ARTEMIS DANCE RECITAL

On Saturday, April 30 and Sunday, May 1st, Artemis Dance club held their 16th Annual Dance Recital. This was the first recital in 3 years, due to covid, but the dancers came out to perform!! 9 and under dancers performed Little Stars Dance Recital at the 1:30 show each day and the 9 & up dancers were at 3:30 dancing to the theme, "we love the 90's". Shown are some of our Artemis dance teachers showing us what they can do...its no wonder, why we have such a fantastic dance club here in Redvers! Special thanks to Melissa Carriere for all of these awesome pictures from the recital.

READY SET GO!

Submitted by Jocelyn Hainsworth

It's a struggle to imagine what early May is supposed to look like but I have dated pictures of green grass and asparagus sprouts from other years to prove that snowbanks are not normal. The last half of April has been quite the challenge but now that the temperature is going up and the power is back on let's just focus on moving forward – summer is coming and we have things to do!

The man of this household can't wait to go to Key M Auction's consignment sale on Saturday. It will be great to go to Dellan's annual meet and greet – this winter has been long and Covid Winter even longer.

Believe it or not, it's also going to be Mother's Day next week. The Mother's Day Fashion Show is scheduled for Saturday; it will be great to see the spring and summer fashions and dream of weather warm enough to wear them.

On a normal year the beginning of May and Mother's Day also means shopping the greenhouse circuit but I've seen notices from several local greenhouses announcing they are backing up their opening dates. The weather has been extra tough on these businesses. I'm so glad they made it through the power outage. If you think your life wasn't any fun in a cold house with no running water, think of what it meant for them. I will hold off buying anything for the time being and just look at my cold, muddy flower beds dreaming of their potential beauty.

I wonder how all the robins and meadowlarks managed to survive those storms. Obviously their species have managed to survive throughout history. I'm sure Mother Nature has thrown spring storms at them before, but I still wonder how they do it. This morning the Internet reminded me that hummingbirds are heading north too. On the one hand it seems strange to think of birds that need flower nectar to survive showing up when there is still snow on the ground, on the other hand that makes it all the more important to get feeders out there in case they do show up.

In a wider lens there are other jobs to focus on. With the summer season right at our doorstep Tourism's To-Do list is a long one. The Log Cabin's opening date is May 20 and there's a lot to do before then. We are aiming at making our location a Go-To place for everyone this summer beginning with our local library setting up a Storywalk on the grounds for the May long weekend. Bring your kids, discover the story, and check out the goodies at the Cabin!

There are gardens and planters to fill too. It has been suggested that if people are interested they could support two Redvers groups at once. Minor ball sells hanging baskets for their fundraiser and Tourism needs hanging baskets; if you would like to buy one and donate it to us it would be a win/win.

Beyond that we hope to get painting done in June and are looking forward to a big Canada Day celebration. A huge Thank You to the Lions for their donation of \$1,500.00 toward fireworks. With a budget like that it should be a pretty special show!

Farther into the summer we plan our Farmer's Market again and since the BBQ lunch was such a success last year we will be doing that as well. This year's addition will be a children's activity during the BBQ. We are in the process of booking a children's entertainer for an afternoon show – we don't know when yet but there will be announcements when the details are decided.

So, I guess this means Ready ... Set ... Go! Come on summer, we've got stuff to do!

The Alida Rec. Board held their 2nd Annual On-Line Auction this past weekend (April 8 – 10). They received 82 donated items plus 1 big one from the town businesses. The Bidding opened at 9:00 am sharp on Friday, April 8 and closed on Sunday, April 10 at 9:00 pm. After the Board members have sorted everything out on Monday, the Bidders will be notified and arrangements for payment and pickup of their items will be made. Appreciation goes out to all who

made donations, volunteered their help, and of course to all bidders – without everyone this event would not be another successful fund-raiser for the Alida Rec. Board.

It was decided that the Post Office had successfully defeated 361 Café is selling the most ticket squares on the Shopping Spree here in Alida. The winner of the Shopping Spree was Lynette Peet – congratulations Lynette, enjoy all your little goodies.

Welcome back home to all our Snowbirds who are now slowly but surely returning from their winter homes in the southern USA. Have you noticed that when they return we get some unwelcomed weather conditions – Thanks folks!! Just kidding of course – we wouldn't want you to completely forget what our Canadian winters (spring actually) can be like – your welcome!

Tim, Shelly and Ainsley Cowan spent the weekend (April 22-24) in Regina where Ainsley participated in a dance competition. One dance on each day April 23 and 24 and they returned home later on Sunday. Ainsley's dance group placed Second in their first dance and received a High Gold in their Second dance. Way to go Girls – you're doing great.

Late Saturday, April 23 afternoon a winter storm hit our area – first sleet, turning to snow with strong winds. We lost our power Saturday night and were without power all day Sunday. Power was restored to the town of Alida and also to a few farms nearby. As of Monday morning we are still without power. I kept warm by sitting in the sunshine coming through the window. Power was restored later Monday afternoon; one surely depends on the power – thanks guys for your dedicated work in restoring the poles etc. much appreciated.

Sincere sympathy is extended to Faye Walker on the passing of her brother-in-law Dean Walker of Saskatoon on April 26/2022.

On Saturday, April 30 Gray and I attended the Dance recital at Redvers School where they watched their granddaughter Ainsley, participate with her dance group. All the dance groups did an excellent job – way to go students and a big bouquet to their instructors. Just one more performance on Sunday afternoon and you'll be done for the year. Congratulations you all did great.

For your information if interested – Alida still has copies of their history books "Refection of Reciprocity" volume 1 & 2 (set) and/or volume 3. Set of volume 1 & 2 was published in 1989 – it is the history of Alida and area including Auburnton, Cantal, and Nottingham from their beginnings to 1989 – (\$50 for the set). Volume 3 is a revision of the first history books covering 1989 to 2013 – (\$50 for vol. 3). To purchase contact myself, Edel (306-443-2496).

MAY 2022 HAVEN HAPPENINGS

Submitted by Barbara Dennis

Please SPRING ARRIVE AND STAY!

The Obie did indeed arrive – our very expensive interactive computer generated stimuli of multiple games and entertainment unit for one to twenty four has arrived. Now to install and start using!!

Phil Wilk arrived to entertain and break our VERY LONG fast from live entertainment. He is, as he was prior to pandemic, excellent. With barely a breathe taken in between numbers, the man kept our toes tapping and hands clapping for more than an hour. To say the least – the residents were very HAPPY!

But alas, the reprieve from no entertainment was short lived. Until such time as we are able to again safely meet in a group our live entertainment has been postponed. We are all disappointed.

Our in-house Easter Raffle, complete with chocolate Easter Bunny was won by Stephanie – she was all smiles underneath that mask. Many thanks to all those who supported this raffle.

Dale and Diane Jensen graciously donated a Micheal Lonechild print for us to use as a raffle item. We are so very grateful for all the support we receive from individuals, community service clubs and the community in general. Our current fundraiser tickets are \$3 each or 2/\$5.00. That draw will take place in May. Tickets are available at reception of the Redvers Health Centre as well as in the community via our Ever faithful ticket sellers. Thank you to Beth George for your tireless efforts.

May the moisture of April give us all bountiful flowers of May.

CONGRATULATIONS, KAMILAH!!

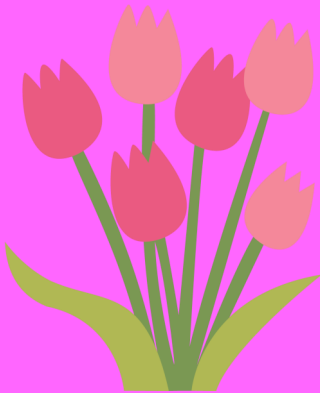

The Redvers Wranglers Light Horse 4-H Club are very happy that Kamilah Pineda has represented them at the 4-H Provincial Public Speaking that was held April 9th at Middle Lake, SK, winning 1st place in the Junior category.

Kamilah decided to pick a topic that will share her Colombo-Canadian cultural background, a topic that will exalt her roots! Her speech was about the movie Encanto, a movie that was based on Colombia and that recently happened to win an Oscar!

She wore a beautiful dress that represents a typical Colombian custom. While talking about food, traditions and biodiversity. She captured the attention of the public making everyone want to watch the movie! Great job Kamilah!

REDVERS WRANGLER LIGHTHORSE 4-H CLUB DISTRICT RALLY REPORT

Submitted by Melissa Demas

On the most miserable day of November, the 11th of 2021 to be exact, the Redvers Wranglers Lighthouse 4-H Club hosted the District 41 4-H Rally. A District 4-H rally is held as a social event for all 4-H members and families within the SE Saskatchewan area. It's a great time to meet other families and make new friends with those with similar interests and hobbies.

The rally was held in the curling rink at the Redvers Recreation Centre. We ended up having close to 50 participants. At all 4-H rallies there are activities planned to keep things interactive. In November the rally participants were divided into teams. These teams earned points by participating in all the activities such as a scavenger hunt around town, on foot barrel racing, pole pending, egg and spoon race and sack race. All events that the Redvers Wranglers likes to do with their horses when we have a fun day! The points were tallied at the end of the day and by pure luck the winning team of the day ended up being our very own Redvers Wrangler group of young ladies.

The rally is self funded by raising funds however the club hosting chooses. The Wranglers had a very successful 50/50 draw as well as ticket auction. We also had several businesses within our district donate prizes to our rally. Most of the prizes were given out to the winning teams (1st & 2nd) while others were put into the ticket auction. Each club is also asked to donate a prize to the ticket auction.

At the end of the rally the points were tallied, supper was served, and District 41 record book awards were handed out. It was a great day. So great in fact no one remembered to take photos!!!
