Town of Redvers employees prepare for Graduation

Last week the Town of Redvers guys spent some time hanging picture banners of each of the 24 graduates all along Main Street. Be sure to check them out when you're out and about. They look fantastic! Thanks guys!!

GRADE 6 CLASS OF REDVERS SCHOOL

Grade 6 Thoughts About Their Dads

Jhace – I like when my dad takes me to the farm and he lets me drive and go quadding. He shows me how stuff works and he bought me a 20 gauge shot gun.

Jeliel – My dad is the best because he taught me how to defend myself, and he's going to teach me animation.

Ainsley- My dad is special to me because he makes hilarious jokes and makes me laugh and makes me happy when I am sad.

Krielle – My dad always thinks of me even if we are far apart.

Ryan – My dad lets me help him with the cows.

Kyson – My dad takes us golfing in places that we have never been before and he takes me dirt biking in places that I haven't been to.

Ryker – I like my dad because he takes me golfing and lets me do hockey in other places.

Kara – My dad is the best because he does lots for me and he spends lots of time with me. He teaches me lots of new things.

Arianna – I like to cook with my Dad because he is really good at cooking.

Raif – My dad always brings me to hockey.

Asia – I like my dad because he watches shows with me.

Bronx – I like my dad because he helps me with my 4-H animals and takes me to hockey.

Drake – I like going dirt biking with my dad.

Tyson – He is the best because he lets me help him build stuff

and he lets me drive the trucks.

Rhett – I love my dad because he takes me to hockey games and he makes projects with me.

Eve – My dad is kind, respectful, and polite, he always pays attention and listens to my siblings and I.

Kinsley – I like when my dad lets me help him clean the cars and I like going to car shows with him.

Daxson – I like my dad because he takes me golfing and to hockey.

Logan – My dad likes to do stuff with me like outside activities like fishing, golfing, skidooing, and hunting.

Marissa – He takes me bear baiting with him sometimes and is making me a raccoon rug.

Nazryn – My daddy and I are a lot alike, we laugh at kids falling, we play games together and that makes me happy! I love him.

Jayden – My dad is special because he cooks very good meals and takes me to hockey games or watches them with me.

Wyatt – My dad spends time with me and he's nice to talk to.

Miley – I like my dad because he is good at making biscuits and he is good at building and working.

Ericka – I like when my dad takes me fishing and because he is very funny. I like when he gets me cool stuff from Cabela's.

Cameron – My dad is so fun because he makes jokes for everything and we like the same things.

WHAT'S HAPPENING AT THE LOG CABIN

Submitted by Jocelyn Hainsworth

The summer's activities are starting to shape up at the Log Cabin! The Tourism Board met May 17 to discuss ideas and options, and to plan for the coming season. After Covid restrictions tied our hands for so many things last year it's exciting to be able to offer anything. We still aren't back to where we were pre-Covid, but things are definitely looking up!

Last year, after the roller coaster ride of constantly changing rules finally settled down, we decided to open the Log Cabin but with lower capacity and shorter hours. We begin the 2021 season with the same hours -11:00 until 5:00 – but we will be monitoring whether these hours are adequate and will adjust accordingly. We have the local “drop in for pie” market, and the camping crowd to serve. We welcome your feedback on the best schedule to aim for.

Last year was a complete No Go for Canada Day celebrations but for 2021 we do have some plans in the works. It's still not going to be the usual July 1st but there are a few things that can go ahead. Meals, games and crowds are still off the table but parades are fine so we will be inviting everyone to come and participate in the parade or be a spectator. Normally our parades start at 1:00 but we are planning for a later start time this year. Watch for Facebook ads or call the Log Cabin for more information. We will also be ending the day with fireworks. Be sure to wave your Canadian flags and wear red and white to get into the spirit!

And speaking of spirit, we are also sponsoring a Show Off Your Patriotism contest! We are challenging everyone in Redvers to make their houses and yards a display of how great it is to live in this country. There will be two categories: the prettiest yard, and the best themed yard. Some suggested themes are patriotism (because it's Canada Day), but also wildlife, sports, outdoor activities, or heritage. These are only suggestions to get you thinking – the sky is the limit, let's see what you can come up with! There will be prizes too, paid in Chamber of Commerce bucks.

Beginning mid July we will also be hosting the Farmer's Market at the Log Cabin. We are trying out some changes this year, though. We have had requests to change the hours of operation so that working people can take advantage of the market so we have decided to try 11:00 till 2:00 this summer. Since this is over the noon hour we are offering an opportunity to sell smokies and burgers as a fund raiser. Please contact the Log Cabin (452 3276) or myself (452 7066) if you or your group would be interested in making some money.

There are also plans to have kid's craft fun activities out at the cabin – outdoors and Covid restrictions adhered to, of course. Times and dates have not been nailed down yet, keep a watch out for more info on Facebook or call the Log Cabin.

Meanwhile, we are open, the pies are baking, our local artisans have some beautiful things to sell, and Kaye says she's missing you all! Drop in to say hi!

ALIDA HAPPENINGS

I received word the other day that a very dear friend (neighbor of my parents which of course included me) Dianne Hansen of Redvers had passed away on May 4, 2021 at the age of 57 years. She will forever be remembered by her parents, Erik and Shirley Hansen, brother, Robert (Valerie) Hansen, nieces Felicia (Joel) Jacobson, Melissa Yanyu, Katelynn Hansen and nephew Tyler (Josie) Hansen and their families. A Celebration of Life will take place at a later date when it is safe to gather. I extend my Sincerest Sympathies to all family members.

Finally the World Women's Curling Championship came to an end in the afternoon of Sunday, May 9 when Switzerland defeated RCF (Russia) and won the championship, while the bronze placing went to USA when they defeated Sweden. As you notice Canada wasn't in the finals, sadly. However they did manage to secure Canada a placing in the Olympics as they were among the top six teams to reach the Qualifications. It was a big disappointment for me when the round-robin games weren't televised, but Mr. Covid just had to decide to show his face at the Bubble in Calgary – thank goodness it was only the Broadcasting crew that had to isolate (therefore no television) and the Curling teams could carry on with their game schedule. It wasn't until Friday and the weekend that curling was back to normal with televised games. As far as I know this puts an end to the Calgary Curling Bubble. The next curling event is the World Mixed Doubles Curling Championship which will be held in Aberdeen, Scotland (in approximately two weeks) and representing Canada will be Kerri Einarson and Brad Gushue – Go Team Canada Go. Once again we didn't see many games except towards the end of the week. Our Canadian team didn't fare as well as was expected, a disappointment for them as well as for us, but then we can't win them all. Try again next year.

Hope all the Moms had a great day on Sunday, May 9. Also hopefully you were able to be treated to something special. Some of us were treated to a Morning Breakfast at 361 Café here in Alida – real good and delicious Lori as always. TKs.

The Alida community extends sincere sympathy to the Kennedy family on the death of their father Hugh (late of Regina, formally of Nottingham) on May 8, 2021 at the age of 89 years. He was predeceased by his wife Yvonne (2019), his parents Joe and Kathleen Kennedy, and sisters, Doreen Wilmot, Phyllis Millions and Joyce

McKenna. Hugh is survived by his children – daughter, Leigh Kennedy (Murray Wale), sons, Ryan and Scott, 9 grandchildren and 7 great-grandchildren as well as his in-laws, Doug Wilmot, Carol Thomas, Shirley Thomas, Yvonne Lipka and numerous nieces and nephews. He worked for Mobil Oil for many years before taking over the family farm at Nottingham, and then retired to Regina. A Celebration of Life for both Yvonne and Hugh will be held at a later date.

Don't forget to visit the Rec. Board BBQ Raffle on the facebook site to purchase a raffle ticket, which gives you a chance to win the BBQ package. Or visit one of Alida businesses and purchase a square – the draw will soon come to an end and be drawn – Good luck.

Once again the Village has put out the flower pots along Centre Street to help beautify our village. Please help by sponsoring a pot just sign up to plant the flowers and look after them. Do this at the Post Office. It will be much appreciated by everyone. It surely does look nice to see all the different flowers that are chosen by those who chose a pot.

Well this Sunday (May 16) was an extra special one for me. First, my neighbor was so kind to come and tilled my garden in the forenoon (it hasn't been so nicely tilled for years, so soft to work in). Then later in the afternoon daughter-in-law and three granddaughters came to deliver their Mother's day gift by helping to plant my garden – boy that surely didn't take them long. This also included planting the garden potatoes, with help from son number one who did some of the digging of the holes while the girls did the rest. The girls also helped transplant some of my flower pots, just my flower beds left to do – It's all very much appreciated, I must say. Now all that is left to do is for a nice soft three-day rain to come – oh how I wish, I wish.

This was a great week for our guys – they finished their seeding on Saturday, May 15. Now it's only the cleanup of the machinery and all the other little extras that they find to do. I would imagine that a lot of the seeding has been completed or at least nearly completed. It has been a long, dry successful season for seeding, maybe with some minor breakdowns but otherwise uneventful, thank goodness. Now everyone will be watching the sky and hoping for those rain clouds to appear giving us a good soaker – a nice gentle three-day rain would do a lot of good. That's one thing (a 3-day rain) that hasn't happened in a very long

time that I can remember of.

Victoria Day (Queen's birthday) long weekend is soon here, a sure sign that summer months are here – Enjoy the long weekend. Finally the trees are leafing out and turning green. The lawn is slowly growing making one think of getting the lawn mower out of storage and putting it to work. I haven't noticed too many wild spring flowers yet, just the pussy willows. The nesting birds and song birds are back. Not much water in the sloughs etc., making it hard for those nesting birds to find a place to build their nest and raise their little ones. The song birds seem to be so thirsty as again no water for them to drink, they sure appreciate the bird baths, always one bird or another having a drink or even taking a quick little shower. Hope you can help the little guys by putting out a shallow container of water for them.

Hope everyone had a good long weekend and got to do whatever it was you were planning on doing or getting done. Usually this long weekend in May means camping for many of you, but it may have been on the chilly side this year. Finally we received the much needed rain that we've been hoping for – during the first rain we received 1.5 inches and then later on we received another good half inch – that makes for a good 2 inches of rain, which was greatly appreciated. I know my garden and flowers surely needed the moisture and I'm sure there's many who also needed it. Makes one feel so good to see the moisture and gives one hope that maybe the year won't be so bad after all. I'll put in another order for rain within another couple of weeks, at least. This rain has surely put everyone in good spirits and enjoying the days. Saw that the little yellow finches are back, they are so pretty and cute to watch fly around the yard.

Just a reminder to let you know that we are still working at the Archives & Library building trying to get things organized for the next occupant. The Alida Archives will still be housed in the building, on the north side only. But there is much work to be carried out before we can say that one will be able to come in to look things up in the archives. Wish us luck – we need a lot of it.

Understand that the second shot for Covid will be available soon. Hubby received his on Thursday 27 at Redvers Pharmasave, hopefully I won't be too far behind him. I surely can't wait to receive this second shot and wait for a couple of weeks for it to take effect and then maybe one can begin to live normally once again. Oh just heard that my age group is next in line for shot number 2 – yahoo. Do extend my wishes to anyone who may be feeling under the weather or just a bit tough – Get well soon and take care.

JUNE 2021 HAVEN HAPPENINGS

Submitted by Barbara Dennis

Spring has sprung here at the Haven.

We are ever so fortunate that we are a part of such a caring and sharing community. Just the other day a flat full of very healthy looking and aromatic tomato plants was delivered for our residents to fill one of the raised garden beds. Edgar Cruywels, thank you! Your note said, "Enjoy these tomatoes." – I believe our gardening residents, and those that enjoy eating fresh tomatoes – will do just that! Ever so grateful to be able to get outside and enjoy the fresh and warmer air, some Haven residents got their hands dirty filling pots and planting seeds.

AND not too many days ago The Redvers Lions Club represented by Jade Frecon donated funds to cover the costs of providing WiFi for all the residents for the coming year. Corinne Toms was very happy to accept their donation. The Redvers Wildlife Club covered the costs last year.

Technology is a wonderful asset for us all to keep in touch: even more so for those within the Haven walls during these times of unprecedented lock downs. AND when relatives are far away, a face time call

to a loved one makes the day that much brighter.

Speaking of brighter? Look at these two photos. The residents of each house, Garden View Terrace and Tiger Lily Way each made a sign thanking the health care workers for all they do. Posing for GVT is Pat Reimer: for TLW is Jackie Simms.

June the month for Father's Day and graduations, for weddings and for all things summer. A wonderful time of year
