images) to [rmulsm@sasktel.net](mailto:rmulsm@sasktel.net)

Written and oral remembrances are also welcome.

Church services will remain at 10 a.m. each Sunday. All are welcome. For more information about the Shared Ministry check out the Redvers United-Lutheran Shared Ministry Facebook page or contact the church office at [rmulsm@sasktel.net](mailto:rmulsm@sasktel.net)

## REDVERS SCHOOL JUNE NEWS

Submitted

I would like to begin by congratulating the graduates of 2019 who held their graduation ceremony on May 31. It was wonderful to be able to celebrate each individual and your accomplishments. On behalf of the school, I wish you nothing but the best in your future.

This month sees students working hard to finish projects, assignments and classes. There are some field trips to Souris, Kola, Kenosee Lake and Cannington Manor planned for this month as well. On behalf of the students and staff at Redvers School, I would like to thank parents who volunteer their time to make these events happen for our students.

While we are busy wrapping up one school year we are also planning for a new one. If you are a 2019-2020 Kindergarten family who missed our February Welcome to Kindergarten event and registration package, please do not hesitate to contact the school office to register. If you are a new family who is moving to our area, and you have a child who will attend Redvers School please do not hesitate to contact us in person or via phone (306 452 6161) for registration information.

Grade 9, 10 and 11 students should be bringing home a course selection sheet shortly. We ask that you complete and return these forms as quickly as possible so that we can get you registered prior to the start of summer break. If you have any questions at any time please do not hesitate to reach out to us and we will do our best to provide you with answers.

Finally, on behalf of our school I would like to invite our families and community to the following year-end events: Elementary Track and Field on June 14; the Redvers School Community Council (SCC) "Old Time BBQ" on June 18 from 4:30 p.m. to 6:30 p.m., and our grade 7-12 Awards Night on June 19 at 7:30 p.m.

The last day of classes for the 2018-19 school year is June 26 for K-9 students, and the last day of school is June 28. Teachers will "officially" be back on August 26, with students returning September 3. Wishing everyone a wonderful summer!

~ Mrs. Fraser

*Thank You*

*I would like to send a huge thank you to Erin, Kim, Alana, Kaylee and Jan for organizing my bridal shower and to my family and friends who provided the delicious snacks. Thanks to everyone who attended the shower, those that sent gifts, and to the members of the community that contributed to the shower cards at the Co-op and Pharmasave. You all made me feel very special with your generosity! Thank you!!*

*~ Nicky Silvius ~*

## JUNE 2019 HAVEN HAPPENINGS

Submitted

Everyone, EVERYONE, is enjoying the sunshine and warmer weather of late. Many of our residents have not been out of the building since last fall. Just think how grand it is to be outdoors for even a few minutes!

May was a busy month. We had Percy and Felix (newly groomed with fresh haircuts) come for their bi-annual visit.

14 grade 1's came once a week to practice their reading. All the grandpas and grandmas were glad to help if need be. June will bring an ice cream 'party' wrap up of that event. The grade 2/3 split class also visited a couple of times for a fellowship time of chalk painting on the deck and a craft.

May 25<sup>th</sup> One Church hosted the monthly birthday party complete with balloons and cake and children and a visit from a very friendly dog who – also was celebrating her first birthday.

Advantage Co-op Grocery volunteered to help us fundraise by donating a Cadbury Chocolate bicycle. Tickets are \$5. Each or 3 for \$10.00. We will be selling tickets at the Health Centre as well as here and there for the next couple of months. Make sure you get that ticket – it is one sweet bike! Thanks Co-op!

Thank you as well to Craig Gaudet, Cecile Belisle's Daughters and Gilbert Couture for your generous donations to our Activity Department.

Father's Day June 16<sup>th</sup> is going to be extra special with Phil Wilk entertaining: 'man games' of chance and skill and a brand new "All things Barbeque Picnic" raffle.

The month of June will also see Len's Band presenting on the 4<sup>th</sup>, the Sinclair Singers on the 9<sup>th</sup>, Mr. Ed James just back from Normandy celebrations on the 19<sup>th</sup>, with Happy Wanderers closing things out on the 28<sup>th</sup>.

Rumor has it that there are those who would be glad to help beautify the hospital grounds on a volunteer basis. With the weather warming your assistance would be welcomed and appreciated by management and staff. Don't be shy - Come and check us out!

Pictured Renee Reimer, with her children, Abby & Liam

## REDVERS ARCHERY CLUB

Submitted

On May 11, 2019, 45 archers made their way to compete in the second annual Indoor Fun 3D Archery Shoot. This event was put on by the Redvers Wildlife Archery Club and was a great success!

Many years ago, the archery club hosted indoor 3D shoots, however the sport of 3D archery took a down turn so the club had to change things up. We started to host outdoor 3D shoots and did so for approximately 10 years. After a few years of inclement weather and wood ticks galore, the committee once again decided to change things up and went back to the indoor shooting style. Throughout the regular season the club shoots at the Redvers Legion, but that facility is not large enough for a shoot such as this one. Fortunately the Redvers Recreation Centre is!

During this particular shoot, archers shoot 3 arrows at a time, shooting at a different station for each arrow. Distances for youth archers are from approximately 10 metres up to 30 metres. For the adult archers, the 3D animal targets can be as far as 50 metres. Binoculars can be used on the range, but range finders cannot. The set up crew brought in 20 different 3D targets ranging in size from a large buffalo, standing brown bear, to a bedded deer and as small as a snake and fish. All targets are of life-like size, color and features. Each target is set at a different distance, keeping the archers guessing. Bales, trees and barrels are integrated into the shoot giving it a bit more of an outdoor feel.

The highlights of the day were a red frog moving target which was built by local archer Brian LeNouail and has been a crowd favorite this year and last. This year we built a platform for the archers to stand on mimicking a tree stand, and also had some sitting shots. Once again brought in was the Iron Deer, where you put a toonie in the pot and get to try to shoot an arrow through a small hole. If you miss, you will more than likely have a broken arrow! Door prizes were another crowd favorite along with a raffle donated by E.R.P. Pro Hardware and the newly integrated Dutch auction. All of these things resulted in a profit of \$1,445.00 which the club will use to purchase new equipment or a 3D target.

Thank you to everyone who attended the shoot, helped with setup, clean up and donated prizes. We sure do appreciate it and hope to see you next year!

## Looking Back at the Past...

The Redvers Co-op was incorporated on December 1, 1949. The first permanent board was formed in 1950 and was comprised of: O. Dangstorp, W. E. Fällis, G. Mahin, E. Frankard, W. Lemay, D. Eichhorst, R. Sanborn, F. Blerot, J. Hutton, B. Dangstorp and J. Burnett.

These men had a dream and because of their hard work and determination, we have a strong Co-op today. They held 13 meetings and several work parties before the Co-op did any business. All their time was donated with no personal reward except for the satisfaction of knowing that they were the beginning of something big in the community.

These family names are still a huge presence in our community and in our local Co-op.

The first financial statement in Dec 31, 1951, showed an association with 552 members. It is interesting to note that in 1955, the population of Redvers was 400. This shows the community's and surrounding communities' support to their local Co-op. Today we have 3276 members. What a great accomplishment!

## **Redvers: cash payments**

Redvers Co-op reports the following repayment to its membership for 1967 and 1968. In 1967 the co-op paid \$936 to estates, \$693 to members, who left the trading area, \$4,450 to members' retirement and non-profit organizations, \$13,676 general re-purchase of shares, or a total of \$19,755.

In 1968 the co-op paid \$57 to estates, \$947 to members who left the trading area, \$10,779 to members of retirement age and non-profit organizations, \$8860 general re-purchase of shares for all members, or a total of \$20,643.

In 2018 Advantage Co-op paid out:

\$12,829 to members who left the trading area, \$164,965 to estates, members of retirement age and non-profit organizations, \$547,351 to general re-purchase of shares.

For a total of \$725,145!

## **Sneak Peak...**

**The Next 70<sup>th</sup> Anniversary Event will be held in July at the Crop Inputs Site, Hwy #13 East...more details to follow!**

## WARM WEATHER DAYS ARE HERE TO STAY!!

Submitted

June is finally upon us! We had a fantastic May here, at the library! On May 6<sup>th</sup>, the Grade 5& 6 classes were treated to an author presentation by Wendy MacLeod MacKnight. She was a fantastic speaker and had the kids giggling away during her reading of her book "The Frame Up". There is a clip of her author reading on the Southeast Regional Library YouTube channel, so go check it out! A couple of days later, we drew the lucky winner of our annual **Mother's Day basket**, congratulations to Lucille Boutin. (I may be biased, but I was super excited for the winner this year! :P) The following week we held our **Hair Braiding class** with Natasha, thanks to those that came out! Also in May, the Advantage Co-op Redvers donated \$1 from every rotisserie chicken sold in the month of April. Thank you Advantage Co-op for the donation of \$352 that we will be using to expand our ever popular DVD collection!

So what does June hold? Well let's start off with the **Redvers Town Wide** garage sale on June 1<sup>st</sup>. Followed by our all ages and adult **Sharpie Art** classes on June 3<sup>rd</sup>, our first open Monday! Makerspace Wednesdays is back with come and go Kids Karaoke from 4:00-5:00 each Wednesday afternoon. The next week on June 11<sup>th</sup>, we are hosting our annual **Welcome Baby** event with Regional KidsFirst from 1:00-3:00. On Friday, June 21<sup>st</sup> from 1:00-3:00, we will have the **MAIN Mobile** join us with tons of fun children's games and stations for kids 0-5 and their caregivers. This is a come and go event so feel free to stop by! And last, but definitely not least, we round off our June events with our **SheCANic class** with Carly Rintoul on Saturday, June 22<sup>nd</sup> @1:00. Please check out our posters for more details or to find out how to register! You can always find out more information about all of our awesome programs by "liking" us on facebook or following us on twitter. Also, June is Pride Month and we will once again by displaying a bunch of **LGBTBQ+** material, so stop on in to take a look or take something home!

Some exciting news going forward is our new change of hours, starting on Monday, June 3<sup>rd</sup>!! New hours will be as follows: **Monday:** 1:00-5:30, **Tuesday:** 9:30-12:30 & 1:00-5:30, **Wednesday:** 3:30-8:00, **Thursday:** 9:30-12:30 & 1:00-5:30, **Friday:** 9:30-12:30 & 1:00-4:00.

A very big **Thank You** goes out to the Town of Redvers and your local R.M.'s, that have chosen to fund these extra 5 hrs! Thank you for always being willing to invest in all aspects of your community. Redvers is 1 of 5 libraries, out of 47, in the Southeast Region that carries 30 hrs, and it is because we have such an amazing support system behind us!! So Thank You for loving your Library!!

And finally, a heads up to all you amazing gardeners out there! The Library will be hosting a **Fall Perennial Exchange** on Wednesday, September 11<sup>th</sup> from 6:00-7:30 pm, so please keep this in mind when you are tending your gardens and flower beds this year!

For more information on our programs or what the library has to offer, contact Michelle by phone at 452-3255, find us on facebook (Redvers Public Library Branch, Southeast Regional Library), on twitter @RedversLibrary or on Instagram @redverspubliclibrary.

BEEN EMPLOYED AT THE ADVANTAGE COOP:

Nicholas Huenison, Zach Lees, Erin LeNouail, Billy Murray, Andres Pablo, Kendra Ross, Jade Selisansa

## REDVERS WRANGLERS 4-H LIGHT HORSE CLUB

Submitted

The Redvers Wranglers have been very busy in their 2018 – 2019 year! The club has 18 members ranging in ages from 7 to 17!! We started our year off in October. During the winter months they usually work on their project and record books once or twice a month. Members are taught how to formally hold meetings, keep minutes, understand cost and make club decisions. They also do fun indoor activities and games centered on equine learning. With the weather being so nice last fall we were able to get a riding clinic in before it got cold. The Wranglers also composed and delivered their public speeches at club level and some at District level. Members curled with fellow 4-Hers throughout 4-H District 41. They also bowled with District 41 4-Hers in

Carnduff with the annual District 41 bowling day.

The Wranglers have been riding or having an equine centred learning session weekly since April 1. They have gone through proper handling and grooming, rider body language, communicating with their horse to get them to go through various obstacles, colt starting, young horse training, horsemanship and driving. 4-H is a safe riding and horse handling environment for everyone. Our 4-Hers come from all levels of riding and discipline. We also have members with minis, ponies, and colts. Some members range from very beginners, some are experienced performance and recreational riders and some are even horse trainers.

The Wranglers have had three clinics so far this year. Last fall they rode with Karmen Kyle from Redvers and this spring with Crystal Harper from Manor. The kids had an absolute blast learning the sport of goat tying during a clinic May long weekend. We had Dawn-Rae Gray of Elkhorn, MB teach the kids. We have an overnight camp

out planned with trail riding, camp fire, games and more!

Its hard work being a 4-Her! To earn money for clinics and year end prizes our Wranglers were busy setting up and working at many local events such as the Redvers Health Fundraiser, The Wildlife Supper, Redvers Ag Ex and Key M Auction. We sincerely thank all those involved in these organizations for supporting our club.

The Wranglers will wrap up their year on June 16<sup>th</sup> at Achievement Day. Achievement Day is probably the most rewarding day of the entire year and I know the kids look forward to it. They get to show off their accomplishments!! Each and every one of them have made some big successes this year! Then it's on to games and many many laughs!! We finish the day off with a wiener roast and somehow the kids still seem to have energy to play, jump on the trampoline, and take their horse out for a quick ride.

To wrap things up, and I can't say it enough, the one thing these kids all have in common is not only a love for their horses but genuine respect and kindness for their fellow 4-H members. As a leader nothing makes me more proud.

### REDVERS MINOR BALL DAY

**June 8, 2019**

Held at Redvers Recreation Grounds

**Hosted by  
Redvers Minor Ball Committee**

**10:00AM** – Learn to Play (Raechelle), Boys 9U (Kate), Girls U10 (Drew)

**Redvers**

The Housing Authority presently has vacancies and may be able to rent to applicants that do not meet program criteria. Anyone looking for housing is encouraged to apply.

Applications can be obtained at the town office or through the Housing Authority Manager.

For more information contact:  
(306) 840-7653

The portfolio consists of:

- ✓ 1 bedroom **senior** semi-detached units
- ✓ 1 bedroom **senior** units with a common area for tenants to socialize (Redvers Lodge)

## IT TAKES A [TOWN]

Submitted

You know that old saying, right? The one that says it takes a village to raise a child? For my own purpose I'm changing that saying to read It Takes a Town. Why? Because its taken a town , specifically the town of Redvers, to raise a fitness class for mature adults, to where it is today.

According to the Public Health Authority, Government of Canada, falls remain the leading cause of injury-related hospitalizations among Canadian seniors, and between 20% and 30% of seniors fall each year. Falls and associated outcomes not only harm the injured individuals but also affect family, friends, care providers and the health care system. Forever in Motion is an exercise program developed by Saskatchewan Parks and Recreation and Saskatchewan Health. Its a program specifically for mature adults focussing on balance, flexibility and strength. The class' focus is on fall prevention.

I have the privilege of leading two classes a week in Redvers. Every Tuesday evening from 7:30-8:30pm will find me at Redvers Union Estates (class is open to the public as well as residents.) Various days each week will find me leading a class at the Redvers Haven.

I started teaching these classes September 2018 and Redvers has full on embraced them. While the participants health improves by attending these classes, my heart benefits the most. Watching these incredibly inspirational people become stronger, with improved balance, makes my heart smile and beat a bit faster with such joy.

These classes started off very small but like children its taken a town to raise them up. I would like to give a huge shout out and a hearty thank you to some incredible people.

Firstly Id like to thank Alicia Stewart, Redvers Recreation Director for not only making my Forever in Motion class, a recipient of an initial grant in August 2018 for the start up equipment I needed, but for actually going to Regina to pick them all up!

I don't know where I or the class would be without the unwavering support from the Town of Redvers, specifically, Bonnie Rutten, Town Administrator for her never ending positivity and 'atta girl's and her willingness to go above and beyond to help secure a grant so the classes can become even more effective with more and better equipment. She is definitely a jewel in the Town of Redvers crown.

The ladies in the town office who are so ready and willing to help when I bring in yet another few handouts to be photocopied. And always for their efficiency at getting the classes onto the town calendar and for their ready smiles and friendliness.

The class at Redvers Union Estates is always set up and ready for me when I come in Tuesday evenings (even the incredibly heavy suitcase with all the equipment in it!!!) You can usually find the indomitable Doreen Holden hauling that thing down the hall making sure its ready for me. The class size has increased from really small numbers to anywhere from 15-20 people, in no small part to Doreen's persistence!

I cant thank the inspirational, positive, hard working, diligent participants of both classes, enough. Your willingness to laugh at my silly jokes, your eagerness to learn. Your energy! Your drive! Your spirit! Your hard work! You are all such an inspiration and a true testament to intestinal fortitude! Im so very proud of all of you.

An **extra special thank you** to the ladies and gentleman who have come to my class right from the beginning, in all sorts of weather both good and bad. For their never ending positivity and support. Without you there would be no Forever in Motion class and my life would be lesser.

I would also like to thank OneChurch.ca for giving me a place to begin teaching these important classes. Your encouragement and belief in me as well as the classes, is why there are Forever in Motion classes in Redvers at all. Without your unwavering love and support I would not have had the courage to pursue leading.

Last but definitely not least, a huge shout out to our Redvers Economic Development Officer extraordinaire, Christina Birch for her never-ending support, encouragement and vast wealth of knowledge.

From the bottom of my heart, I thank you all.

**If exercise was a pill, it would be the most widely prescribed pill in the country.**

# Redvers Graduates 2019

**RYAN AULIE**

*Parents: Murray and Heather Aulie*

Future: Attend U of S to obtain a Bachelors or Masters degree in Mechanical Engineering. From there, I will hopefully find a good job designing and working with robotics.

**SIMON BERRY**

*Parents: Maurice and Carmen Berry*

Future: I want to take over the farm and do that for the rest of my life.

**JAYDON CAMPBELL**

*Parents: Sheldon and Christina Campbell*

Future: Attend U of R for computer science in the near future. My later plan is to get a well paying job, marry and live life to the fullest.

**ZACH CHICOINE**

*Parents: Lee-Ann Chicoine and step dad, Guy Wall*

Future: I would like to take a year off of school to work. After that, I would like to go to University for Social Work.

**JARYN DESJARLAIS**

*Parents: Tally Wyprowich and Dave Carriere*

Future: Will be attending University of Saskatchewan in the fall for Social Work.

**AUSTIN DUFRENSE**

*Parents: Rene and Jenny Dufrense*

Future: My future plans are to attend Parkland School in Melville to become a Paramedic.

**JOSHUA DUNCAN**

*Parents: Scott and Michelle Duncan*

Future: I plan to attend the University of Saskatchewan and get a degree in Agronomy.

**TIFFANY HENRION**

*Parents: Daniel and Lisa Henrion*

Future: I am planning to move to Regina and attend the Style Academy for and Esthetician.

# Redvers Graduates 2019

**CODY HOLDEN**

*Parents: John and Lisa Holden*  
Future: Apprentice as an Ag Mechanic and work on my Family farm.

**NICK HUENISON**

*Parents: Derek and Shannon Huenison*  
Future: I will be attending a Piloting School in Alberta, then hopefully flying full time for an airline.

**DARIUS HUYNH**

*Parents: Jim and Lisa Huynh*  
Future: Take a year off school and work in the oilpatch, with intentions of going to school next fall.

**ERIN LENOUIAL**

*Parents: Roger and Audrey LeNouail*  
Future: I am taking a year off to work. Then I plan to go to Vermillion and take Animal Science first, then I will go for my Vet Tech.

**ZACHARY LEES**

*Parents: Rhonda Lees*  
Future: I plan to take a year off from school and work with intentions of going to post secondary, once I have an idea of what I can see myself doing.

**MADISON LOVELL**

*Parents: Jennifer Lovell and Kris Matthewson*  
Future: I hope to be attending the Style Academy in Regina.

**BILLY MURRAY**

*Parents: Bill and Twyla Murray*  
Future: Join the work force and continue on to post secondary later on next year.

**FAITH NELSON**

*Parents: Danny and Tracy Nelson*  
Future: To pursue a career in Cosmetology and open her own salon in the future.

# Redvers Graduates 2019

**ANDREA PABLO**

*Parents: Adriano and Mylene Pablo*

*Future: To become a Chef in my own restaurant.*

**KENDRA ROSS**

*Parents: Pat and Tracy Ross*  
*Future: Possibly moving to Brandon in the fall and working there. Looking to go to school at a later date.*

**JADE SELISANA**

*Parents: Alan and Jasmin Selisana*

*Future: To become a professional Chef and Painter. Dreaming to become a Wattpad writer soon.*

**ANDREA ULRICH**

*Parents: Kelly and Angela Ulrich*  
*Future: I am attending the U of S in the fall to obtain a Bachelor of Science in Agriculture, majoring in Animal Science. After that, I hope to be accepted into Western College of Veterinary Medicine to become a large animal Veterinarian.*

# Bellegarde Graduates 2019

**TREVOR JOSEPH DUMAINE**

*Parents: Garry and Monique Dumaine*

*Future: Plan on attending ACC in Brandon for Agribusiness.*

**ALYCIA FERLAND**

*Parents: Martin Ferland and Lucie Moreau*  
*Future: Plan to take some pre-university courses at South East Regional College then continue into nursing in the future.*

**KATHERINE MARIE PETIT**

*Parents: Donald and Lisa Petit*  
*Future: Plans to attend the University of Regina for Justice Studies.*

**SETH STANISLAUS JOSEPH POIRIER**

*Parents: Jerome and Carol Poirier*  
*Future: Planning to farm after graduation.*

FACEBOOK & INSTAGRAM FOR SMALL BUSINESS WORKSHOP  
SCHEDULED FOR JUNE 20TH

Thanks to Community Futures Sunrise and their continued support, we are excited to announce that we will once again be hosting Brooke J Spagrud of Creative-i Marketing & Social Media!

Facebook and Instagram are essential communication platforms in today's business world. Join us on June 20th for this full-day hands-on workshop! During the session, you'll learn about: Facebook and Instagram best practices and effective ways to create content for these platforms; strategic ways to cross-promote your marketing messages; and how to reach your customers on Facebook and Instagram while building your business brand.

You will discover new online marketing tactics, develop new skills and leave with a fresh outlook on how to make the connection with clients using Stories, Messenger and Instagram.

To register, visit [redversmakingtheconnection.eventbrite.com](http://redversmakingtheconnection.eventbrite.com) or contact Christina at [RedversEDO@sasktel.net](mailto:RedversEDO@sasktel.net).

JOIN US FOR THIS WORKSHOP

# Making the Connection; Facebook & Instagram For Small Business

*Learn how to use Stories, Messenger and Instagram to connect with your customers*

CREATIVE  
MARKETING & SOCIAL MEDIA

The flyer features a background image of a person's hands using a laptop and a smartphone. The laptop screen shows a Facebook profile, and the smartphone screen shows an Instagram feed. The Creative-i Marketing & Social Media logo is in the bottom right corner.

- Safety Supplies
- FIT Testing

## REDVERS SOCCER CLUB

Submitted by Jessica Wolensky

It's hard to believe that we are already more than half-way through the 2019 soccer season. It is even harder to believe that this is the 14<sup>th</sup> year of community soccer in the town of Redvers. Each year, we see a few more registrants. We currently have 116 children, ages 3-17, registered in soccer, with a total of 10 teams. Children from a number of neighboring communities, including Carievale, Carnduff, and Maryfield have joined our club and we are just so happy to have them. New faces and additional participants are always welcome. Speaking of new faces and additional participants, our club is run solely by volunteers and new board members are always welcome. If you'd like to join our board, let us know. We are very thankful for the board members, coaches, and parents who volunteer their time and who help keep our club running year after year. We are so proud

of our small town, of all of the communities who support our club, and of the way our club continues to grow. To date, we have had a jam-packed, super busy, and very exciting soccer season. Soccer games and practices are squeezed into a very tight schedule, of Tuesday and Thursday evenings. Many of our teams participated in a tournament hosted by Stoughton on May 25<sup>th</sup> and 26<sup>th</sup>. We had a fantastic time, in spite of the not so fantastic weather! It is so great to see so many communities come together to play a sport they all love. Stoughton Soccer Club always does such a great job of hosting and organizing their tournaments. Our U15/U17 team will be travelling to a tournament in Montmartre on Saturday, June 15<sup>th</sup>. The last day for soccer this year will be June 18<sup>th</sup>. We are always super sad to see each soccer season come to an end, but we always look forward to the next. We have big hopes for soccer in Redvers; we look forward to seeing our club continue to grow and improve.

## The Redvers Activity Centre Foundation Inc. Board of Directors

would like to serve notice to the Membership of a proposed amendment to the by-laws. This amendment will be voted on by all members present at the

### Annual General Meeting taking place on June 25, 2019 at 7:00 p.m. at the Redvers Activity Centre.

If you have any questions or  
require further clarification,

*please call Jessica Bedecs, Chairperson  
at 306-452-7751*

*or Marsha Goforth, Chief Executive Officer  
at 306-452-3544.*

The proposed by-law amendment is  
as follows:

#### 6. Term of Office

The Term of office of a Director shall be for **three** years, except for Directors appointed or elected in the first year of operation of the Foundation. In that case, half of the Board shall be elected or appointed for one year and the other half for two years. Any vacancy occurring between elections can be filled in the discretion of the Board of Directors, by appointment.

A retiring Director shall be eligible for re-election or re-appointment to a **maximum of two terms**.

***Congratulations on your  
graduation and best wishes  
for your next adventure!!***

END OF YEAR REPORT:  
ÉCOLE DE BELLEGARDE  
Submitted

Another year is quickly coming to a close at École de Bellegarde. The students are working hard to complete projects and assignments as exams approach.

The elementary students are looking forward to their end of year outings and activities. Pre-K and Kindergarten will be travelling to Storthoaks to visit all the animals at Chicoine Farms. The grade 1-2 students are having a flower planting activity with Sandie Quennelle from Quennelle Greenhouse, and the grade 3-6 students will be going to Regina to visit the Science Centre and the Provincial Legislature. We will also be having our elementary track and field meet on Wednesday afternoon, June 19 following a school BBQ.

The high school students are preparing for final exams. Exams begin on Thursday, June 20. Many of our athletes competed in division, regional, and district track and field. Two of our athletes are continuing to provincials.

Graduation is on Saturday, June 15. Congratulations to Katie, Trevor, Seth, and Alycia. The staff and students of École de Bellegarde wish each of them great success in their future. Bellegarde Parish is also holding a mass in honour of the graduates at 10:00 am on June 19<sup>th</sup>. Students, staff, family, and community members are welcome to attend. The students, staff, and community all look forward to the ACFB's St. Jean Baptiste celebration which will take place in the evening of the 26<sup>th</sup> of June. What a great way to celebrate the last day of classes!

See you September 3<sup>rd</sup>!
