COVERING THE CORNER

REDVERS & AREA COMMUNITY NEWSLETTER

April 2022 Issue

RedversNews@gmail.com

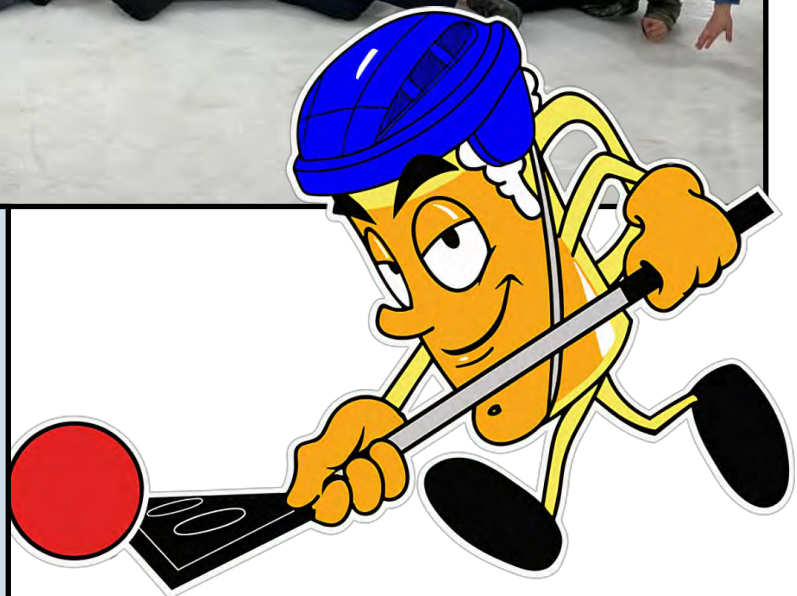

Covering the Corner is a service provided by the Town of Redvers. It is our intent to provide the community of Redvers and surrounding area with a newsletter that keeps residents connected with the numerous events and activities going on within our fantastic community!

Moccasin Lock-Up...The Champs!!

Moccasin Lock-Up, was held on April 1&2, 2022. It was great to get Lock-up going again this year. This was my first experience with it but I was told so many things about its history. Did you know Lock-up started in 1983? Thats amazing that it is still going on to this day. We saw 7 great teams compete this weekend with the Sled Dogs taking home the Championship! There were a lot of games played and a lot of drinks consumed and at the end of the night I think everyone had a great time. We look forward to continuing this tradition next year bigger, better and maybe even with the Social back.

Photos/Submitted by Shane Marsh

SPRINGING

Submitted by Jocelyn Hainsworth

There is nothing like the memories feature on a person's Facebook page to keep track of where you were on this date for as long as you've had a Facebook account. It's pretty much my first go-to after I've poured my morning coffee, just as the other phone owner at the table checks the weather. Kids and their phones!

At Christmas time my memories are all about who was coming home for the holiday on the different years. In July the pictures show my gardens in full bloom ... or crushed by wind and rain, this also depends on the year. Autumn brings pictures of harvest and the turning of the leaves, and winter shows either storm/snow pictures or tropical beach getaways. Sprinkled throughout the seasons are many photos of grandchildren, aging from newborns through toddlerhood and on into the going concerns they are today.

Obviously this week's theme is spring. It has been for a while and every day there are multiple pictures of everything from raging blizzards to lawn ready to mow – March and April are pretty iffy in this country. Well, May too ... and a lot of the other months, come to think of it.

But the sure signs of spring are here: gophers and robins and meadowlarks. It always amazes me how fast the snow disappears when the temperatures rise. Just two weeks ago there were only tiny brown patches out in the fields but now there are only banks in the trees left to melt. It's a good feeling; let's hope it lasts. The resident Grandpa here has a play date scheduled in with the nearest grandkids for this weekend. The plans involve rafts and rubber boots and, I predict, me doing a lot of laundry. Guess what next year's memory pictures will show.

There has been another theme that keeps resurfacing on my memories page these past few weeks. Apparently this is when (except for the Covid years) Redvers Tourism begins to plan for our summer season. Lately I've been reminded of different meal options we've provided and entertainment venues we've offered over the eight years I've been a part of the group.

It's time to get that ball rolling again too.

After two years of only being allowed to do the barest of minimum things this shift into full gear is exciting and a little daunting at the same time, but we're getting back in the groove. I think Canada Day may actually look and feel like Canada Day in 2022. Fingers crossed.

We are looking forward to giving the camp kitchen and the log cabin a fresh coat of paint this year – a huge thank you to the Advantage Coop for their grant to cover the cost of the paint!

There will also be replacement of the few trees that didn't make it through the scorching summer of 2021 and an ongoing weeding of both the trees and flower gardens. We deeply appreciate the volunteers who helped us out last year and would welcome even more. Let us know if you can help or just spend an hour on your own time. Many hands make light work!

Providing a BBQ lunch at the Farmer's Market was a great success last summer so we will be doing that again. This year we are aiming at providing a children's craft/fun time to coincide with this time as well. We'll keep you posted.

We also are looking into partnering with the Chamber of Commerce to put together Stay and Play coupons and packages to promote more of what Redvers has to offer. Keep tuned for more information as the plans come together.

Let's hope it's all clear sailing into spring from here on in. Can't wait to break out the flip flops!

Redvers Housing Authority

Redvers Housing Authority now accepts small dogs (less than 15kg), cats & birds, with a \$150 non refundable deposit.

Redvers

The Housing Authority presently has vacancies and may be able to rent to applicants that do not meet program criteria. Anyone looking for housing is encouraged to apply.

Applications can be obtained at the town office or through the Housing Authority Manager.

GRADE 6 CLASS OF REDVERS SCHOOL

What is the best thing about spring?

Zailey – The best thing about spring is that the snow melts and the weather is warm.

Kaycee – The best thing about spring is all the birds pass by or come to stay and they're so interesting.

Regan – The best thing about spring is the Stanley Cup playoffs (which the Leafs are going to win) and baseball.

Hunter – We get to play football. There is water then it freezes at night and it turns into ice and then it is fun to go on. Soon we get to play baseball then we get to go for bike rides at night. It will be a good time to clean barns and roping dummies.

Hayden – I would say that spring is really awesome because it finally warms up, you get to jump in puddles, there is no snow, it's easy to run and walk, and the flowers start to bloom. That's what is the best part of spring.

Lucas H. – The best thing about spring is all the animals are born on my farm.

Kinsley – The best thing about spring is going on bike rides and splashing through the puddles.

Serenidee – We get to jump into the puddles outside and all get wet.

Kyler – The best thing about spring is that it gets warmer and kittens are born.

Kamri – The best thing about spring is probably my birthday because I get a bunch of presents and they are just for me. I also like that it is nicer out and there is some cute baby animals being born.

Christian – My favourite thing about spring is the temperature because it starts to get warmer and sports start to happen.

Seth – That you can play in the puddles.

Lucas M. – The best thing about spring is how nice it is and how all the geese come out.

Olivia – I like when it is nice outside and playing in the water.

Halle – The best thing about spring would be going to my Grandma's house and getting to work in the garden and getting to spend time with the new baby kittens.

Serenity – The best thing about spring is baby calves are born and birthdays are going to happen and it will be warm outside.

Tate – My favourite parts of spring is how I get to ride my scooter and Easter happens.

Kelton – It means to me that you can play baseball and ride your bike without getting cold. You can also play basketball outside everyday and we also have Easter.

Tye – I love spring because we get to play baseball and football. I get to play catch with my mom.

Will – The best thing about spring is when it is warm and you can throw the baseball or football around.

Ashlyn – The best thing about spring is the nice weather and the pretty flowers that are blooming.

Tiana – The best thing about spring is jumping in the puddles.

ALIDA HAPPENINGS

I do believe that March came in as a boisterous lion – roaring in with strong winds but not being too cool. Now we say good-bye and I'd like to say that it is going out as a lamb, because of the nicer warmer weather, and no more serious snowfall, this lamb seems to be chasing the lion out of the area – I hope, I hope. It's finally really and truly spring – weather could be a little warmer with less wind for my satisfaction. But it's great to see the signs of spring arriving – geese and robins have arrived and soon others will join them. Oh happy spring – April showers bring May flowers!

The Alida Recreation Board has decided that they would hold another fund raiser to help keep our rink, pool and hall running smoothly as they continue going forward. They had a great success with an online auction last year, so they want to do it again this year. This year's online auction is planned for April 8, 9 and 10. Donations will be graciously accepted from now to April 3 and may be dropped off at the Alida Post Office or given to a board member(Lesa Bendtsen, Leanne Dubuc, Cheryl Harrison, Shandi Boutin, Margaret Peet, Shanna Carriere, Shelly Cowan, Teresa Lemieux). The auction items can be found on the Alida Recreation Facebook page. If you have any questions contact one of the board members. In advance they wish to extend their appreciation that everyone continues to support their fundraisers and your contribution(s) will be greatly appreciated.

Hope you got a chance to watch Telemirale this year, with all the excellent talent in Saskatchewan. They raised over 8-million this year – Wow – way to go, another success for the organization.

Alida community extends sincere sympathy to the Cruywels and Wolensky families on the death of Odette Cruywels on March 13, 2022, at the age of 77 years. Odette will always be remembered by her husband, Laurent, daughter Tania (Phil) Yanchycki, grandchildren Charisse and Stefan, her siblings Real (Jeannette) Wolensky, Gertrude, Adeline (Royal) Cournoyer, Armel, Liane and Laurel, as well as her in-laws and numerous nieces and nephews. A service will be held at a later date. Condolences are extended to all family and relatives.

I didn't get to watch much of the Paralympic Games last week, but do understand that Canada brought home their share of the medals – 8 gold, 6 silver and 11 bronze for a total of 25. What a great showing and congratulations to all the participating athletes. It's just marvelous how these people overcome their handicap and can perform so extremely well.

Once again I spent most of time watching curling when the Canadian Men's Brier Playoffs were being held in Lethbridge, AB. There definitely were some great curling shots being made throughout the week. On Sunday (March 13) evening had Team Koe up against Team Gushue and this resulted in Team Gushue coming out on top (even if they only had three curlers during the last two days of the playoffs – due to the third man testing positive for Covid). It will be a Brier that goes down in history and won't be forgotten (darn old pandemic). I soon enjoyed another week of excellent curling – The World Women's Championships – it didn't turn out so well for Canada although they did make into the play-offs and were fortunate to win the Bronze medal, the Silver medal was won by Team Korea and the Gold was won by Switzerland, who had

also made it all the way through the tournament with no losses, so no wonder they won it all – but the final game was a very close one with the final rock having to be made. Congratulations to all the teams on a great week of curling. The next big curling event is beginning this coming weekend in April in Los Vegas – the World Men's Championships – Go Team Canada (Team Gushue) – Go.

As the activity slows down at the rink – the Recreation Board is getting ready for their On-line Auction coming up in April. At this time the Alida rink is now closed – no more skating due to the warmer weather. If you are looking to rent the following facilities here in Alida, please contact the following people: 1) The Golden Gate Centre – Shirley Bendtsen (306-485-7394); 2) The Hall or Rink – Shelly Cowan (306-485-7023); 3) The Lions' Campground – Cannington Constituency Office (306-443-4400).

Tim, Shelly and Ainsley Cowan were in Weyburn on Friday and Saturday, June 18 – 19 where they attended the Artemis Dance Competition in which Ainsley participated in the Inspiration of Dance. Ainsley's Dance group placed second – Congratulations girls – a job well done.

There was lots of excitement in Alida on the evening of March 16 when there were five fires set and a break-in which all happened shortly within one another. The Erickson farm house and house trailer (south of Alida), Lois East's (the former Reynold's) house (in town on Highway 361), the former Paul/Margaret Gervais farm house (north of Alida), the R.M. Office (also north of Alida) were all set ablaze and they all burned down to the ground. Just Off Centre Street Grocers was broken into as well. Fortunately cigarettes were the only thing that seemed to be missing. There were fire trucks and water trucks, equipment and personnel from the surrounding towns of Carlyle, Oxbow, Redvers, and Carnduff, as well as Alida that all attended to these fires and eventually they had them contained and under control. The local RCMP as well as some members from Estevan was also in attendance. The arsonist was eventually captured and taken into custody. Great appreciation goes out to all those who came to help out with this situation. It was night that will not be forgotten for quite some time.

Sincere sympathy is extended Randy, Tammy McCannell and family on the death of his father John McCannell on March 20/2022 at the age of 93 at the Melita Health Centre. A funeral service was held at Peirson, MB on March 26. Condolences are extended to all other family members and friends.

Tim, Shelly and Ainsley attended the Arthemis Dance competition held in Regina on Saturday, March 26 where Ainsley competed with her dance class. The group received a diamond award and placed first in their first dance which was the Tap dance (Fireball) and they also received first in their second dance which was the Jazz dance (Black Magic) – way to go dancers, you did yourselves and your instructors proud. Congratulations to everyone.

The Sunday Breakfast held on March 6 saw 45 breakfasts sold by Kitchen Group # 4. Next Sunday will have KG #1 at the helm, their last chance to defeat the Breakfast Challenge of 49. There are only three more breakfasts left to be held at the rink this year. The Sunday Breakfast held on March 13 served up 58 breakfasts by Kitchen Group # 1 – they defeated the old Challenge of 49 – Way to go Guys

and Gals. Next Sunday will have KG #2 at the helm and they will have a chance to beat the new Breakfast Challenge of 58 before the end of this year's season. There are only two more breakfasts left to be held at the rink. The Sunday Breakfast was held on March 20 with -----41 breakfasts being served up by Kitchen Group # 2 – way to go guys and gals. Next Sunday will have KG #3 at the helm and this will be the last chance to beat the Breakfast Challenge of 58 as this is the LAST BREAKFAST. On Sunday, March 27 was the Last Breakfast was held at the rink for this year's season with Kitchen Group # 3 at the helm. They served up 38 breakfasts. The Breakfast Challenge of 58 remains undefeated. It was great to see the good turnout once again from our locals as well as those from the surrounding area, some new as well as the regular ones. Everyone seems to have enjoyed these Sunday Breakfasts. Your weekly faithfulness in coming surely was appreciated throughout these last three months. It does help with the operations of the Hall & Rink Auxiliary. Until next year have a great summer.

Congratulations to Kaitlyn Bonokoski and Collin Wilcott who are proud parents of a baby girl, Brooke Taylor Wilcott who arrived safe and sound on February 19/2022. Kaitlyn had worked for Girard Bulk Service Ltd., Alida branch.

Congratulations also to Meghan and Damien Labelle on the safe arrival of their baby girl, Makayla on March 1/2022. Makayla is the proud baby sister to Xavier. Meghan worked at the Alida Prairie Pride Credit Union and will be back after her maternity leave is done.

Welcome to the following personal who have found employment in Alida – it's great to see you folks around and about. (1) Charity Lemieux is now working at the Alida Girard Bulk Service Ltd. Good Luck Charity and hope you enjoy your new job. (2) Christine Merkley is now working full time at the Prairie Pride Credit Union, Alida Branch, filling in for the maternity leave. Hope you enjoy your time here in Alida, Christine. (3) Crystal Lupannko is currently working part-time at the Alida Branch of the Prairie Pride Credit Union. Hope you will also enjoy your time here at Alida, Crystal.

Before one realizes it but it will be time for the Alida Rec Board members to be getting the Swimming Pool ready for the up-coming season. They are now accepting applications for Lifeguards and are asking that those who are interested to send resume and certificates by April 15 to Cheryl, harrison7879@gmail.com

There's a little competition going on between 361 Café and the Post Office as to which one of them will be the top seller of the \$10 ticket squares on a "Shopping Spree" among several different participating vendors. Get your square ASAP and Good Luck.

It has been drawn to my attention that there may be interest in purchasing copies of the Alida history books "Reflection of Reciprocity" volume 1 & 2 (set) and/or volume 3. The set of volume 1 & 2 was published in 1989 – it is the history of Alida and area including Auburnton, Cantal, and Nottingham from the beginning to 1989 – (\$50 for the set). Volume 3 is a revision of the first history book from 1989 to 2013 – (\$50 for vol. 3). If interested please contact myself, Edel (306-443-2496).

Until next time – keep smiling, stay positive, drive safe and take care. Hope you have a very Happy Easter.

ALIDA FIRES

On the evening of Wednesday, March 16th, there were numerous fires started to several buildings, burning them to the ground. Pictured right is Lois East's house (formerly Reynolds house) fire and left is the R.M. Office at Alida.

REDVERS MINOR BALL UPDATE

Submitted by April Sutter

Redvers Minor Ball is looking forward to a return to a full ball season in 2022! We held our registration online this year and were happy to have over 120 players sign up. We are happy to have teams as young as u7 and as old as u19. We are still hoping to gather a couple more players to field a u18 baseball team so if you know of anyone please let us know! Coaches have been lined up for most of the teams, and some are planning to get started right away in April with indoor practices in the school or rink. League play will get started in May. The board has been busy through the winter planning for the season and we are excited to be hosting several events. We are hosting a baseball umpire clinic in Redvers on May 1. We would love to see more local umpires, as it makes a big difference in our ability to host events like playoffs and provincials. You can register for the umpire course at <https://www.baseballsask.ca/programs/nocp-umpires/clinics>. We are also very excited to have Inside Pitch coming out of Regina to put on a clinic for both baseball and softball players on May 14. We have our Minor Ball Day planned for June 5 so everyone should be able to come to the diamonds for some great ball that day. We have also applied to host u13 baseball provincials July 22-24 which we think will be a great event for our community!

We held an AGM and coaches meeting March 30 and had elections for our board members. We have a great board comprised of both new and experienced members who all work together to encourage a love of ball in our youth.

The current board consists of:

President – April Sutter

Vice President – Kim Malin

Secretary – Jessica Bedecs

Treasurer – Cheryl Ohnander

General board members – Tricia Pickard, Brandy George, Kim Toms, Jaimee Richards, Corey George, and Steven George

Cheers to a great season!

Moccasin Lock-Up is back!

FLOWER PRETZEL BITES

INGREDIENTS

- Mini Pretzels
- Wilton Candy Melts - White
- Easter/Pastel M&M's

INSTRUCTIONS

1. Arrange pretzels on a PAPER plate.
Place a candy melt in the center of each pretzel.
2. Microwave until soft, but not runny. (The time will depend on how many pretzels are on your plate and how strong your microwave is. My plate of 14 pretzels took roughly 1 minute 20 seconds.)
3. Immediately place one M&M into the center, then six more M&M's around the center for the flower petals. Work quickly. Refrigerate/freeze pretzel bites until solidified. Eat or package treats as gifts.

TIP: Keep the "M" side of the M&M's down for better looking flowers. You may also need to overlap them slightly on a regular shaped pretzel. If you can find the square shaped pretzels, those hold the M&M's better.

TO MAKE IN THE OVEN: Place on a baking sheet. Bake at 200 degrees Fahrenheit for 4 to 5 minutes or until the chocolate is soft.

April 2018-April 2022...Remember

2018

IT'S OFFICIALLY HERE!

GRAND OPENING OF LARSEN PARK
Submitted
On August 23, 2018 we formally opened "Larsen Park" to honor the late Gloria Larsen's memory. A special thanks to Axel Larsen who attended, representing the Larsen family. When Garry, Mayor of the Town of Redvers, first met Gloria and started working on Council, it didn't take him long to realize how dedicated she was to the Town of Redvers. Gloria would always put Redvers first whether it was in her role as Mayor, driving the Handivan or volunteering her time, and in return all she ever expected was a "thank-you". Gloria was proud of this town and all people who called Redvers their home over the years. So on behalf of the Town of Redvers, this park is officially dedicated in Gloria's name and her memory. Larsen Park is located at 6 Warren Street South and is open for use by the public. A special thanks to the following Redvers Ready Mix for donating the black dirt, landscaping and the cement work, Alain Gaudet for donating the brick and building the monument, and Sara Sutter for donating the trees and planting! And last but not least, thank you to everyone who came out to honor Gloria and her memory!

March 15, 2022

Dear Friends

Greetings!

This is to inform you that ***I am relocating my clinical practice to Estevan SE Medical Group at St Joseph Hospital Foundation Clinic as of June 15, 2022.***

This decision has not been made lightly, as I have enjoyed working at the Redvers Medical Clinic in Redvers & The Tony Day Family Medical Clinic in Carnduff.

As of 16 June 2022, my colleagues Dr Bradley McIntyre, Dr Melissa Nicholls and Vicki Irwin NP will be taking over my practice. My Family Physician colleagues Dr Bradley McIntyre and Dr Melissa Nicholls and Nurse Practitioner Vicki Irwin continue to practice at their current locations in Redvers & Carnduff and can be contacted at either and/or both clinic locations.

Redvers Medical Clinic

Box 30, No 18 Eichhorst Street

Redvers, SK S0C 2H0

The Tony Day Medical Clinic

Box 415, 405 Spencer Street

Carnduff, SK S0C 0S0

Tel: 306.482.1240

Fax: 306.482.1241

Email: tdfamilymedicalclinic@sasktel.net

If you prefer, you may obtain the services of another physician. If you choose to do so, it is recommended to proceed as soon as possible to ensure a smooth transition for your health care. The Saskatchewan Health Authority keeps a list of physicians who are accepting new patients at <https://www.saskhealthauthority.ca/your-health/providers-accepting-patients>

Your medical records are confidential, and a copy can be sent to another physician or released to you or another person only through your consent. I will be pleased to provide a summary of my care while you have been my patient, and with your consent, will arrange to have a copy of your file transferred to your new physician's office. Your medical record will remain under the trusteeship of the Redvers Medical Clinic and the Tony Day Medical Clinic and can be accessed by contacting either of them at the addresses above, who can provide a copy of your records for a fee or transfer your medical records to a physician of your choice.

It has been my great pleasure to have provided you with health services in the past, and I am grateful to have had the opportunity to meet some wonderful people throughout my years in practice.

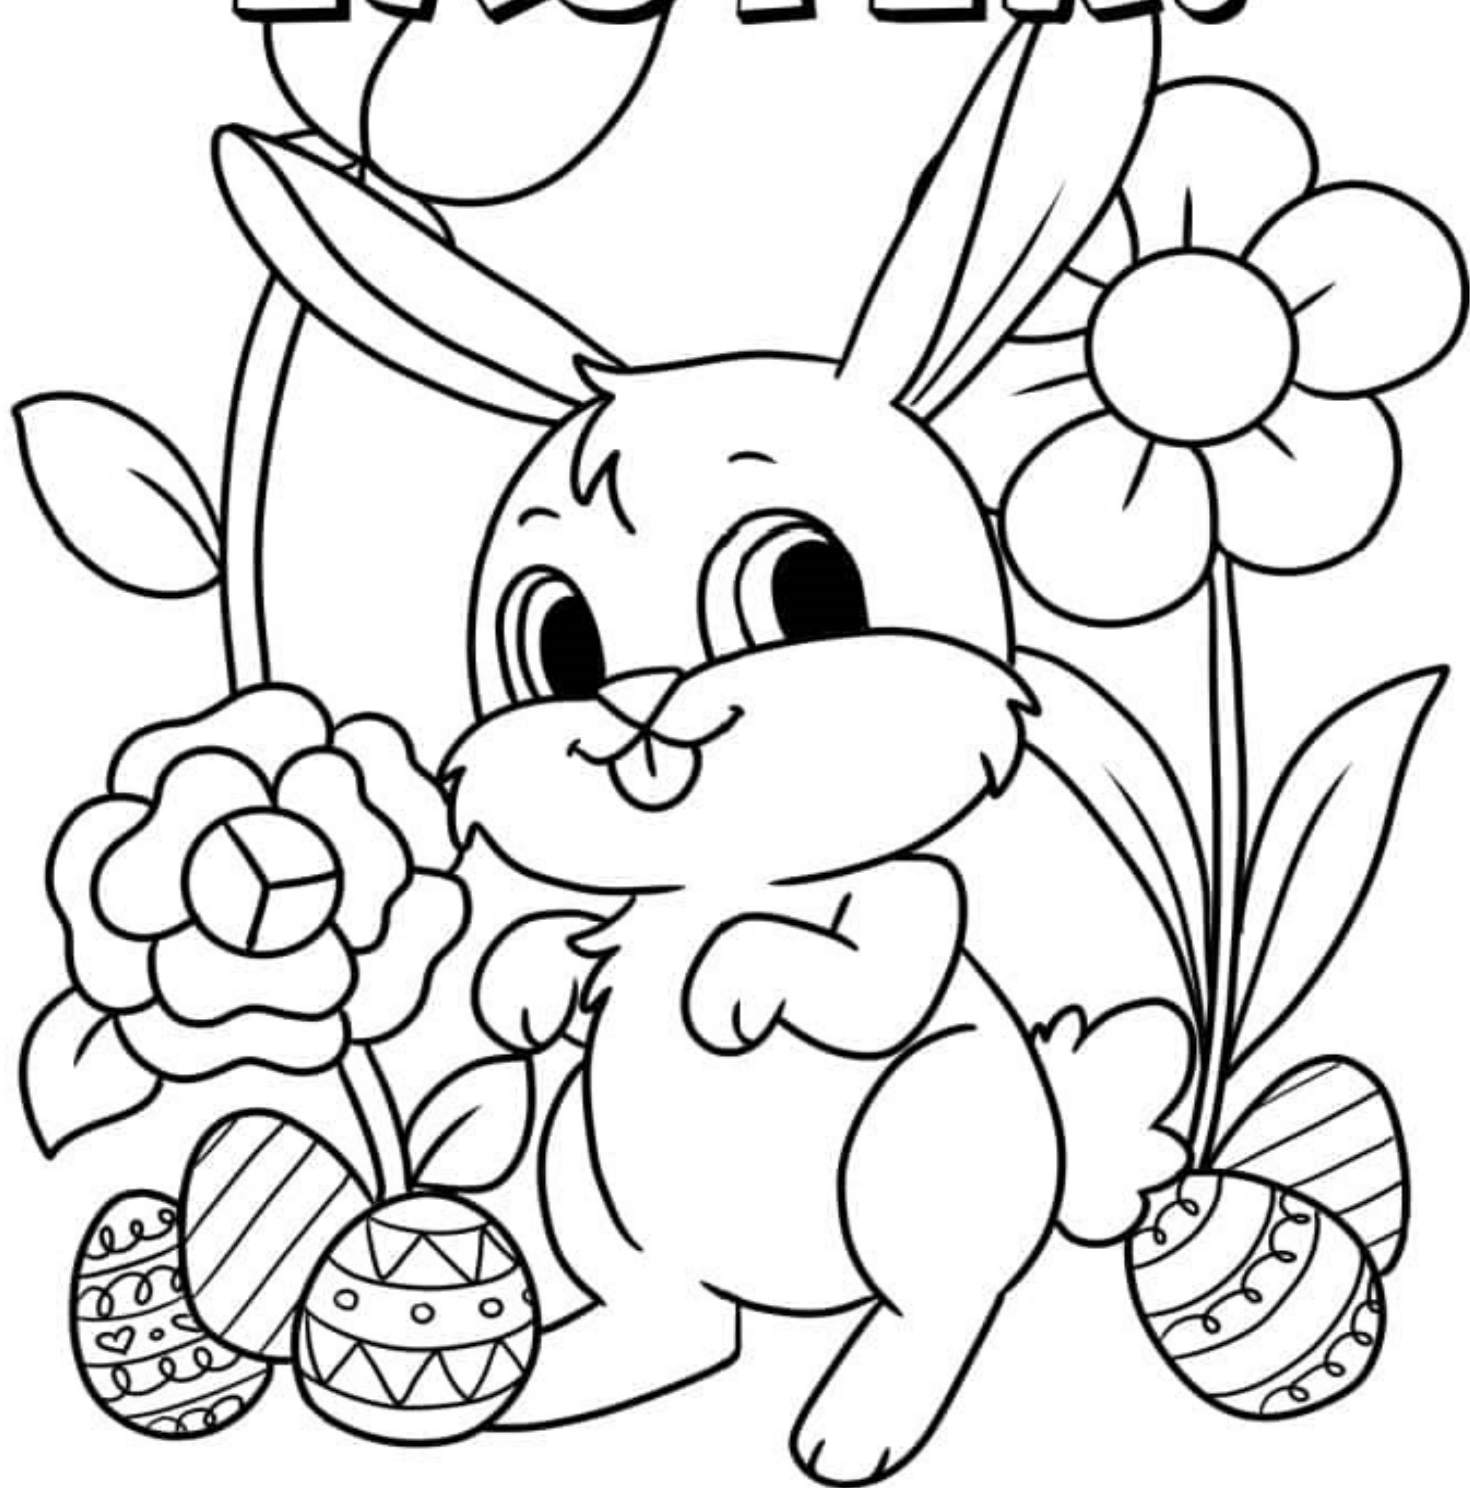

Best wishes for a healthy future.

Sincerely,

Dr Vijay Anthony Prabhu CCFP Family Medicine

**HAPPY
EASTER!**

EMERGENCY SERVICES RESTORED AT REDVERS HOSPITAL

Submitted by Katy Soroka

The South East Medical Group is pleased to announce that emergency and acute care services have been fully restored at the Redvers Health Centre as of March 23, 2022.

We would like to thank everyone who helped make this possible by sending letters of concern to our local and provincial governments, sharing posts on social media, assisting with recruitment, and advocating for emergency care within our south east communities.

We would also like to take this opportunity to thank our nurses, doctors, lab, and all staff for their ongoing support of the Redvers Health Centre. Your dedication to providing care to our community members is appreciated! As a small token of our appreciation, the South East Medical Group provided Subway for all staff members on March 23rd to celebrate the reopening.

Stay safe everyone, but rest assured that nearby emergent care for the southeast is again available should you need it!

Draw to be made on Thursday, May 5th, 2022.

REDVERS LIBRARY NEWS

Submitted by Michelle Jensen

Spring has sprung!!! I never thought I would be so excited to have muddy paw prints on my floor but after this long winter, I am!!! In exciting news, our Mother's Day basket raffle is back again this year!! The basket is always amazing every year and one lucky person will bring home a very large basket full of loot!!! Tickets are available at the Library, the Town Office, a couple of local businesses and from our Board members. Tickets are \$2 each, 3 for \$5 or a whole book for \$20. (E-transfer option is available when purchasing an entire book).

On Tuesdays, we start off the day with **Adult Coffee & Colouring** from 10:00-11:00. Join us for a cup of coffee and some relaxing adult colouring. In the afternoon, we have **BlockHeadz Lego Club** back from 3:30-4:30. Ages 6+ can come and create whatever their heart desires with our huge Lego collection. No registration needed.

Thursday mornings host our **Storytime!** Storytime runs from 10:00-11:00 in the morning and is geared towards 3-5 yr olds. We generally read a story or two, do a craft and maybe some colouring, if time permits. Thursday afternoons we have our **Virtual Reality Makerspace kit back!!** It is one of the favourites of our school aged kids! Come try out some of the games in the kit or just pop in to check out one of the short demo games, it really is cool to try!! Stop in on Thursday, April 14th to pick up and **Easter themed Take & Make** kit to take home and do. There is a paintable craft, some colouring sheets and a few activity sheets for the kiddos to use.

On Wednesday, April 13th we have our **Make You Own Dog Tag** come and go program. We will supply the metal dog tags and you come in use our Hand Stamping makerspace kit to customize your tag! We will be using the Hand Stamping kit again on the following Wednesday, April 20th to customize your own **Wrap Rings**. Like usual, we will supply all of the things needed to make your own ring.

Friday, more like FriYay!!! To finish off the week, we have **Little Lego** from 10:30-11:30. This is Lego time for the little guys (ages 3-5) and requires an adult to accompany the littles.

On Tuesday, April 19th, we will be holding a little **movie matinee in the Library at 1:30pm**. We will be showing **Peter Rabbit** in honor of the Easter break! We will have a small assortment of snacks available to purchase but feel free to bring your own and bring a pillow or cozy blankie to cuddle up with. Please let us know ahead of time if you plan on attending so we can make sure we have enough room to accommodate everyone.

Finally, keep an eye out on our fb page on April 22nd for a "**No Waste**" **air fryer potato peel tutorial** in honor of Earth day! They are delicious little snacks and help prevent food waste!

Also to note: we will be **CLOSED** on Friday, April 15th for Good Friday and the **afternoon of Tuesday, April 26th for Staff Training**.

Our monthly calendar of events and program guide is pinned to the top of our Facebook page at all times so pop on there for more info and to check out our posters for all of our events coming up.

Monday: 1:00-5:30 **Tuesday:** 9:30-12:30 & 1:00-5:30 **Wednesday:** 3:30-8:00
Thursday: 9:30-12:30 & 1:00-5:30 **Friday:** 9:30-12:30 & 1:00-4:00

For more information on our programs or what the library has to offer, contact Michelle by phone at 452-3255, find us on facebook (Redvers Public Library Branch, Southeast Regional Library) and on Instagram @redverspubliclibrary. Also note that Southeast Regional Library has a YouTube channel that is always being updated with new videos of events and fun things happening in our libraries within the region.

APRIL 2022 HAVEN HAPPENING

Submitted by Barbara Dennis

Prior to Corrinne Andres Toms retirement last fall she shared a link with me that she felt would be beneficial to our residents. Upon investigation I agreed with her re: benefit, but, oh my, the price was beyond anything I thought we could handle. Further research yielded the possibility of a grant that may help defray the cost. Seeking a letter of support from the Health Foundation, Katy Soroka was more than happy to take over the project after she had cleared the idea with the Board. Long story short, Katy informed me in early March that the health Foundation had indeed received the a very large grant - we had been approved for the project. A banner day indeed! I do not know any specifics but do expect to have a wonderful new system very soon. What is it? An Obie. A computer generated multi-faceted interactive games/ activity system that has been especially designed for seniors. Used in group and/ or individual settings to stimulate hand eye coordination, large and small muscle use all the while having fun. The system projects onto a flat surface, be it a table or a wall, so participants interact with the images without worry of contaminations. After use there is only the table or wall to sanitize. Many thanks to the Redvers Health Foundation, Katy, and Corrinne.

While it was great fun to enjoy the color and panache of St. Patrick's Day we were not sorry to say goodbye to March. We are all looking forward to warmer weather, no snow, and more sun. Unfortunately we did not get out in the Handi-van in March - away for repairs or some such. Now it is too late to see the snow banks but no one is complaining about that. We will even enjoy the brown and grey drap of spring until we get a tinge of green with warmer temps.

We can have live entertainers again!! Nothing brings a smile to the residents faces like entertainment in house and personally delivered. At writing Ed James, Phil Wilk, and Keith Olsen are all booked to visit: no mask required while entertaining - yeah!!! And speaking of smiles - just look at Helen Gervais' as she plays with this 12 week old pup. A staff member on a short shift brought her new puppy for the residents enjoyment and most especially to give one lucky resident an opportunity to puggysit!

Many thanks to Dale and Diane Jensen for their donation of a Micheal Lonechild print to the Activity Department here at the Haven. At present we have 2 raffles. In house we have an Easter basket: tickets are 50 cents each or 3 for \$1. That draw will be made April 14th. The Micheal Lonechild print tickets are available at RHC reception as well as from our faithful ticket sellers Beth George and friends. Lonechild tickets will be \$3 each or 2/\$5.00. That draw will take place in May.

April activities will include live entertainment - (so good to be able to say that!!) along with parties, Easter and monthly birthday: as well as bingos and crafts, planting seeds and repotting bulbs, LCR and treat trolley! Hopefully many of you will take it upon yourself to come

and visit a friend, old neighbour or family member - we ask you to self monitor but the doors are wide open again.

Until next time - enjoy the sunshine!

Maryfield Auditorium April 2022

Regular Admission: Adults: \$6.00 Students: \$3.00 Children: \$1.00

FUN FACTS THAT WILL AMAZE YOU

American flags left on the moon will eventually get bleached white by the sun.

While they are hibernating, bears do not urinate. Their bodies convert waste into protein.

White-faced capuchin monkeys greet each other by sticking their fingers up each others' noses.

Gummy bears were originally called "dancing bears."

New Zealand has more cats per person than any other country in the world.

The hagfish is the only animal that has a skull but no spine.

People weigh less if they stand at the equator than if they stand at the North or South poles.

At their closest points, the U.S and the Soviet Union are over 2 miles (3km) apart.

The yo-yo was originally a weapon used in the Philippine jungle.

Victor Hugo's novel Les Miserable contains a sentence that is 823 words long.

Alexander the Great was the first person to be pictured on a coin.

FDR's portrait was on the dime because of his association with the March of Dimes charity.

The sun weighs 2,000 million million million tons.

Shoes that were specific to left and right were not made until the Civil War.

The Turks call the turkey an "American bird."

Lightning kills about 10,000 people a year worldwide, more people than tornadoes or flooding.

At an average of 15 breaths per minute, we take about 400 million breaths during a lifetime. This is equivalent to about 53 million gallons of air.
