REDVERS COVID-19 COLLECTION SITE

Southeast Medical Group in conjunction with the Redvers Medical Clinic & Tony Day Family Medical Clinic

Redvers Ph: 306.452.6362 | Carnduff Ph: 306.482.1240 | Fax. 306.452.6317

REGISTRATION PROCESS

- Booking of appointments will be conducted through the Redvers Medical Clinic by calling 306.452.6362 Ask to make an appointment to be tested for a COVID-19.
- All persons can contact the Clinic directly to make an appointment.
- Referrals can be generated from a local physician or from a local testing site.
- The site will be operating 2 days a week and will adjust the hours based on demand. Please be reminded that the calendar may be subject to change.

GENERAL INFORMATION

- At this time, we are NOT receiving referrals from 811, please contact us directly at 306.452.6362
- Specimen collection may be done on symptomatic or asymptomatic patients and will be prioritized according to the current SHA policies and procedures.
- ***Rapid Testing is available for patients that meet the criteria.***
- The collection site will NOT be providing assessments at this location

RESULTS

- The Collection site will notify patients of negative results
- Employee Health Services will notify Saskatchewan Health Authorities (SHA) workers of both positive and negative results
- If a test is positive, Public Health will notify the patient and begin the contact tracing protocols
- We encourage all Saskatchewan residents to register for MySaskHealthRecord which allows you to access your results. https://www.ehealthsask.ca/MySaskHealthRecord/MySaskHealthRecord
