Amazing Prizes

Due to Covid, this year the Fundraising Committee is hosting an online auction and fun co-ed golf tournament instead of its usual Ladies' Night. The online auction will be open to the public and filled with great prizes from some amazing local businesses!

To win the prize, simply comment on the picture of the prize you would like to purchase. If you are the last person to comment with the highest bid, you win! We will contact you if you won and will make arrangements to get your prize.
