SNOW...SNOW...SNOW!!!

REFLECTIONS

Submitted by Jocelyn Hainsworth

Here it is, the first day of a new year.

The older I get, the more this day is spent reflecting on the past, present, and future. What are the things I've learned in the past twelve months? How does today stack up against other New Year's days I've lived? And, what does this new year hold in store?

No one is going to pretend that 2021 was all that much fun. Isolated because of Covid, we spent the holidays alone. It wasn't the end of the world and we made the best of it, but once was enough. All the things that usually get to me – the noise, the mess, the never ending need to plan another meal – I missed these as much as company and conversations with kids and grandkids. I think that was the second wave of the Covid storm, and we had no idea how many more waves were to come. We still don't.

There is no point in obsessing over that though. I put the Christmas decorations away last year and looked toward spring. I would order seeds and plan my gardens. Green is the colour of hope.

With high optimism Tourism planted 105 trees at the campgrounds. With equally high practicality we stuffed straw bales over their roots and around their tender stems because Mother Nature was being very stingy with her rainfall. It turned out to be a very good (if a little messy looking) thing to do. We will be replacing a few trees this spring but most of them made it with flying colours. The weeds, presuming they would be unloved and uncared for, fended for themselves and have done spectacularly. It's a work in progress.

Back at home, 2021's gardens weren't such a great success story. I did have access to dugout water and we had a couple timely rains but the heat was brutal – on the plants and the human who was trying to weed and harvest its bounty. The cold, dry winter had taken some of my perennials, the fruit trees hardly bloomed, and the strawberries died back to a quarter of 2019's plants.

On the up side, vaccines were approved and we were more than happy to “stick it to Covid”.

At the end of June we rejuvenated our deck. It was the hottest two weeks of the summer – we drank our weight in water and iced tea and beer and somehow didn't die. Heck, we even got the deck done too, although it was so hot the composite material we used got all soft and bendy. It was August before it got cool enough to sit out there and enjoy it.

This was the year I learned to Zoom. I meet with a writer's group every second Wednesday and discuss each other's work. I'm pretty sure this is a gift Covid has given me - an opportunity that wouldn't have come up otherwise. You know what they say about silver linings.

And, speaking of silver linings, our Tourism group decided to host a BBQ lunch at the Farmer's Markets this summer. When we couldn't interest others to take on this fundraising opportunity we had to cover it ourselves, but the sellers and the buyers loved it and proved to be a great money maker. We will be doing more of that.

Harvest came and went with yields better than people hoped for. I dug my potatoes and carrots and the rest of the disaster got plowed under. Our giant pumpkins were turned into fabulous Jack-o-lanterns. We ran a pump for days moving water from the dugout over to where we hope it soaked in and replenished our well. It's a very real concern with everyone whether their water source will make it through the winter. No one is complaining about the Christmas snowfall. Every little bit counts.

Covid's third wave rolled through in time for Thanksgiving, all of us exhausted with the very mention of its name. Now the raging wildfire of Omicron is upon us; here's hoping it's the milder version that they are saying it likely is ... and the beginning of the end.

And so, here we are, on the first day of a new year. Christmas was real this year with family and food and friends and fun. Hopefully we can get this year started off on the right foot.

There is only one more reflection to consider ... the one in the mirror. There seems to be more of me than there used to be.

JANUARY HAVEN HAPPENINGS

Submitted by Barbara Dennis

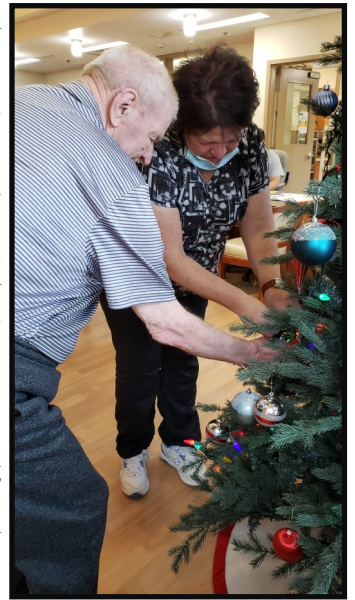

HAPPY NEW YEAR! A new year, a new month, a new start! A clean slate to write upon – how will YOU write 2022.

A month ago we were still decorating for Christmas – here Albert Magatioux gets into the spirit with help from Annette Carriere.

Our Residents were blessed by the Redvers School children when they received these great Christmas posters, plus individual Christmas cards plus decorations made by the students. Thank you to all those students who kindly brought color, hope and cheer to the Haven.

Speaking of color and cheer, many thanks to Robert and Katy Soroka at ERP, for gifting each resident with a personal poinsettia to brighten their rooms and remind them they

are loved.

Besides Christmas parties as evidenced here with our Christmas sweaters designed and worn by all especially for the occasion we also had birthday celebrations. There were two residents who celebrated birthdays and more than one staff member. Here Wendy Frecon is sung 'Happy Birthday' accompanied by Len Batke on the harmonica.

December would not be complete without celebrating Christmas Day – and so we did! We are so very pleased to report that many of our residents were able to attend family functions over the Christmas weekend: and some chose to bring the celebration to the Haven for private family gathering. Restrictions are still in place for public gathering of this kind but families are able to join together. So very satisfying!!

And what would Christmas be without a visit from the Big Guy! We are ecstatic to report that Santa himself dropped in Christmas morning. The bitter cold of overnight was just too taxing for Santa's reindeer. Santa, being the ever-mindful reindeer expert saved his last delivery for here at the Haven so his reindeer could take a breather and warm up a bit before their last leg home to the North Pole. Hard working, Christmas day staff and each resident received a Santa gift and got a photo taken before Santa Claus bid us all a Merry Christmas as he exited the building. Santa with Margaret Nelson, Charles Hofer and Mary Bartley.

The residents were very pleased to be able to attend the Christmas Parade Dec 11. Sincere and appreciative compliments to the organizers. Good work for pulling it all together. Nothing happens until some one makes it happen and you made it happen! Thank you very much for doing so. A suggestion for next year if planned for similar date – starting the parade at dusk would be beneficial to allow viewers to see the individual entries as well as enjoy the lights. Best wishes for future endeavors.

Writing January 2022? Rumor has it that there is some serious sharp shooting happening soon as well as a quintuplet birthday celebration in January alone.

Here we are in next year already: may the road rise to meet you and friends be there for you.

ALIDA DECEMBER HAPPENINGS

Submitted by Edel Cowan

Visiting with Leonard and Lil Patton on November 30 were her brothers Elmer/Jeanne and Joe/Donna Molnar as well as Trevor, Sheri, Cordelia and Keagan Patton. They all enjoyed a birthday supper in honor of Leonard. Happy Birthday, Len and many more to come!

The Alida community extends sincere sympathy to the Naviaux families on the death of Larry Naviaux (Redvers) who passed away December 2, 2021 at the age of 71 years in the Moosomin Heath Centre. He was raised on the farm in the R.M. of Reciprocity and later took over the farm from his Dad. Larry was predeceased by his parents Lucien and Lena and is survived by his siblings Rose, Marcel, Dorothy and Marlene, their spouses and families. A Celebration of Life was held December 18 at the Redvers RC Church.

Gray and Edel Cowan were in Estevan on Friday, December 3 where Gray had an appointment at the optometrists while Edel spent a good day shopping.

Café 361 held a Sunday Breakfast Buffet on December 5 – there was a good turnout for this breakfast – we (Gray and I) attended this event and enjoyed the delicious food – hope to see many more to come Lori.

We received a fair amount of snow over the weekend (about 4 -5 inches I would believe). Enjoyed watching the football games, this forenoon it's the Eastern final and weather there looked great. The Western final was later that afternoon, it was snowing in Winnipeg so it may be a very interesting game – time would tell. Boy oh boy was that ever a whopper of a Western Football Final played out on Sunday, December 5 in Winnipeg with Roughriders vs Blue Bombers. It surely did have you sitting on the edge of your seat during the last half – and sad to say but the Riders ran out of time and lost the finals to the Bombers – so it'll be back to the drawing board and hopefully next year will prove to be successfully. The finals will be next weekend, Sunday, Dec. 12 when Bombers meet the Tiger Cats – Go Winnipeg Go!

Sincere sympathy is extended to Marcelle Peterson and family on the death of her husband, Benny on December 5, 2021 at the age of 82 years, at the Redvers Long-term Care Home. He was predeceased by his parents, Alfred and Johanna; brothers, Eldon and Donald; sister, Myrtle Parkinson; brothers-in-law Ted Parkinson, Harvey George, Raymond George and John Mate; and sisters-in-law Armande George and Janine Mate. Benny is survived by his wife Marcelle, children: Michelle (Reg) Needham, Bob (Deanna), Joanne (Brad) Longphee and Tracy (Kari); eight grandchildren, two great-grandchildren as well as his sisters, Bernice (Bob) Health, Beth George and Carol (Paul) Weger and sisters-in-law Glennis Peterson, Mary-Ann Peterson and Lorraine George and numerous nieces and nephews. Funeral service was held Saturday, December 11 at the Redvers RC church with

internment at Dannevirke Cemetery and a fellowship luncheon followed at Alida Hall.

Tim, Shelly and Ainsley Cowan returned home on December 8 after spending approximately 12 days holidaying in Florida and Minot. They visited the Universal Studios and other sites while in Florida (an early Christmas trip that was very much enjoyed).

Some members of the Peterson Family who were home and attended the funeral of Benny Peterson were Michelle (Reg) Needham and their family (Oxbow), Joanne and Brad Longphee and family (Storthoaks), Bob (Deanna) and family (Weyburn), Tracy (Kari) and family (Calgary), Beth George (Redvers), Darren George (Calgary), Terri Ann Nolin (Rivers, MB), Donna McDonald (Lang, SK). They all attended the luncheon at Alida Hall on December 11.

A few local ladies met at the Hall on December 12 and decided to get busy and make some homemade pumpkin pie – they made 35 pies and all of these pies have been baked, purchased and I'm sure have been or will be enjoyed by the purchasers. Later they may just decide to make more pies (probably in the New Year), if there's enough interest. Please call Shelly at (306-485-7023) if you are interested in receiving some pies – m-m-m- they are delicious.

The Alida Rec Board is now offering Homemade Pizza for sale as another fundraiser with four different kinds available. The deadline for ordering is January 8, 2022 with delivery date January 22, 2022. Place your order by email to alidarecboard443@gmail.com or on the Facebook page or pick up order form at Alida Post Office and leave order there.

Sunday, December 12 was The Grey Cup Football Finals that was being played in Hamilton, ON with Hamilton against Winnipeg. After a very exciting and close game it ended in a tie and overtime became evident which ended with the Winnipeg Blue Bombers coming out on top. This was the Bomber's second straight Gray Cup – 2019 (no football in 2020) and now again in 2021 – way to go team – and congratulations to the Winnipeg Team.

Sincere sympathy is extended to the Junk Families on the death of Rose Junk on December 12, 2021 at the age of 97 years in Oxbow. Rose was predeceased by her husband Tom in 1997, her son Ken and her siblings – Stan and Bud Nichols, Emily Stanley and Nina Hewitt. She will always be remembered by her family: sons, Lorne, Gary (Brenda), daughters Ardyth (Mike) Philipation, Rhonda (Terry) Morrow, Carla Junk, daughter-in-law Dina Junk, eleven grandchildren and 16 great-grandchildren. The Junks began farming in the Auburnton District where they farmed for many years and their sons have carried on farming in this area and now the third generation is also farming. Condolences are also extended to all family members and close friends. A Graveside service will be held in the Spring 2022 at Glen Morris Cemetery, Carlyle. Calvin and Merrilynn Lamport are pleased to

welcome their little granddaughter, Adrianna Marie Czerwonka who arrived safe and sound on December 14, 2021. She is the daughter of Kayla and Connor Czerwonka of Candiak, SK and is also the Great-granddaughter of Neil and Karol McIntyre. Congratulations and Best wishes to everyone.

Jeff Cowan spent a couple of days (December 18 -19) visiting in the area with his parents, Gray and Edel, brother, Tim, Shelly and Ainsley as well as with Jenny and Grant Barber before heading back home to Regina.

Shelly and Ainsley Cowan spent a couple of days (December 19 -20) in Minot with the Nilsen family to pre-celebrate Christmas, before the Covid rules change once again at the border on the 21.

Sincere sympathy is also extended to the Barber family of the death of Pauline Barber, who passed away December 19, 2021 at the age of 96 years in the Sunset Haven Nursing Home, Carnduff. She was predeceased by her husband, Garrett (2000), daughter, Valerie, sons Wayne and Clifford. She is survived by her sons – Gary (Doreen), Lenard (Joanne), Lonnie (Hilary), daughter Christine, daughters-in-law Marie Barber and Maggie Barber, numerous grandchildren, great-grandchildren as well as nieces and nephews. A graveside service will be held at the Carnduff Cemetery at a later date in 2022.

Visiting with Bud Phenix on December 19 were Kim and Morris Van Stevan of Griffin and Grant Oberkirsh of Weyburn.

Sincere sympathy is extended to the Desautels family on the death of Maurice Desautels, who passed away December 20, 2021 at the age of 98 years at the Moose Mountain Lodge, Carlyle. Maurice was predeceased by his parents, Horace and Docia, 5 brothers, 4 sisters and his daughter Lisette Dubuc. He is survived by his wife Yvonne, children - Gerry (Debbie), Gisele (Garry) Bartolf, David, Normand (Dorothy), Gilbert, son-in-law Darryl Dubuc, sister Gertrude Mondor, sisters-in-law Claire Germain and Simone Desautels, 18 grandchildren, 36 great-grandchildren and one great-great grandchild, numerous nieces and nephews. Funeral Mass was celebrated December 27 at Cantal Catholic Church with interment at Cantal Cemetery and fellowship lunch followed at Alida Hall.

Faye Walker spent from December 21 with her daughter Deidra Nickel and had a good Christmas celebration with the family in Saskatoon, returning home around December 29. Continued good health Faye.

Spending time visiting with their family Gary and Brenda Junk during the Christmas Break were Jody, Jill Junk and boys, Kara Junk and daughter Morgan, all of Sylvan Lake, AB. While here they also spent time with Jason, April and family.

Christmas visitors over the festive season with Leonard and Lil Patton were Wendy, Rob Lutzer and their daughters Kayley and Reece from Calgary.

Celebrating Christmas Eve with Gray and Edel Cowan were Joyce and Jackie George, Tim, Shelly and Ainsley Cowan, they had supper together, a nice visit and received a few gifts from Santa. Then on Christmas Day visitors at the Cowan farm with Gray and Edel were Jeff Cowan, Raylene Markoski, Joyce and Jackie George, Kelsey Rydberg, Lacie Nilsen and her friend Jesse, Tim, Shelly and Ainsley – they enjoyed a delicious Christmas dinner, had a great visit with each other and of course received many gifts from Santa. Later in the afternoon Kelsey, Lacie, Jesse, Tim, Shelly and Ainsley enjoyed a family skate at Alida rink for a while, having a great time before the girls had to leave for Estevan.

Hope everyone had a very Merry Christmas and enjoyed their holiday time with their families and friends.

The Alida community extends sincerest condolences to the Dangstorp families, as word was received on the passing of their Aunt Joan Burmey, on December 25, 2021 in Edmonton. She was predeceased by her parents Ole and Emilienne Dangstorp, brothers, Emil (Marion) Dangstorp and Harold (Ruth) Dangstorp, and her husband Don Burmey. She is survived by her daughters Leanne and Christal, their husbands and four grandchildren.

Sincerest sympathy is extended to Jim Boettcher and family on the passing of his wife, Mary on December 27, 2021 at her home. She was predeceased by her parents, George and

Rolena Rogers, daughter-in-law Laurie Boettcher, three brothers and a brother-in-law. Mary is survived by her husband Jim, four children – Bonnie (Kevin) Dryer, Ken (Diane Zander), Debbie (Lance) Morrow and Tim (Trudy), 8 grandchildren, 11 great-grandchildren, 5 sisters-in-law and 4 brothers-in-law. The Boettcher family has lived in Alida since 1960 where they later purchased and operated Three Star Trucking. Mary was secretary-treasurer for the business for many years and had recently retired when her health began to fail. She will surely be missed by all who knew her – rest in peace Mary. A celebration of Mary's life was held January 3 at Carnduff United Church with interment at Carnduff Cemetery and followed by a fellowship luncheon held at the Carnduff C E Building.

The Alida community extends sincerest condolences to the Dangstorp families, as word was received on the passing of Joan Burmey, on December 25, 2021 in Edmonton. She was predeceased by her parents Ole and Emilienne Dangstorp, brothers, Emil (Marion) Dangstorp and Harold (Ruth) Dangstorp, and her husband Don Burmey. She is survived by her daughters Leanne and Christal, their husbands and four grandchildren, as well as numerous nieces and nephews.

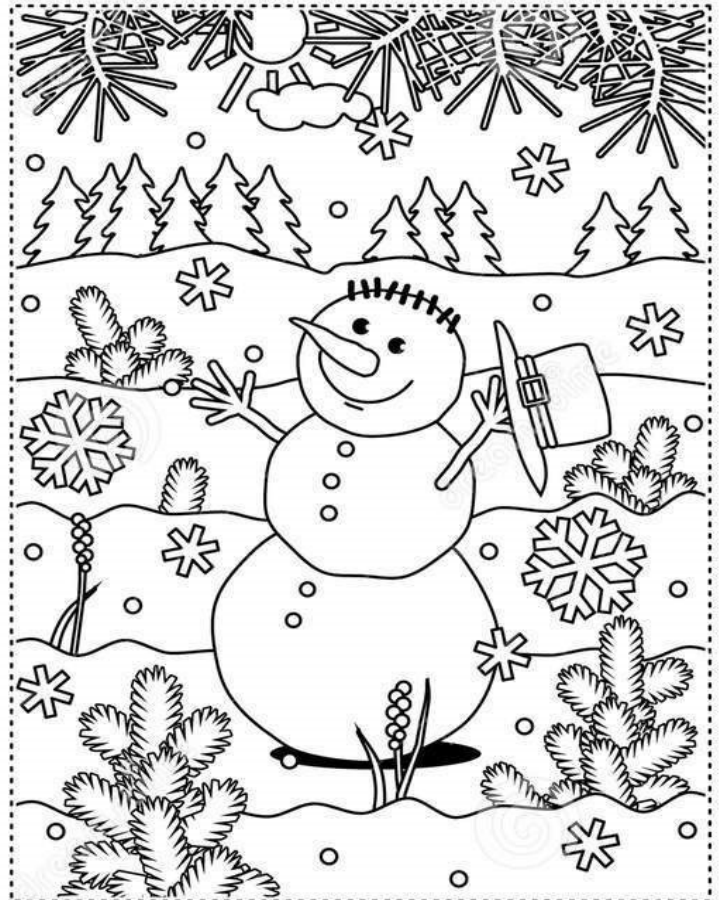

Sunday Breakfasts are back at Alida Rink – the first breakfast was held January 2, 2022 at the usual hours from 8 – 10:30 each Sunday

morning. The Kitchen group that was in charge of the first breakfast was Group 3. The Breakfast Challenge is also back – this first breakfast saw Group 3 serving up 21 breakfasts. Next group in charge will be Kitchen Group 4 and wonder if they will beat the Challenge? Hope to see you at Rink – just remember ALL Covid-19 restrictions apply and one must be fully vaccinated or have proof of a negative test. Big bouquet to Brenda J and Margaret P for stepping up to be in charge of these Sunday breakfasts in making sure all supplies etc. are on hand and ready to go. See you at the Rink.

The holiday season has come to a close now, and the schools are opening their doors for the New Year on January 3. Good Luck to the staff and students as you continue on with the school year.

Here's hoping for a Happy and Prosperous 2022 for everyone and that we see the end of these Covid viruses. Happy New Year to Everyone! Please remember folks to keep me posted whenever you have news on any happenings that are going on in and around Alida as well as within your own family circle – simply contact me any time, either call 306-443-2496 or text 306-485-8561 or e-mail me at g.cowan@sasktel.net. I will be sure to see that it gets into my column. I do appreciate all your input as it does help to make things interesting.
