REDVERS & AREA COMMUNITY NEWSLETTER

July 2021 Issue

RedversNews@gmail.com

Covering the Corner is a service provided by the Town of Redvers. It is our intent to provide the community of Redvers and surrounding area with a newsletter that keeps residents connected with the numerous events and activities going on within our fantastic community!

Redvers Tourism Beautification Project

It's been a long time in the works, but Redvers Tourism was busy planting trees around the gazebo area on Monday and Tuesday, June 14 & 15. A huge thank you to Wendy and Dale Turton, Lorraine George, Michelle Jensen and Glen and Jocelyn Hainsworth for the work and Glen for the use of his Bobcat and donation of straw bales. The trees are tiny, but healthy and we have mulched them with straw to give them an advantage over the weeds and to hold moisture. Hopefully everyone will do their part to help them grow so our children and grandchildren can enjoy them too!

GRADE 6 CLASS OF REDVERS SCHOOL

What are your summer plans?

Lilly – When school end, I'm going to Alberta to go camping with my cousins and for my mom's birthday, we want to go to a waterpark.

Jhace – I plan on playing blitzball, working, partying and fishing.

Jeliel – Eat, sleep, watch anime, swim, hang out with Naz, Eve, and Krielle. Repeat!

Ainsley – My summer plans are going camping, swimming, being lazy, and seeing my sisters in Estevan.

Krielle – My summer plans are just to eat, sleep, and plan for high school.

Ryan – I plan to go camping at Alameda Dam.

Kyson – I'm planning to dirt bike lots, go camping, golfing, swimming, hanging out with friends, do a blitzball homerun derby, go fishing and play baseball.

Ryker – Camping, fishing, golfing, hanging out with friends and playing baseball.

Kara – My summer plans is to go camping with my mom and Adam and camping with Chylisse and my dad.

Arianna – My summer plans are to go kneeboarding a lot so I can get really good and to hangout with friends at our campsite at WeeToo Beach.

Raif – To go boating and camping at Kenosee and playing baseball.

Asia – My plans are swimming, camping and being lazy!

Bronx – To go boating at the lake and stay at the cabin in Kenosee.

Drake – Go dirt biking and helping at the farm.

Tyson – Take Koda on walks, biking, going on walks, sleeping,

burn my school work, paddleboarding, camping, fishing, boating, quadding, road trips, playing football, hanging out with friends, going to Alameda dam to visit my Grandpa, golfing and having a campfire.

Rhett – To go camping at Kenosee and partying and going to shingle my auntie's house.

Eve – Family camp, hang out with Naz and Jeliel, sleep in, play badminton, go swimming and watch anime.

Kinsley – Watch baseball, go camping and swimming and hanging out with my friends.

Daxson – To go golfing, dirtbiking, swimming, blitzball, playing baseball, hanging out with friends and fishing.

Logan – My summer plans are going camping.

Marissa – Summer plans include going camping if we can get into Oak Lake, watch anime and listen to music.

Nazryn – Eat, sleep, play, draw, watch anime, REPEAT. Oh yeah, and French camp!

Jayden – This summer I will go boating, go camping, go swimming and hang out with friends.

Wyatt – I want to maybe go camping, stay in a cabin at Kenosee Lake and go to the pool lots.

Miley – My summer plans are to go swimming, camping at Kenosee, biking, sleeping, hanging out with friends and having bonfires.

Ericka – My summer plans are to go biking, going to the cabin, boating, tubing, kneeboarding, hanging out with friends and swimming.

Cameron – My summer plans are to work on the farm.

MINOR BASEBALL CLINIC

On Friday June 4th the Redvers Minor Ball Board hosted a Baseball Clinic for players ages 6-18. It was a very hot and humid day, but the thirty players learned many skills such as throwing, hitting, base running and fielding.

There were three instructors that came to implement these skills. They were Geoff Freeborn who was a former pro-pitcher/scout for the Baltimore Orioles, Jorge Martinez who is originally from Venezuela and a former University Baseball player and currently coaches in Calgary, and Jose Reyes who is originally from the Dominican Republic and currently lives in Kenosee Lake. He goes to the University of Calgary and has played on Team Saskatchewan.

Fun was had by all and it was so nice to see players on the field once again enjoying the sport of ball.

THE GREAT AWAKENING

Submitted by Jocelyn Hainsworth

I've said it before, and I'll say it again – in a former life I just know I was a bear.

I mean, their whole lifestyle appeals to me: the wandering around in scenic, natural settings, the not being judged for growling at people who annoy me, and eating everything in sight all summer so I can sleep all winter and wake up skinny. What's not to love about that?

What's got me thinking about this now, though, is the feeling of déjà vu as we are being released from the restrictions we've lived with for the past year. I am positive that I've felt this before.

It feels like the long, drab isolation of winter is easing off.

It feels like the promise of sunshine is once again warming our world.

It feels like the dawn of a new day as we stumble out of confinement, gripping our coffee mugs and squinting while our eyes adjust to the light.

Yep, I am certain that this is how it feels to come out of hibernation. I have been here before!

It's interesting to hear people talk about what they are going to do with this new found freedom. There are those who can't wait to get on a plane and go somewhere far away. There are grandparents who just want to go one province over to see their grandkids before they've all grown up, and there are those who have been waiting for elective surgery and are praying their delay in treatment is almost at an end.

Parents are rejoicing that the threat of home schooling will no longer be hanging over their heads. Doctors and nurses are can hardly believe they made it through ... and I won't say unscathed.

Restaurants that have struggled to hang on are dreaming of just having a regular day with regular staff serving their regular menu to a regular crowd at their regular tables and – hallelujah! – making a regular income.

Employees and employers are assessing what going back to work looks like after all these months of working remotely from home. The future of the work world may end up being a hybrid of home and office that works better for everyone.

There are gardeners and bakers out there who would have never learned they had such talents had Covid not forced them to try.

There are the people who kept the food delivery system rolling, and the transportation system moving, and the public safety system in place at grave danger to themselves and the families they went home to every night. It has been a learning experience for us all to realize what an essential service it is to pick and package fresh produce or drive a bus or stock grocery store shelves. Be sure to smile and thank them... won't it be wonderful to see smiles when we can finally take off our masks?

And, let's not forget the hundreds of thousands of people who are no longer with us. This past year has been restrictive and unpleasant but we're still here to talk about it. We are the lucky ones.

Yes, as I sit in the warm sunshine just outside my den and wait for my eyes to adjust to the light I reflect on all that has gone on during this winter of our discontent, and I ponder what I will do with these fresh new summer days ahead.

I will have a ceremonial obliteration of a bottle of hand sanitizer. I will decommission the last facemask I had to use and press it between two pages of a big book like they used to do with souvenirs because that's all I want it to be. I plan to stop and chat with people not from my own household in the middle of grocery aisles less than six feet apart and going the wrong direction ... just because I can.

But there's one thing I will leave off my summer 'to do' list. I will not be showing off my beach body. For some reason Covid hibernation didn't work like regular hibernation does.

What happened to the 'waking up skinny' part?

JULY 2021 HAVEN HAPPENINGS

Submitted by Barbara Dennis

Here at the Haven all the 'dads' were assured of their worth with the latest board.

I repeat myself: We are ever so fortunate that we are a part of such a caring and sharing community. Redvers Minor Ball represented by Kim Malin donated 7 hanging planters for the beautification of our grounds. This photo taken in the court yard is with Kim and Corinne Andres-Toms with some of the planters. Thank you very much Minor Ball!

The tomatoes and vegetables gardens are doing well with all the recent rains and our watering detail troupe.

Nothing says summer like, "July"! Our residents will be out and about on the grounds/decks/walkways enjoying the wonderful weather and soaking in the sunshine, viewing all the flowers as well as the vegetables in the new planters.

Activities planned include wiener roasts, lots of deck time with games and ice cream, bingos, bowling, bean bag tossing, Batball and balloons. There will be exercising: both physical and mental and there will be visiting!!! Residents are now allowed more visitors and for that we are most grateful.

Happy Canada Day to all! Happy Summer – until next time!

ALIDA HAPPENINGS

The winner of the Alida Rec. Bd. Sports Day BBQ Package was Kevin Mowat of Alida. Congratulations Kevin and enjoy your winnings.

We received a little rain shower in the early morning hours of June 6 – about 1/10 and it surely helped to cool the temperature down to being comfortable so one could enjoy being outside for a while without sweltering on the spot. It would be nice if we could receive another shower this evening (Sunday, June 6) or in a day or two – sure helps with watering the garden and flowers – less carrying water to them.

This Sunday, June 6 we enjoyed watching the Worlds IHF hockey games and watched Canada defeated Finland 3-2 in overtime. Hooray Canada – you did it once again.

Hope everyone enjoyed their weekend either at home, at the summer camper/cottage, visiting with some family members or just by yourself in your favorite place, like in the garden or your yard among the flowers.

We noticed the little hummingbirds coming to the feeder fairly often on these hot days, even saw one just enjoy a long drink of water from the birdbath bowl. On these hot days the little birds surely do enjoy the birdbath which we have situated under our Pine Tree – not only do they have a nice long drink but also enjoy fluttering in the water. We have yellow finishes, many species of the sparrow family, robins, martins, black birds as well as some that I'm not familiar with.

Say I haven't noticed many wild flowers this spring, usually see lots of crocuses, wild sweet peas, roses, etc. but this spring they seemed to be absent – wonder if the mild winter with little snow cover has caused some winter-kill or maybe just too dry conditions this spring. The pussy willows were out later this year, but now the trees are nicely leafed out. Apple trees were out in full bloom, hope that means lots of fruit later on. Sure hope we'll see some flowers, like lady slippers and prairie lilies later on and will have to wait and see what happens next spring. Have just noticed the little wild roses are popping up along by the ditches on the road.

We have nine Grade 12 grads in Alida including out surrounding area – four attend Oxbow Prairie Horizon (Cordelia Patton, Charity Lemieux, Keiya Solomon, Xavier Gervais) and five from Redvers

High (Sadie Potapinski, Thomas Peet, Jordan Marsh, Layne Kyle, Carson Longphee). Congratulations graduates and good luck in your future endeavors. You'll notice that a couple of grads are actually from surrounding towns, however those grads attended playschool in and Alida and have grandparents living (or lived) here.

A very "Happy Father's Day" to all the Dads, Granddads, Uncles and brothers on Sunday, June 20 – hope you all have a great day and that you enjoy your day with family and friends.

I noticed an obituary on the Carscadden web site for Merle Coleman who had passed away on June 5, 2021 at the Virden Health Centre at the age of 93 years. She was predeceased by her husband Ron Coleman and grandson Dale Braybrooke. Merle will be remembered by her daughter Dreda Braybrooke, grandson Clayton and by many friends. The Colemans lived at Redvers for a number of years before moving and making their home at Virden, MB and getting involved with horses. Merle attended many horse events – she attended the Ride-a-long with Dale in Alida and the Redcoat Trail ride at Carlyle. A celebration of Merle's life will be held a later date, interment will be in Virden Cemetery Columbarium. Happy Trails Merle!

Did you see the Strawberry Moon on Thursday, June 24? Of course we missed it as it was very overcast and raining here. Whenever there is something special to see in these Saskatchewan skies, why does it have to be cloudy – oh well can't win them all.

A Grad Parade for the Alida Grade 12 students was held on Friday, June 25 in Alida. It began around 5:00 pm from the Alida Rink parking lot, when the graduates walked down Prairie Avenue to Centre Street, south to Renauld St over to 1st W Street, north (to hall) where they went back east on Prairie Avenue to Centre Street then proceeded north on east side of boulevard to #361 made U-turn and came south on west side of Centre Street to Prairie Avenue where the grads stopped and turned towards the boulevard where the center flower pots held a posted picture of the grads. Pictures were then taken by family members and friends. The Grads also received many congratulations and best wishes as they mingled among everyone in attendance. The Grads were led by the Alida Fire truck and each was separated

by vintage vehicles as they walked the designated route. Among these vehicles included the past village Mayor Jim Boettcher and his wife Mary in their white 1988 Cadillac and the present Mayor Tim Cowan in his white 1979 Pontiac Trans Am, Darryl Dubuc's in his red 1966 Ford Mustang, Leanne Dubuc with a black 1969 Camaro SS, Ethan Junk with his blue 1967 Ford Mercury truck and the parade ended with the second Alida Fire engine. These graduates were the students of the last playschool class that was held here in Alida and taught by Lillian Patton. Centre Street was beautiful decorated with extra flower pots which were all adorned with stakes holding the student's playschool graduation cape (pink or blue) semi-circled around their grade 12 graduation picture. There were many spectators lined along the route, especially on Centre Street – a pleasant surprise for the graduates and for the organizers as well. You did an excellent job Lil and Sheri with this event. What a great way to send these graduates onto their next life's adventure. It was so nice to see them all in their special attire – gorgeous dresses and smart suits – Outstanding everyone! Congratulations and Best wishes to all the Alida grads as well as to their fellow graduates and all grade 12 grads this year.

Noticed all of the different grade 12 graduation pictures in last week's paper – the first big milestone for them to reach and they'll now begin their next journey. Among the Manor grads was Charisse Yanchycki (her Grandma and Mom worked at Alida School) – boy how time does go by quickly – Congratulations and best wishes Charisse. Also among the Carlyle grads was Cade Bendtsen (his Grandma lives here in Alida, as well as an Uncle, Aunt and cousin) – Congratulations to you Cade as well and best wishes in your future endeavor.

I understand that the school year ends on Monday, June 28. Hope all the students and staff will have a great holiday season and enjoy the summer months to the fullest. Hopefully everyone will be back in the fall and everything will be back to normal as well. Happy Holidays Everyone!

Faye Walker spent the past days (June 24-27) in Saskatoon – she had a dental appointment and visited with her family The Nickels.

Happy Canada Day Everyone on Thursday, July 1. Have a great summer too.

Redvers Minor Ball opened up registrations on March 25th-April 9th in hopes of some kind of season. Due to Covid, our board accepted etransfers and registrations online which has been different from in-person registrations done in the past. On April 12th we were very happy to announce that there would be a practice season for 2021 and optimistic that games would happen. Teams and coaches were quickly organized and practices started during the last week of April. Then the announcement of games came which was a thrill to hear! Games started on June 2nd with teams travelling to Carnduff, Estevan, Whitebear, Alameda, Oxbow, Carlyle, Moosomin, Kipling, etc.

Baseball (boys) teams consist of 7U, 2 teams of 11U, 13U & 15U and Softball (girls) teams consist of U6, U8, U12, U16 & U19 with 117 players registered for the season. Registration was down from 2020 (didn't end up having a season due to COVID-19) with 139 players registered and just slightly down from 2019 with 122 players registered.

Our annual flower basket fundraiser was once again part of our registration. Flowers were provided by Sandie at Quennelle Greenhouse and sold for \$35 per basket. Each ball family purchased 2 baskets which they could sell, keep for themselves, give away as a Mother's Day Gift, etc. The funds raised were used to purchase a much needed second larger Baseball Pitching mound. Another great addition to the diamonds are 2 digital scoreboards and 2 digital pitch count boards. These were purchased by obtaining a \$5,000 grant from Kingston Midstream.

Come out to watch games and enjoy the newly opened concession which serves hot dogs, hamburgers, chips, etc. The concession is open during home games at 5:30PM and stays open for approximately half an hour after games.
