# COVERING THE CORNER

REDVERS & AREA COMMUNITY NEWSLETTER

October 2021 Issue  
RedversNews@gmail.com

Covering the Corner is a service provided by the Town of Redvers. It is our intent to provide the community of Redvers and surrounding area with a newsletter that keeps residents connected with the numerous events and activities going on within our fantastic community!

## MEN WITHOUT SHAME

### ROCK'N THE BLOCK 2021

Submitted by Brad Bulbuck

Looking back to June of this year. Council wanted to do something to give back to the community. It had been a loooong 15 months with all of the lockdowns and restrictions due to Covid 19. We felt that people were looking for an excuse to get back to normal, socialize and enjoy our friend's and neighbour's company. When the province announced its plan to re-open as of July 11, we only had a short time to plan for the event, but our goal was to make it as accessible to as many people as we could. This is when Rock'n the Block was born and organization began.

Games, cotton candy, bouncy castles, petting zoo, face painting, tractors, car show; kind of had the vibe of an old fashioned town fair, but it wasn't. These were some of the activities that showcased the street events at the inaugural Redvers Rock'n the Block Community Party held on main street Redvers on September 11, 2021. Some people also told me stories of how this event reminded them of the old "midnight madness" that the Chamber of Commerce used to organize, but, it wasn't...this was different. Maybe a hybrid of an old fashioned community fair and midnight madness, who knows?

Many of the businesses jumped on board when the organizers announced the event, some had games and events for kids, some brought in special services, some ran specials and some had food demos...it truly became a community event. There was something for everybody from 2 to 102. The kids enjoyed the petting zoo which was provided by Danielle Frederickson of Saddle Ridge Farm.

*Continued on Page 2*

## ROCKIN' THE BLOCK

*Continued from Front Page*

The bouncy obstacle course and zorb ball course were also hits for both the kids and the adults alike. Magician, Danny Kazam left the kids mesmerized. Cornerstone Cruiser members and friends were eager to show off their prized, valuable and gorgeous automobiles and allowed the owners to share their stories of the challenges of the restorations. Raymond Lamotte organized the antique tractor, antique toy and working model displays. I witnessed one retired farmer telling the story of how he wished he never sold his 1948 Massey Harris tractor. Everybody had a smile on their face. It was so refreshing to see all of the happiness in one place.

But, not all went as planned. At 7:13 AM the day of the event I received a text from Michelle Jensen, one of the organizers. "What is our plan?" With rain in the forecast around 5 pm, we had to make a decision on what to do with our 2 highlight events, meal on main, and the Men Without Shame social. No one wants to eat with water dripping in their plate and the band wouldn't play in the rain while holding electric guitars. To the Redvers Recreation Centre we go. A fabulous meal provided by Weir's Catering of Manor, sponsored by the Redvers Lions Club was enjoyed by about 180 people. The food was phenomenal and the laughter was infectious. That just left the headline event of the night, the Men Without Shame social. MWS is a Saskatchewan Band that has been touring the prairies since the early 80's and they did not disappoint. They opened the night with "Boys Are Back in Town" by Thin Lizzy and closed the show out with "Rock and Roll all Night" by Kiss. MWS entertained the crowd with 3--45 minute sets and had the dance floor hoppin' with a variety of hits from the 70's and 80's. There must have been a lot of sore bodies the next day, from all that dancing, of course. ALL of the profits from the social will go to the Redvers and District Recreation Centre.

Events like this don't just miraculously happen. There are many people and organizations who make this happen. To all of the volunteers, this event can not be a success without you. These volunteers include the bartenders, ticket sellers, set up and take down crews, Redvers Firefighters, Redvers Lions Club, Redvers Rec Board, Town Council and all the community members who helped. We also want to recognize the following people or organizations who donated "in kind" to help make this event a huge success. Advantage Co-op, PTW Energy, 7L Place - Brian Lenouail, Today's Electronics - Murray Aulie, ERP Pro Hardware - Robert Soroka, Chylisse Marchand, Amber Sylvestre, Shay Urschel, Cornerstone Cruisers, Raymond Lamotte and most of all we want to thank the residents of Redvers and the entire surrounding area for attending. If I forgot anybody, I apologize and please let me know.

We know this event wasn't perfect, it was pulled together pretty quickly. The organizers are receptive to ideas from everybody on how to make this event bigger and even better. We will also require more volunteers moving forward, so if any body wants to volunteer or be on the organizing committee please let Michelle Jensen, Brad Bulbuck or Alicia Stewart know. We would like to make this an annual event, hopefully in either late May or Early June. See you next year.

## **WRITE THOSE LETTERS!**

Submitted by Jocelyn Hainsworth

So, here we are again, fighting for our hospital.

We had to fight to get it built. The province of Saskatchewan was well into paring down the number of hospitals in its jurisdiction and ours was slated for the chopping block but Redvers and surrounding area fought on and our modern facility was built. We thought it was a done deal, but it wasn't.

Our next dilemma was finding doctors, which is hard, and keeping those doctors, which is even harder. We have some very hard working and tenacious people working for us and have them to thank for overcoming the physician shortage and getting the doors back open on our hospital. I remember the happy day when the big 'H' went back up on our highway signs. Once more we thought our future was secure, but here we are again.

This time we are short of nurses. Make no mistake, nurses are a precious commodity, not only here in Redvers but everywhere. They are who deliver the hands-on health care. You can be tucked into a hospital bed with a doctor attending you but without a nurse your treatment stalls out. Our facility, between long term and acute, has five nursing positions vacant at the moment. As bad as that is, Covid is making the nursing shortage even worse.

To be fair, we are just one piece of the larger picture. It's not just us, it's not just rural hospitals, it's not just Saskatchewan hospitals, or even Canadian hospitals – these are not normal times. That said, we cannot sit back and think that this will all fix itself given time when vaccinations make Covid go away. Our hospital is closed right now. If we don't stand up for its reopening ASAP we will slip to the back of the line and be forgotten.

If we do nothing now we will have nothing later.

The South East Medical Group, comprised of five RMs (Argyle, Antler, Storthoaks, Mount Pleasant, and Reciprocity) and six towns (Storthoaks, Alida, Carnduff, Carievale, Gainsborough, and Redvers), have been trying to address this problem all along and have presented what they feel are innovative ideas to SHA to help mitigate the shortage situation. As that is not having an immediate effect they have asked for help – our help. They want us, everyone in this area who counts on the services they provide, to write letters of support. This is the equivalent of making a lot of noise so that the government pays attention to us and our communities. It's up to us to make sure we are not ignored.

There is a petition you can sign at the Redvers Town Office or at the Redvers Library, but an individual letter has much more impact than a list of signatures. Let's apply some real pressure.

Let's set a record for emails sent. We need letters from the guys on coffee row, from the gals making salsa, the golfers, the bike riders, the gardeners, the hockey moms, the horse club members, the retailers, the shift workers, the farmers, and the moms of toddlers. One letter per household is good, two is even better. Everyone needs healthcare at some point, if you don't want to have to drive more than an hour to see a doctor put that down in print and let the government know.

You can do this! It doesn't have to be long or technical: tell them who you are, where you live, and why we need our hospital open. Make it short, firm, and respectful and send it to [redverscommunityhealth@xplornet.ca](mailto:redverscommunityhealth@xplornet.ca).

Better yet, once you have your letter composed send multiple copies! [canningtonconstituency@sasktel.net](mailto:canningtonconstituency@sasktel.net)

[everettmla@sasktel.net](mailto:everettmla@sasktel.net)

[david.keogan@gov.sk.ca](mailto:david.keogan@gov.sk.ca)

[he.minister@gov.sk.ca](mailto:he.minister@gov.sk.ca)

[Warren.kaeding@gov.sk.ca](mailto:Warren.kaeding@gov.sk.ca)

[premier@gov.sk.ca](mailto:premier@gov.sk.ca)

[shannon.andrews@gov.sk.ca](mailto:shannon.andrews@gov.sk.ca)

[ministerrhe@gov.sk.ca](mailto:ministerrhe@gov.sk.ca)

If you don't know how to send an email ask your grandkid to show you.

And maybe this would be a great teaching moment in school – a lesson in civic responsibility and letter writing all rolled into one.

Anyone feeling more comfortable with snail mail address your letters to:

Everett Hindley Minister of Mental Health and Addictions, Seniors, and Rural and Remote Health

Room 208 Legislative Building

2405 Legislative Drive

Regina Sask

S4P 0B3

or drop them off at the medical clinic.

The bottom line, folks, is that we need to present a united voice to be heard. Don't let them think we are okay with our hospital being closed.

## REDVERS ACTIVITY CENTRE

Submitted by Marsha Goforth

After 17 months of our Day Program being shut down, the Redvers Activity Centre was finally able to re-open this program to about 30 people with disabilities. The Day Program reopened August 3, 2021, but had to open with some significant changes due to COVID. Before we had to shut down, we were a community-based program, and you'd always see us in Redvers or surrounding communities using the local public amenities. Since re-opening, we have had to become much more creative in how we spend our days, as we are trying not to go into public venues as much due to the Agency supporting medically vulnerable people. We are all so excited to get back into the Day Program and everyone has pitched in with creative ideas. Since the reopening of the Day program, we have done things such as swimming, barbecues, and we've privately rented walking tracks and bowling alleys to avoid the crowds. We made a video outlining why we love Redvers (which meant lots of stopping and taking pictures throughout the town), we have gone golfing and still go to the library as much as we can. When we were in lockdown, we kept in touch with our friends from other Agencies via video chat. In conjunction with the other Agencies, we started giving each other programming challenges. The fairy jars (pictured below) were one of these inter-Agency challenges. Other inter-Agency challenges have been our video about how much we love Redvers, building milk jug birdhouses, a cake decorating contest at Halloween, gingerbread houses at Christmas and we had a "Ninja" challenge for Valentine's Day where we delivered baskets of goodies and crafts to each other's Agencies for people who were locked down in their group homes during COVID. We are so grateful that the restrictions have been lifted and we can be a part of our communities again!

## LIBRARY NEWS

Submitted by Michelle Jensen

It's officially here! SPOOKY SEASON!! As you all know, I'm a little nutty for Halloween so this is my favourite time of year! The costumes, the candy, and all of my favourite movies are playing all of the time. Aaannndddd we can't forget about Thanksgiving too! Nothing beats turkey and pumpkin pie! My mouth is already starting water... mmmmmmm, pie....

Let's give a quick rundown of what is cracking at the Library for October!

Mondays are meant for Minecraft! Kids will get to join up and play Minecraft in a single server together. Able to build together, destroy together or whatever they choose. There are only 6 spots available so if your child is interested in joining, call the library to register them. There may be spaces for drop ins, so don't hesitate to check in and see if there is space. Every Monday from 3:30-4:30 for ages 6+.

On Tuesdays, we start off the day with Adult Coffee & Colouring from 10:00-11:00. Join us for a cup of coffee and some relaxing adult colouring. In the afternoon, we have BlockHeadz Lego Club back from 3:30-4:30. Ages 6+ can come and create whatever their heart desires with our huge Lego collection. No registration needed.

Wednesdays are saved for our fun Makerspace kits! Each month we will carry different kits to try out. This month we have the Button Maker! So come down and make some cool and cute Halloween buttons, or if you have a photo of your cutest little cutie, we can definitely help you get a button made! Kim will be here on Wednesdays to help you with the kits. Come and Go, no need to register.

Thursday mornings host our Storytime! Storytime runs from 10:00-11:00 in the morning and is geared towards 3-5 yr olds. We generally read a story or two, do a craft and maybe some colouring, if time permits.

Friday, more like FriYay!!! To finish off the week, we have Little Lego from 10:30-11:30. This is Lego time for the little guys (ages 3-5) and requires an adult to accompany the littles.

Now that we have the usual stuff out of the way, let's get to the extras!!

On Wednesday, October 13<sup>th</sup> we will be holding a Houseplant Exchange from 6:00-7:00pm. Bring your cuttings, starters and small indoor plant pots to buy, sell or trade! And if you have full grown plants you don't have room for, bring them too!!! Who doesn't love new plants??

Friday, October 15<sup>th</sup> we will be holding a simple Spooky Wreath class at 7:00pm. We provide everything to make the wreath but please bring your own hot glue gun and glue sticks; there are 10 spots available so call the Library to get in on the action. This class is for tweens, teens and adults.

October is also host of Saskatchewan Library week from October 17<sup>th</sup>-23<sup>rd</sup>. Usually we host our annual Library Tea but due to the uncertainty of what's to come in the next little while, we will have to cancel it once again. It makes me sad, I always loved spending the afternoon hanging out with my favourite people and talking about the programs, books, and activities throughout the year. If you want to contribute, feel free to send us pictures and stories about your favourite things you have done here or why you love your library!!! If we get enough we can make a post that week in order to commemorate the week.

Because Halloween falls on a Sunday this year, we will not be hosting our preschool Halloween party but bring the kiddos for a Halloween themed Storytime and Little Lego that week and pick up a take & make kit for your kiddos to enjoy at home! Who knows, I may still dress up in costume just for the heck of it!

Our monthly calendar of events and program guide is pinned to the top of our Facebook page at all times so pop on there for more info and to check out our posters for all of our events coming up.

**Monday:** 1:00-5:30 **Tuesday:** 9:30-12:30 & 1:00-5:30

**Wednesday:** 3:30-8:00

**Thursday:** 9:30-12:30 & 1:00-5:30

**Friday:** 9:30-12:30 & 1:00-4:00

For more information on our programs or what the library has to offer, contact Michelle by phone at 452-3255, find us on facebook (Redvers Public Library Branch, Southeast Regional Library), on twitter @RedversLibrary or on Instagram @redverspubliclibrary. Also note that Southeast Regional Library has a YouTube channel that is always being updated with new videos of events and fun things happening in our libraries within the region.

## OPEN HOUSE, EQUIPMENT CHECK & REGISTRATION

Come give archery a try at NO COST!

**SUNDAY OCTOBER 17, 2021**

**from 3:00PM-5:00PM**

**EVERYONE IS WELCOME!!!**

(all equipment provided to give it a try)

**Redvers Wildlife**

**Archery Club**

### COME & GO

If you or someone you know (youth and adult) is interested in archery this is the time to come and try it out! Our usual starting age is 6 years old but depending on the child, this may be altered. Existing archers are strongly encouraged to attend so their equipment can be checked and adjusted for the upcoming season.

We have bows to rent and arrows to purchase for the season as well as clothing to order.

Registration forms will be accepted by mail, email or in person on registration night.

Payment can be made by cheque, e-transfer or cash. All registrations must be in by October 20th to avoid a late fee. This archery season will run from November 1st, 2021 to March 31, 2022. Cost is \$150 per archer (credits will apply from last year) and bows can be rented for \$30 per season.

Archery range located at the Redvers Legion #40 Railway Ave

## **ALIDA HAPPENINGS**

The Alida Archives & Library board members appreciate the support that they received from the sale of some of their stuff. Special appreciation goes to the Redvers Library and Moosomin Library who both purchased some of our library shelving units. And of course appreciation goes to all who visited and purchased many of our books – we do hope that you'll enjoy the books you chose. Just a reminder that there are still a large number of books still available – only call either Shelly (306-485-7023) or Edel (306-485-8561) to set up an appointment to come visit the library and pick out some books at your convenience. We do aim to please.

It is officially fall according to our trusty calendar – a very colorful season and one to enjoy being outside, especially this year as the weather is so nice. I know one could sure use a shower or two of rain, but will take this great weather for now. Hubby surely enjoying it as it is great for the fall work in the field to be carried out. Cleaning out the garden can be a chore but with this nice weather it's not so bad. So enjoy it while you can and get all that outside work done. I'm way ahead of the game now – all my outside stuff is put away for the season, garden produce (what little there was) is indoors and stored for the winter. Even all my tomatoes, but boy are they ever slow in ripening – oh well one can at least keep up with eating them.

Another thing that is now official – the Alida Haunted House will be held during the last two weekends of October (22, 23, 29, 30 + 31) again this year. The group has decided to go ahead and host the event. There are of course Covid restrictions that must be followed – 1) One must be fully vaccinated and be able to show proof of your vaccinations. 2) One must wear a mask while attending the event. 3) Small groups (3-5) to tour through at same time. So far these are the only restrictions which seem to apply to our event. Please help our

volunteers and comply with these restrictions – they are only following protocol and rules set out to help protect everyone.

Yes, the rink has surely taken on a new look when you look out onto the curling ice surface – it is one big BLACK area where nothing can be seen, but when touring through one will find that there are about 20 different areas, tunnels or pathways with much paraphernalia and “visitors” present – you ENTER at your own RISK – if you DARE! If you have any questions or looking for more info please call Shelly (306-485-7023), she'll gladly pass on any info available.

Oh yah – can't forget – also this year they have decided to hold a MURDER MUSTERY (where you will have a certain amount of time to solve the clues and ESCAPE the Murder Room). One must book in advance for this event, again only a small group may participate at one time – call Shelly (306-485-7023) to book a time for your tour.

Don't forget the Alida Fun Fair it is also A-GO – it will be held on Sunday 31<sup>st</sup> from 12-3. There will be LOTS of fun and games and treats for the young ones to enjoy. Make sure you wear your costume and enjoy the day. Just for your information – there will be no spooks at the haunted house during the fun fair – they will arrive later after the fun fair closes.

Betty-Jo De Jong of Lashburn is down visiting with her dad, Bob Harrison for a while and while here also renewed acquaintances with a few friends as well.

Gail McLachlin spent a few days visiting with her family in Calgary – daughter, Grace, Luke McKenna and grandchildren Thea and Finn, son, Mitch Cowie and Andrea Gohm.

Randy and Glenda Zelionka, Loon Lake, SK visited with his parents Lawrence and Dot Zelionka for a while in late September when they helped with cleaning up the garden areas and preparing for upcoming winter months.

Congratulations and best wishes to Trevor and Teresa (Johnston) Dyck

who were married on the last weekend of September 2021.

On September 23 Ernest and Dianne Lemieux travelled to Lloydminster where they visited with family, son Michael, Lynsey and boys. They helped celebrate grandson Mason's 6<sup>th</sup> birthday a few day early, then returned home on the 27<sup>th</sup>. While there Dianne drove to Lashburn to visit with Charlotte (Hine) Bishop, a friend from 60 years back – they did a lot of reminiscing.

Visiting with Brian and Margaret Peet for a few days this past week were her brother, Maurice and Cindy Germain (Regina). While here they helped the family celebrate Margaret's birthday. Happy Birthday Margaret and may you have many more to come.

Members of the Golden Gate Centre hosted the Alzheimer's Coffee Break on September 29 where they had a fair good crowd attending throughout the afternoon hours. They raised approximately \$484.00 for the Alzheimer's Society. Way to go Alida.

Some members of the Greenfield family of Vancouver will be visiting in the area on October 4 as they are bringing their mother, Vivian (nee Rasmussen) Greenfield's ashes back to be placed in Dannevirke Lutheran Cemetery to be near her two of her younger sisters.

The Alida Hall and Rink Assoc. have decided to hold a Take-out Fall Supper on November 7 at the Alida Hall. Pre-order by November 1 and pre-payment is required – to place your order call Sherri (485-7380) or talk to Linda at the Post Office. Oh boy – I for one can hardly wait for that delicious turkey, stuffing, gravy, mashed potatoes, carrots, coleslaw, a bun and pineapple dessert – m-m-m – Delicious!!

The Village of Alida and the R. M. of Reciprocity #32 are now under a FIRE BAN once again as ordered by our Fire Department. Please be very cautious as it is SO VERY DRY out there.

Happy Halloween Everyone – be kind to all the spooks, witches, ghosts that come to Trick or Treat.

## OCT 2021 HAVEN HAPPENINGS

Submitted by Barbara Dennis

Oct 1 marked another day of increased restrictions for us in the Haven. Thankfully family and friends can still come and go enabling our residents to have company: however, all MUST wear a medical grade mask to enter and MUST remain masked even in their loved one's room. Staff still screen all visitors upon entry with the covid questions and you are asked to use sanitizer and provided with the proper mask. Please willingly comply for the safety and security of all involved. We at the Haven, do not make the rules, but WE MUST follow the rules as set out by the Saskatchewan Health Authority.

Many thanks to Broadway Bakeshop for the cookies, and Action Laser Services (Corinne Andres-Toms)

for the soft drinks that completed our Hot Dog meal sold in support of the Alzheimer's Society Sept 21. Orders were very slow in coming in but we did what we could and thanks to a few residents, a few community members, and a generous donor who made a sizeable donation we are able to forward to the Alzheimer's Society of Saskatchewan over \$150.00. The Society sent the Haven Activity Department – read Corinne Andres-Toms – a certificate of appreciation for 20 years of fund raising which has raised in excess of \$2000 in recognition of continuous support.

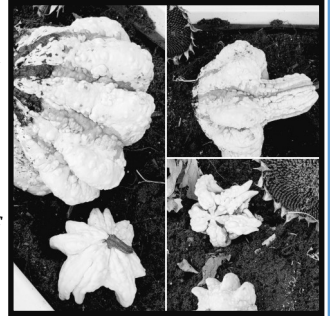

Happy Thanksgiving – we have much to be thankful for here in South East Saskatchewan, not the least of being able to meet with family and friends for this traditional holiday. Upon entering the East side of our building one is greeted by a very large colorful turkey wishing you the same. Each resident gave a reason to be thankful: I know you also could list a few different reasons.

Visiting the First Pick Market south of Fairlight, I could not resist bringing

home some of their fantastical gourds. They along with sunflower heads will be a part of a harvest display in the east window flower beds until such time as the birds finish their feast and/or Jack Frost pays us a visit of some severity.

Musical entertainment here at the Haven has been rather hit and miss. Entertainers are not allowed to come into the building so as long as the weather holds we will continue to have those who are willing to come and share their talents with us while we enjoy the fresh air and sunshine. Speaking of fresh air and sunshine – what an incredible gift the days have been of late. Please know we take every opportunity – and it has been wonderful to have so many – to see to it that our residents are out and about in the fresh air and sunshine as much as possible. Comparing the July and August days that were too hot for most, September and the first days of October have been a treat.

Until next time folks, may the road rise to meet you and friends be there for you.

*Thank You*

*I would like to say a special thank you to Brenda Thompson, owner of "Home Sweet Home" in Fairlight, SK. Brenda works hard for money and she generously gave me a mind-blowing donation to purchase dozens of pumpkins and gourds.*

*Gerald and Bev Down, of "First Pick Market" had some amazing specimens to select from: Large or small, smooth or bumpy, many looking like alien creatures. Definitely conversation starters!*

*I also want to give a heart felt thanks to Barbara Dennis and Linda Jeffery for doing all the heavy lifting to get them into the car then into the Heritage Lodge in Redvers to help decorate our common room. I couldn't have done it without you.*

*Sincerely,

## Water Meter Readings...

We know reading your meter might be tedious, but it must get done! Reading your meter not only ensures you are accurately billed (paying for the water you use, as you use it) and helps avoid unsavory catch-up bills.

Not only that, it is a key part in our water maintenance and yours. Reading your meter ensures that it is working properly, but most importantly it can tell you about any possible leaks or plumbing issues you may have.

## Oops... I forgot!

We get it, it happens to the best of us. Sometimes life gets busy, or you are away, and your reading just doesn't get submitted. That's OK! Send it in next time.

## But there's a catch...

Meter reading is important. That is why after 2 missed readings, the 3rd MUST be submitted. If you think about it, that's **9 whole months** without submitting a reading for your water. If by time the 3rd billing comes around and you haven't submitted a reading...

## **STUDENTS AND TEACHERS OF ARTEMIS DANCE ARE BACK AT IT AND COULDN'T BE HAPPIER!**

Submitted by Amber Sylvestre

Classes for those enrolled at Artemis Dance began the week of September 13th-16th and despite a challenging couple of years, enrolment stays consistent. Over 140 dancers visit the studio located at 30 Souris Ave. in Redvers, Sask on a weekly basis to bust out their moves in tap, jazz, hip hop, ballet, lyrical, contemporary and musical theatre.

Classes run from Monday to Thursday and due to the large volume of students, and doing their best to maintain social distancing, Artemis Dance will once again be renting a second space to adhere to COVID guidelines and ensure the well being of its staff and students. Murray Aulie of Today's Electronics, (also former dance dad and videographer of Artemis) has been kind enough to rent his building space to the dance studio.

Artemis has come a long way since its humble beginnings way back in 2002 (aka Redvers Dance Club) in which there were only two instructors (Phoebe & Amber) and approximately 25 kids enrolled. It now has an amazing faculty of 5 head instructors who consist of: long hauler Phoebe Douglas, hip hopper Jordon Colleaux, the ever graceful Chandler Mann, former Artemis dancer Ayla Schwandt and studio owner Amber Sylvestre, as well as an ambitious group of students who are also teachers in training: Charlie Millions, Laya Massy, Fallon Jensen, Jaycee Gervais and Jaryn Desjarlais.

Studio owner, Amber, largely credits the success of the studio to the amazing team of teachers and student teachers, but also very much to the parents and students who make up their large, extended "dance family".

Typically Artemis Dance would begin the season in the fall and just before Christmas, begin working on their routines to take to competition but last year, after deliberating with the students of Artemis, the studio teachers made the difficult decision to take a step back from doing competitions, seeing as the only option was to do them online. But now, after having had a year off, both the teachers and students are more than ready to bring the competitive aspect back to their dancing in whatever form it comes in.

And while fingers and (pointed) toes are being crossed extra hard for the prospect of live, in person, competitions as well as a recital in the spring, that is yet unknown. The only thing that is known, is that whatever life throws at Artemis and its students, they will be resilient and ready to rise to the challenge!
