KEEPING UP WITH REDVERS SCHOOL

Redvers School Newspaper Committee
Submitted by Bree Hutton

Redvers School has already had quite the start to the year! In September, our amazing staff and students participated in the Terry Fox walk. Along with walking around town, Redvers School raised \$2570.00 for donation to cancer research. We also had a welcome back BBQ for the students and staff where the Redvers Advantage Co-op generously donated lunch supplies and cooked burgers for us.

The Redvers Rams have been having a busy year. To date, we have had students participate in golf, cross-country and volleyball. This year our school is hosting the Jr. Girls Division playoffs on November 12. Feel free to come on out and cheer on these Rams. Best of luck to our other volleyball teams as they also compete in division playoffs and conferences in November. The Rams were also fortunate to send 13 senior students to the Saskatchewan Student Leadership Conference in Watrous, SK where they learned about taking action, spreading kindness, and the importance of being a team player. Great job to all our Redvers athletes and leadership students for representing our school and community well!

One leadership goal this year is to provide Redvers students with a variety of student spirit days and activities. Look for posters in the school or for reminders on our school Facebook and Instagram pages. November does not look to be any slower than September or October were as this month is filled with volleyball playoffs, report cards, and our annual Remembrance Day Service. Our service is scheduled for November 7, 2019 at 11:00 a.m. and is open to the community. Please feel free to join us if you are able. Remembrance Day is a time for us to recognize and show respect for all who have fought in the name of freedom. It is a time for us to reflect on the past, show our appreciation for the present and to have hope for the future.

Every year Silver Lotus Boutique puts on a fall fashion show and fundraiser and every year they pick a non-profit organization to donate the proceeds to. This year Silver Lotus joined up with the Optimist Eatery & Cafe as a caterer for the event and also had some wonderful donations donated from surrounding businesses and people and were able to donate \$2842.08 back to the Redvers Early Learning & Child Care Centre! Last year they were able to donate \$2000 to the rec board for the swimming pool project and the previous fashion show was to the SCC for the school playground! Patricia Miller, owner of Silver Lotus Boutique says the event is lots of fun to put on and is enjoyed by all who attend! She and her staff are very thankful for a very supporting community and surrounding area! A big shout out to the models that help out every year because without them there would be no event. She also says that they look forward to putting the fall fashion show on again next year and finding a non-profit organization to donate to. Anyone wanting to help out just contact us...it's greatly appreciated and if anyone's interested in modelling that's also very much appreciated! Thank you to all who supported and donated! God bless!

TIS THE SEASON!

Submitted by Jocelyn Hainsworth

Oh! How I love this season!

Which season? you ask ... there are so many to choose from:

Am I talking of the harvest season? Well, I do love the harvest season. I love the smell of ripeness in the air. I love that the temperature backs off and the sunlight no longer hurts my skin. I love the powder blue of late summer skies. I love kitchens that smell of apples and pickles and homemade salsa. The roar of heavy-laden grain trucks, the moving dust storms combines create, and meals in the fields make my heart happy, but that is not season of which I speak today. Besides, I much prefer that all these things take place in September. As everyone is painfully aware, harvest has gone very late this year; we are at the tail end of October here.

So, does that mean I am praising that awkward stretch of time when jack-o-lanterns and ghosts vie for attention briefly before the Christmas lights go up while we are warned not to plug them in until after Remembrance day has come and gone and we wait to see which coffee cup symbol Starbucks will be criticized for this year? Next will come the snarky battle over how to wish each other good tidings throughout the Christmas season. Honestly people, just show your Christianity - and humanity - by being kind to each other! Nope, this is not my favourite season either.

And before you get any crazy ideas that gift shopping/making/finding/baking is something I look forward to, let me set you straight: the answer is 'no'. Make that 'NO!' Except to see my grandchildren's eyes sparkle with delight, and to eat my weight in butter tarts, Christmas is at the lower end of my favourites list.

Is it that my garden is done and all the deck planters are stored away for the winter? Yes, it's nice to have that job done, but I'm never 'done' gardening. I already have a list of plants I want to try next year and a brand new green house to get 2020 started early in. But that's another favourite season for me.

No, the one I speak of now is fowl Supper Season. I love the food, the gathering of the community, the visiting with people I seldom see, the not having to cook my own supper, the pie. What's not to love about any of that?

I love walking into the building and breathing in the scent of turkey and all the trimmings. I love the time spent waiting for my number to be called (a lottery that I am guaranteed to win every supper I attend) because there is always someone to sit and wait with. I love the warm, humid atmosphere of the room and cheerful folks serving tea and coffee. Then there's more random people to visit with, and then pie ... did I mention the pie?

I don't make it to them all, but I sure appreciate the ones that I do get to attend. I am well aware that these community events have a financial purpose - the hall or the church they are held in have bills to pay and these suppers are simply fund raisers - but that's not the way I look at them. To me they are happy community gatherings where my peers and I break bread together. And there's pie.

WINTERFEST IS JUST AROUND THE CORNER!

Submitted

Mark your calendars! Redvers Winterfest 2019 is planned for Saturday, December 14th!

Planning for Winterfest 2019 is well underway with 25 activities planned for this year's event! With activities scheduled from 7:30 a.m. – 8:00 p.m., you can plan to spend the entire day in town taking part in a wide range of family-focused activities.

Some of this year's lineup includes a few of the past favourites such as the: Pancake Breakfast, Gifts on Parade Craft & Trade Show, Bouncy Castles, Town Wide Scavenger Hunt, Sleigh Rides, Memory Tree Light-Up, Movie Matinee, Adult Hot Chocolate Booth, Firefighter's Bonfire, Late Night Shopping and Twinkle Tour! And don't forget that Santa will be here! He and Mrs. Claus will be taking photos with the little (and big) ones and participating in the Santa Claus Parade.

And if that's not enough, new to this year's lineup is the: Children's Entertainer, Curling Fun Spiel, Amazing Race, Christmas Button Maker, French Cultural Booth, Children's Craft, Adult Paint Class and Storytime with Mrs. Claus!

Want to get involved? The Winterfest Committee is looking for a few volunteers to help at different events throughout the day. Love kids and making crafts? Spend an hour at Winterfest Headquarters helping the kids with their tree ornaments. Enjoy seeing all the little faces moments before they meet Santa and Mrs. Claus for the very first time? Help out at our Santa Claus photos and take part in the excitement of Christmas. Interested in helping to welcome attendees to Winterfest 2019, pitch in at our Winterfest Booth handing out maps and welcoming new faces to town. If you are interested in helping for an hour or two, we would appreciate your help! Contact one of our Winterfest Committee members and let us know when works for you!

Winterfest is the result of several organizations and individuals that come together to create something special for everyone! We are so thankful to have a number of groups contributing to this year's event including: ACFBellegarde, B-Prepared Safety Training, Golden Age Centre, Redvers & District Community Centre, Redvers Activity Centre, Redvers Curling Club, Redvers Early Learning & Child Care Centre, Redvers Public Library, Redvers School, Redvers Volunteer Firefighter Department, Tiffany Holtom and One Church.

Winterfest 2019 is a non-profit event that provides family-focused activities for those in attendance free-of-charge. Last year, our event brought attendees from throughout southeast Saskatchewan, southwest Manitoba and North Dakota. If you are interested in sponsoring our event, please contact one of the committee members listed below. We appreciate your support as it allows our event to continue to take place year-to-year.

Follow our "Redvers Winterfest 2019" event on Facebook to stay up-to-date with this year's activities. And posters will be up around town soon! Can't wait to see you there!

Happy Retirement

Congratulations to Richard George on his retirement from the RM of Antler No. 61. His dedication to this RM, his co-workers, the many councillors and ratepayers he has served over the past 28 years is astounding. He was a valuable employee and will be truly missed. After so many years of service a library

is lost and volumes of wisdom and knowledge will be missing without you as part of the team. You were the one that so many turned to for advice. The pillar of strength. The man that showed up everyday to work for 28 years no questions asked with a smile on his face. You will be truly missed around the RM shop and office. On behalf of council and staff we would like to thank you for all your hard work! We ask the ratepayers of the RM of Antler to join us in congratulating him on his retirement and thanking him for his years of service next time you see him! He may have graded his last mile but he will be remembered and talked about for years to come!

NEWS FROM REDVERS SCHOOL COMMUNITY COUNCIL (SCC)

Submitted

It's the start of another year for the Redvers School Community Council. The 2019-2020 school year has brought a few changes including the addition of a few new faces and the departure of a few past members.

Outgoing Redvers SCC members include Dina Tinant, Valery Jorgensen, Dawn Eilers, Bryce Birch and Brooklyn Garnier. We would like to thank them for their volunteer time and commitment to helping Redvers School achieve their goals.

Those Council members staying on the SCC this year include Patricia Miller and Shayla Matthewson, as well as administrator Nancy Fraser. New to this year's SCC are Chair Christina Birch, Vice-Chair Thyra Hjertaas, Secretary Kate Carlsen, council member Tamara Hildebrandt and teacher representative Carmen Berry.

Our SCC is excited for the possibilities that the 2019-2020 school year will bring. Three members from this year's Council attended the Regional SCC Workshop held in Moosomin on November 4th to learn about the diverse SCC activities throughout the region.

Wondering what the Redvers SCC is? School Community Councils (SCCs) are school-level advisory bodies that involve parents, students, community members and school staff who work together on issues that affect student learning and community well-being.

The Redvers SCC is comprised of 5 to 9 parent/guardians and community representatives. In addition, our Council has four school representatives including two students, an administrator and a teacher.

If you are interested in learning more about the Redvers SCC or are interested in joining the SCC, feel free to contact one of our board members or attend a meeting to see what the SCC entails. If you are not interested in joining the SCC but would be available to help out at an event during the school year, please let us know.

HAVEN HAPPENINGS

Submitted by Barbara Dennis

October 31st our halls were frequented by lots of costumed characters. Staff and visitors, grandchildren, children, a Day Care group and their care givers, Grade 1's, Kindergarten along with a group from the Activity Centre joined us for costumes, games, and treat bags.

Puppies of various ages have been employed (!) for pet therapy. Heather and Mya brought 11, 6 week old puppies one day and Cathy came with one pup another day. Staff and residents all enjoyed the puppies!!

Many thanks are due to:

1. the Co-op Grocery store for their donation of bags for our residents use
2. the Piece Makers Quilters for the beautifully made personal product bags for each resident
3. to Gramma's Closet (Donnie Rathgeber) for A. the cash donation from her bag sale (\$5./bag she forwarded to our Activity Department: and B. for the donation of 4 book bags for our Give Back – School Back Pack initiative.

We continue to be grateful to volunteer Linda Jeffrey for continuing to bring Forward in Motion program to us. As the name implies, it is important for all, seniors included, to keep moving. Speaking of moving: Our destination challenge for October has been Normandy, in honor of the 75th anniversary of D-Day, June 6, 1944. As we are only mid-Atlantic our challenge will continue into November.

Keith Olsen will return in early Nov: the L-Tones will entertain at the monthly birthday party on the 16th: Ed James will present his Remembrance Day Program on the 19th: Happy Wanderers will be back the last Friday of the month. The public is welcome to attend any and all performances and we thank you for doing so, however, we do ask for a monetary donation please to defray our costs. Most performances start at 3:00.

Back Pack Project: A need has come to our attention that residents and staff of RHC wish to help out with. Redvers and Carlyle schools have requested assistance with providing Back Packs for children who may be new to the community and/or underprivileged and simply not able to provide the necessary school supplies. The Activity Department of RHC is spearheading an initiative to provide filled Back Packs. New and or gently used items are sought to fill our Back Packs. Pens, pencils, rulers, markers, crayons, paints, ruled paper, scribblers, 1" & 2" binders, duo tangs, etc. as well as Back Packs for children from Kindergarten to Grade 6. The schools have specifically stated that used items are welcomed. Should anyone in the community wish to help us out please drop off your items in the box provided in the Activity Room and or in the reception area of Redvers Health Center. We will collect until the end of November and hopefully disperse the filled bags in Dec. or Jan.

A huge thank you to the following businesses and organizations who purchased ads in this month's newsletter. Without their support, we would not be able to provide this service at no cost to the residents of Redvers & Area.

Please make sure to thank them the next time you are at their place of business! Their support really does make a difference in our community!
