# COVERING THE CORNER

REDVERS & AREA COMMUNITY NEWSLETTER

May 2020 Issue

RedversNews@gmail.com

Covering the Corner is a service provided by the Town of Redvers. It is our intent to provide the community of Redvers and surrounding area with a newsletter that keeps residents connected with the numerous events and activities going on within our fantastic community!

## HEALTH CARE HEROS

The month of May, we celebrate National Physicians Day on May 1st and then the week of May 11-17th is National Nursing Week. If you happen to drive by our Health Centre, you will see a few signs that community members have made and placed on the lawn by the main entrance (with permission from the Facility Manager of course) to show our frontline workers the love and support they deserve!! Thank you Jacquie Petit for taking this picture!

## IT'S TIME TO RALLY

Submitted by Redvers Chamber of Commerce

*Together, let's support local businesses and services, the bedrock of our community!*

As Canada has seemingly shut down overnight with the spreading Coronavirus pandemic, our local business community has drastically felt the loss of its customers and community.

Restaurants that were gearing up for nicer weather and booking reservations for birthdays and events, sit empty and unsure of when customers will next pass through the door. Local gyms, salons, spa's, non-essential retail stores and daycare facilities had to make the difficult decision to close their doors temporarily.

Countless downtown storefronts that solely relied on foot traffic, that isn't there anymore, are looking at their bottom lines, wondering how much longer we can hold out.

So, it is, at this precipitous and unprecedented time that we are reaching out to implore our community and area to offer a strong show of support for your local businesses and services.

The safety measures that forced us indoors and away from others to help stop the spread of Covid -19 are the right thing to do. We are confident, our strength and resilience will carry us through. But we also recognize, our small business owners need us more now, than ever as they all take their own precautions.

To emerge from this with our communities strong and intact, we need to ensure that, what makes them special...the local coffee shop down the road, the neighborhood restaurant, local hair salon, the town clothing store, the furniture store and giftshops... are able to stay afloat.

While we are not able to give them our patronage in person right now, there is so much we can do, to show our support.

Visit your local businesses website or Facebook page, purchase gift cards for yourself and others to keep some money flowing to their bottom line. If the restaurants are offering take-out or delivery, make a point to order from them now and again. Get gift cards from salons, giftware stores, spa services, massage studios, local nurseries, local gyms and the myriad of other businesses in your area.

Most importantly, if the business in your area, have the product that your shopping online for... please purchase local and keep the cash flow in your community, rather than supporting some large franchise that has no hometown benefit. It is a known fact, that for every \$100 spent at a local business, \$68 will stay in the community! So, check out your own local businesses and give them the chance to do business with you first. Afterall, this is where you, have put your investment in, it is your community.

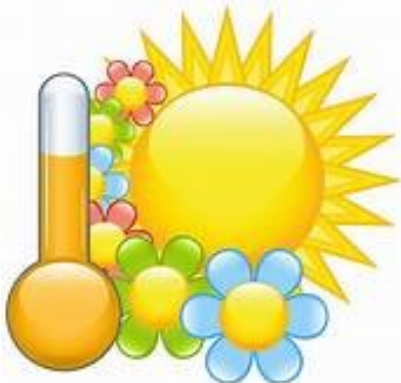

If you use a service provider who wont be needed, or can't provide that service right now, keep in touch with them and reassure them, that as a loyal customer, you are just waiting for them to start again, to provide that service for you, and maybe, even book them ahead, if possible.

Visit the websites, Facebook pages, Instagram page and local paper, and you will find that many businesses are offering discounts, or telling their customers how they can assist. Many are getting pretty creative and changing their business models already, to offer services remotely or shipping their merchandise to their customers, from free deliveries to curbside pickup.

At a time, when much feels out of our control, there is plenty, we can do to help our local businesses survive this, and have our community thrive again!

In recent days we have seen incredible efforts they have taken for us, from additional cleaning, to limited hours, to managing many messages and phone calls, to all the details and preventative measures, they have had to put into place. Now, lets do what we can for them!

Let's not let this virus shut down our main street, lets get this community up and thriving like it was and lets all do our part in that. This is one investment you do have some control over. Invest back in your community and let's rebuild, bigger and better. Lets all be proud... it's time to rally!

The Housing Authority presently has vacancies and may be able to rent to applicants that do not meet program criteria. Anyone looking for housing is encouraged to apply.

## OUR SEASON OF CHANGES

Submitted by Jocelyn Hainsworth

Well, here we are in May: the sun is warmer, there is a hint of green in our lawns and throughout the tree branches and I've found some of my perennials poking through the ground. There are also all kinds of weeds coming, but I'm not as perturbed with them as on normal years – this is not a normal year and trying to get rid of them will give me something to do.

This summer of 2020 does not hold the usual anticipation we expect of our warmest season. Summer holidays are going to be every bit as restricted as our winter get-a-ways were. It leaves us all scratching our heads as to how we can 'take a break' from this extended break we are already on. I don't know what the answer is but I do know that those of us in this rural setting with all the space we enjoy are living the best life on the planet right now.

I've been hearing people planning camping trips to their own back pastures and creating their own hiking trails and nature expeditions. There is also a lot more interest in planting gardens, something that satisfies both the desire to have something to do and helps out with the food bill and food security. COVID-19 is proving to have some unanticipated side effects.

I'm proud of how well Saskatchewan has been doing with 'flattening the curve'. Although the news wasn't all that good with a fresh outbreak up north, in general we have kept the numbers down. And although we are not happy about the new cases the important thing is that we know about them and can contact trace where they came from and where they might go next. This is why we are in lock down – to get the virus backed into a corner. This is what winning looks like.

The day that Premier Moe gave us his plan for re-opening our lives I had to smile. Of all the unexpected consequences of a viral epidemic there might be, the idea of the whole, entire, complete population of a province being excited to sit down and watch a politician's speech has got to rank pretty high in the crazy department. But we did. We talked about it for days before the broadcast, we made sure we had the time right so we didn't miss it, and we discussed his message after he was done. I guess in this time of no televised sports it felt good to be on a team – and we needed to know what the game rules were going to be.

I have to confess that as a retired person who lives on a farm my life is not as impacted as so many others – very little has changed in my day-to-day. On the other hand, I have this side gig as part of our local Tourism board and we needed clarification so that we could plan our summer. We suspected that the summer of 2020 was cancelled, but we needed to know for sure.

So, having listened to Premier Moe's plan and discussing at length how it applies to Tourism, here is what we have come up with: We are allowed to open the campground (social distancing rules apply) but only to Saskatchewan campers. We have to provide bathrooms, we are not allowed to provide showers. We will not be opening the Log Cabin but calls for reservations will be forwarded to our manager's phone. The grass will be mowed, the gardens and baskets will be full of flowers.

The question I've been asked the most, though, is about saskatoon pie. We will not be able to provide any shopping or pie and ice cream treats this summer.

On the other hand, our pie supplier has lots of pies and will be more than glad to sell you pies you can bake yourself! Just give Jo a call at 306-840-7686. We want her to stay in practice so that we can go back to normal for the summer of 2021.

### NOTICE:

#### **Redvers & District Lions Club** **Trip of the Month revisions** **due to the current Covid-19** **health pandemic**

Due to the current world health pandemic, the Redvers & District Lions Club have made some adjustments to the current 2020-21 Trip of the Month Draws.

Until our public health officials deem it safe to be in public spaces while adhering to strict social and physical distancing measures, the monthly Trip of the Month raffle, which occurs at Affinity Credit Union with members of our club and their staff, will be suspended. When it is deemed safe to do so, we will resume our regular monthly draw schedule, and make all missed draws at the same time.

Winners of all future prizes (trips) will be offered the cash alternative as usual, but if they choose to take the trip as awarded, the winner will be allowed an extension of up to 18 months from the date of winning to book their trip, given the current circumstances.

Should other unforeseen events regarding public travel, restrictions to travel, or health regulations affecting booking travel to the awarded destination, winners will be given the cash alternative for that trip.

Winners of trips from last year's draw who chose to take the trip but have not yet booked will be contacted and offered the same choice as future winners.

The Redvers & District Lions Club appreciates the support of our community and those who purchased tickets. Let's flatten the curve together. Stay safe.

## The Redvers Activity Centre Inc.

is proposing the following by-law changes through resolution at their AGM on June 23, 2020 to their members:

8.2 (a) The Board of Directors shall consist of nine (9) directors. To be changed to: The Board of Directors shall consist of a maximum of nine (9) directors.

To remove as an asterisk under 8.6 and move to "DEFINITIONS", the following:

- (i) Immediate family members means a spouse, parent, grandparent, child, brother or sister of the current employee or of his/her spouse.
- (j) Senior management means the Chief Executive Officer, Director or Programs, SARCAN Supervisor and Accounts Manager.

8.5 (b) Three (3) directors will be elected each year at the annual meeting. To be changed to: 8.5 (b) Directors may be re-elected for an indefinite number of three (3) year terms and remove from 8.7

There will also be amendments to the by-laws by way of minor grammatical changes. Members may request a copy of all changes (including grammatical changes) by e-mailing Marsha at [redac@sasktel.net](mailto:redac@sasktel.net).

## TOWN OF REDVERS TRANSFER STATION

DISPOSAL SITE FOR EXTRA RECYCLING & GARBAGE  
EFFECTIVE APRIL 27, 2020

**HOURS OF OPERATION  
MONDAY & THURSDAY  
9:00AM – 12:00PM & 1:00PM – 6:00PM**

The Town of Redvers lagoon site is the Transfer Station and will be open limited hours per week to the residents of Redvers ONLY. Please continue using your curbside garbage and recycling bins. This site is for large items and extra garbage/recycling disposal ONLY.

**This site will be under 24 hour surveillance.**

The large garbage item pick up courtesy will still be available on Thursday's. Call the Town Office with your name and address, and it will be added to the town men's work list. **We ask that residents use the transfer station themselves as much as possible.** If you are disposing of any freezers, fridges, etc. **you must remove the freon** prior to dumping or pick up.

**This service is offered at no cost to the residents of the Town of Redvers.**

**If you have any questions please call  
the Town Office at (306) 452-3533**

## REGULATIONS

Persons **MUST BE A TOWN RESIDENT** to be able to dump at the Transfer Station. Any non-residents, illegal dumping including after hours or non-accepted items **will be fined \$500.00.**

Contractors are not allowed to use this site for dumping and renovation refuse is not accepted.

### PROHIBITED ITEMS:

- No hazardous wastes, such as used oil
- No manure, grain, petroleum wastes, contaminated soils, asbestos material, pesticide containers, slaughterhouse waste, dead animals or any other comparable wastes

### COMPOST:

There will be a pile for clean wood (trees) as well as a compost pile for leaves and grass ONLY

**ON MONDAY'S:** maintenance will pick up grass and tree trimmings in CLEAR BAGS ONLY. **Any trimmings in black bags or boxes will NOT be picked up.**

**ON THURSDAY'S:** maintenance will pick up LARGE ITEMS (appliances, large furniture, etc.) We **WILL NOT** be collecting extra garbage left on the curb. Residents must use their bins or haul it to the transfer station themselves.

*Please be patient if your items do not get collected promptly as our men are very busy with summer maintenance. This service is a courtesy.*

# spring cleanup

**Spring is finally here! With the warm weather we bring a few reminders.**

During the summer months we ask that you keep your property in the best possible shape. This includes but is not limited to: maintaining fences, trimming trees and hedges, keeping grass cut and bagging your clippings. Blowing clippings on to the street plugs the Town's sewer lines, which causes flooding issues during heavy rainfall.

Please note that when completing any renovations, home projects, or clean-outs that YOU are responsible for removing all refuse and garbage. This includes both interior and exterior work. If you are hiring a contractor, THEY are responsible for making arrangements with Loraas (or another service provider) for removal and/or renting a temporary bin.

Pet Owners are responsible to clean up after their pets. Be courteous to your neighbours and fellow residents. If your pet defecates on property that is not your own, you are obligated to clean it up immediately. If your own yard becomes a nuisance due to pet feces, you will receive a bylaw infraction. Please clean your yard regularly to ensure there is no noticeable smell. This is essential in the spring as the snow is melting, revealing the entire winters' pet droppings. A note to all pet owners that the Recreation, Tourism, and School grounds should be respected as they are public spaces. Please do not leave pet feces on any public space, including empty Town land and boulevards.

Unsightly and unkempt yards will not be tolerated. Please do your very best to keep your grass trimmed, especially in the fast-growing months. Weeds must be sprayed and controlled as to not spread to your neighbour's yard. If grass is not maintained and the owner is not cooperative, the Town will intervene and trim the grass resulting in a \$100+ charge. If extra garbage is not disposed of properly by the home owner, whether in their Loraas carts or taken to the Transfer Station, the Town will intervene and remove the garbage, resulting in a \$25+ charge, depending on the amount.

Permits are required for FENCES, ACCESSORY BUILDINGS, DECKS, ADDITIONS, NEW BUILDS, DEMOLITIONS, AND MOVING BUILDINGS. Please inquire at the Town Office before you start any project or purchase materials. The permitting process can take up to one month to complete, depending on the type of project. If you are unsure if your project requires a permit, please call us and we can clarify that for you. Not all projects, even in these categories, require a permit.

## **SPRING CLEAN UP WEEKEND MAY 16 & 17, 2020**

**The Transfer Station will be open 10:00AM to 5:00PM on these special days to allow for a Town-wide Spring Clean Up. Take advantage of the transfer station being open on the weekend and get your cleaning projects done!**

## HAVEN HAPPENINGS MAY 2020

Submitted by Barbara Dennis

Way back in March our caring group of residents wanted to acknowledge the Telemiracle 44 in some way. A RAFFLE was the thing to do!! We had an Easter Egg full of chocolate which we proceeded to sell tickets on. Tickets were \$2.00 each or 3 for 5 and we sold over \$100. worth to the residents and staff. HUGE CONGRATULATIONS TO US! The draw was made prior to Easter. Mr. Harvey (Bob) Mills was the lucky winner. A cheque for \$102.25 was forwarded to The Kinsmen Foundation's **Telemiracle 44**. Not bad for 23 seniors, eh?

Easter has come and gone; and so too the blooms of our Easter lilies. Our April birthday honoree – Len Batke – was kind enough to entertain us all with his harmonica stylings. Everyone misses the musical entertainment that used to be. To that end if any musician would be willing to set up on the terrace for a 30 minute gig – please call us at 452-4003 – we will arrange a fresh air concert. You on the outside, us on the inside – we will make it work. Unusual times call for 'outside' the box thinking!!!

We, of course, continue to comply with all mandated directives here and are doing our utmost to care for our residents, your family members. Please know your loved ones miss your visits and the volunteers that are no longer able to come to entertain. **NO VISITORS ARE ALLOWED IN THE BUILDING. HOWEVER,** with

warmer May days you are allowed to view your loved through a closed window. Please phone ahead and we will be able to arrange to have your loved family member available to you.

Mother's Day is just a few days away – thanks to technology available to us you will be able to face time with your mother/aunt/etc.

Speaking of technology the Redvers Health Centre wishes to acknowledge and give a shout out of thanks to: Redvers Wildlife Federation for a sizeable cash donation to provide internet access for the residents, Tyson Henrion for lending us his iPad so face time conversations can happen, Murray Aulie who volunteered to provide temporary internet access (SaskTel was not available for a permanent hook up before Apr. 14) to us over the long Easter weekend making the iPad a hot commodity; and a valuable resource. Please bear with us, some of us are still learning how to use it!! Polly Godenir for the loan of an iPhone and a laptop for additional face timing.

There are more thankys! Thank you to: Linda Jeffrey, Donna Nelson, Lacey Guliov, and Norma Coffey. These fine folk donated their time, talent and material to create a variety of 'ear savers'. All SHA staff are required to wear masks. The disposable face masks we wear have elastics that fasten around ones ears. Not being used to them, our ears get sore. These enterprising crafters came up with ingenious little buttoned bands that will hold the elastic and therefor prevent our ears from getting sore. We are extremely grateful – thank you.

The longer days of sun and warmer weather are welcome components at the Haven. Being able to go outside and enjoy a few minutes of the sun's rays and fresh air is a wonderful tonic to a long winter's indoor confinement. Hopefully May will bring many outdoor opportunities for us all!

Warmer weather means the grounds will soon need much attention. We will still welcome those volunteers that wish to assist us with the beautification of our Health Centre – it is all outside work – just work independently of others who do the same. Thank you to all willing workers.

## Memory Pots

Flower pots can be sponsored for \$40.00 each

This includes the custom sign, flowers, and maintenance throughout the entire summer. The flower pots are placed on the sidewalks in Downtown Redvers.

To reserve your flower pot call

306 - 452 - 3533 before May 29, 2020.

### Message from Co-op in response to COVID-19 pandemic

(April 24, 2020) – The COVID-19 pandemic has been dynamic and intense for all of us in the past weeks. We have been asking questions which would have seemed unthinkable just a few weeks ago. How will our kids stay connected to teachers? How can I best protect my team? How do I keep my business running and productive?

Yet at the same time, I personally have never been more proud of our team at Advantage Co-op. Throughout the critical discussions that have taken place over recent weeks, the determination and can-do spirit of our staff have been incredible. Dedication to continue to serve our customers remains, and we appreciate your understanding and patience as we manage through these conditions.

**As we enter this next phase in our battle:**

To maintain a safe environment and serve our members and customers, we've implemented the following actions:

- Home Centre including the Feed department will open their doors starting Wednesday **April 29, 2020**.
- Green House at the home centre is fully stocked and opening soon
  - Limit to 2 members inside the green house at one time
- Gas pumps and convenient store are ready to serve you with full-service
- Food Store will continue to limit 30 members at one time and one person per shopping cart
  - Deliveries and Food order pick-ups will continue until **May 28<sup>th</sup>** for Tuesday and Thursdays and will require 24hr notice. (If you are required to self-isolate after this date please call for continued service)
  - No charge for Plastic bags – leave reusable bags at home

**Until Further notice our store hours will change:**

- Subway restaurant operating hours 8 a.m. to 7 p.m. Monday to Saturday and 11 a.m. to 7 p.m. Sundays starting **May 4, 2020**
- Food Store will re-open Sundays starting **May 31** from 9:00 a.m. to 4 p.m.
- Convenience store will extend operation hours 6:30a.m. to 7 p.m. Monday to Saturday and 8 a.m. to 5 p.m. Sundays Starting **May 4, 2020**
- Home Centre including Feed department will extend operation hours 8:00 a.m. to 5:30 p.m. Monday to Friday and 9 a.m. to 5 p.m. Saturdays starting **April 29, 2020**

Your Co-op is critically important to our community, and we appreciate your support. Buying local during this time and continuing this practice will ensure that our services will be here for you and your families for another 70 years.

Our response to this pandemic not only considers the health and well-being of our Co-op members and customers, but also our employees. Please continue to practice Social Distancing!

A huge thank you to the following businesses and organizations who purchased ads in this month's newsletter. Without their support, we would not be able to provide this service at no cost to the residents of Redvers & Area.

Please make sure to thank them the next time you are at their place of business! Their support really does make a difference in our community!
