ALIDA SEPTEMBER HAPPENINGS

Four young ladies from our area, Adrianna Junk, Shasta Lemieux, Cora Hansen and Reece Kyle attended the Shauna Peters Youth Rodeo Camp with their horses on August 28-31 at Swift Current with Karman Kyle. On August 31 Jaye and Teresa Lemieux travelled to Swift Current to watch their daughter Shasta participate at the Camp. While there they also visited with daughter Charity and her friend before returning home.

The Alida community are sorry to have to say good-bye to one of their long-time resident, Jim Boettcher who has left Alida and is now making his new home in the Redvers Union Estates – Best wishes Jim and enjoy your new condo.

Congratulations to Skylar Mailhiot who participated at the Aurora Winds Slot Race in Moose Jaw on September 3. She rode her horse “Clayboys Lil Snook” and they placed 4th in the 2D receiving \$1219. Way-to-go Skye – keep up your good performance at barrel racing.

Sadie Potapinski left for Lakeland College at Vermilion, AB to complete her studies in Animal Health Technology on September 2. She plans to convocate in the spring. Good Luck Sadie with your studies.

Michelle (Mickie) Potapinski and her daughter Hillary came to visit September 2-4 at the Ken Potapinski farm. Hillary is staying for a while to help with the harvest.

Xue and Ji Fang and their family have moved from their former home (on 361 Highway) into their new home (Jim Boettcher house) on the corner of Prairie Avenue and 1st East Street during the long-weekend of September 4-5. Do hope that you will enjoy your new home folks and continued good luck at the grocery store.

Faye Walker travelled to Saskatoon September 5 where she visited with her family, The Nickels and attended her dental appointments.

On September 9 Gray and Edel Cowan had supper with his cousins Carol and Colman Boomhour (Clone, ON) as well as with Jim and Rose Ball (Rocanville) at the Redvers Campsite. Later that evening Joyce George joined us and we all enjoyed Birthday cake for dessert. The Boomhours were on their way back home from their holiday trip to the Yukon.

Did you know that it was Grandparents’

Day on Sunday, September 11? I noticed it printed on the calendar, but I’ll say it again – I don’t think most Grandparents really need a special day as it’s Grandparents’ Day every time the grandchildren visits. Always enjoy those visits. I surely do Thanks kids.

Harvesting is moving right along in our little corner of Saskatchewan. We have been fortunate in not receiving any of the latest rain that has been forecasted, so most of the farmers haven’t been held up with wet conditions and are proceeding with their harvest. Please remember folks that it is dry so stay vigilant and be careful while using all that large equipment. Take care and Good Harvesting.

Congratulations to Brooke Schulhauser on being the Grad winner of the Prairie Pride Credit Union Summer Promo Recipients – Alida Branch. Way – to – go Girl!

Dallas and Sherri Barrie of Weyburn were visitors in Alida, they arrived on Saturday, September 17 and camped in the Alida Lion’s campground while here.

On Saturday, September 17 Shelly Cowan and her daughter Ainsley, Melynda Charles and her daughters Lilley and Amy, and their friends Tammy, Jason and George all travelled to Pierson, MB to tour through the Pierson Pumpkin Patch. They reported that it was a lot of fun and recommend that if you are able to attend, you should do so.

Congratulations to Chelsea Hull (daughter of Calvin/Adele Hull) and Aaron Chapman (son of Jamie/Charlene Chapman of Carlyle), who were married September 17 in a lovely wedding held at the Hull farm. The young couple will be residing on a farm south of Carlyle. Best wishes on your next adventure in life as husband and wife.

Justin and Brooke Hofman from Texas were here visiting with the Hull families and attending his cousin’s wedding on Saturday, September 17.

Well folks – it’s beginning to happen again – The Alida Rink is taking on a new look as October is approaching. The pallets have arrived and are being set up to form the different areas of the haunted house. Shelly will be looking for HELP NOW – she cannot do it alone – so please if you have a little free time, give her a call or text (306-485-7023) she would really appreciate it. NO HELP – NO HAUNTED HOUSE. Please step up and help her out, every little bit helps. We can’t lose our Haunted House event!

Mr. Weatherman played a trick on us and gave us some rain enough to put a stop to the harvest – now on Sunday the sun is shining, so let’s hope that it will help dry and the combines were moving again later this afternoon. I would love to see the harvest come to an end soon. Good luck guys and gals as you continue on with the harvest. Take care.

The end of the 2022 barrel racing season was held in Carievale on September 17-18. The Southeast Turn and Burn Barrels of Cash Race was attended by Skylar Mailhiot, Adrianna Junk, Stephanie and Stella Campbell. At this event Skylar placed 4th when her horse, Snooki ran 17.90 in the 1D open out of 88 open horses. Way-to-go Skye you had a very successful season. Also in Carievale on September 18 Haze Campbell competed in the Mutton Bustin event. A great fun-filled weekend was had by everyone.

Margaret, Parry and Wendal Peet participated in the Terry Fox Run in honour Lynette Peet at the Arcola School on September 23. The route was truly a tribute to Lynette with many pictures and memories posted along the way. They got to meet Lynette’s coworkers and see her Kindergarten Room. She left a lasting impression at the school with teachers and students. The sea of purple was beautiful and a day to remember. They brought in \$1990 from the Alida community – appreciation to all who donated to the cause. Diane and Ken Potapinski also attended and participated in the run with the Peet family.

Sincere sympathy is extended to Margaret Gervais on the death of her sister Rita (Newbury) Murray of Melita who passed away September 23/2022 at the age of 85. A private family service will be held with interment at Melita Cemetery.

On Saturday, September 24 Jason and April Junk, Tim and Shelly Cowan attended the Dallas Smith Concert at Affinity Place in Estevan.

On Sunday, September 25 Shelly Cowan went to Estevan and accompanied her daughter Kelsey Rydberg to Regina where they visited with daughter/sister Lacie Nilsen and helped Lacie celebrate her upcoming birthday. They returned home Monday. Happy Birthday Lacie – hope you have many more “Happy September 26’s”.

ALIDA SEPTEMBER HAPPENINGS

There are big changes happening on the Alida curling ice area now. That's right – they are getting ready for their annual October event. There is a twist to it this year it's the Alida Haunted House Zombie Maze & Escape Rooms coming October 22, 23, 28, and 29. Also on October 30 the Fun Fair will be held with lots of games, treats and costumes to see – start planning your costume now. It's a SPOOKTACULAR event for all. For more info call Shelly (306-485-7023). Hope to see you there.

Skylar Mailhiot and Adrianna Junk attended The Fountain Tire Barrel X on August 6 and 7 where Adrianna won a buckle in the youth event. Skylar won various prizes and money in the open barrel racing, bareback barrel racing, Sask bred horse barrel racing and pole bending events. She also won a hay bag in the SK Bred Sidepot.

Paige Hutton visited on September 24 with her grandparents, Don and Linda Akins. She returned to her home in Calgary with her mother Melissa Akins, who was on her way home to Cranbrook, BC on September 27. Melissa had also been visiting in the area and with her parents.

This year the Alida Golden Gate is under reconstruction for repairs and the members were unable to hold the yearly Alzheimer's Coffee Break event there, so they just set up a donation box and hoped that donations would be left in the box. Then it was picked up, counted and forward the donations on to the Alzheimer's Society. They collected over \$407. Much appreciation is extended to all those who made donations. Hope we'll see you next year for the Coffee Break.

I just received word that Sherman Fenrick of Tofield, AB had passed away September 25/ 2022 at the age of 65. He was raised in Alida with his six other siblings. He was predeceased by his parents, John and Betty, brother, Geoff and a niece. He is survived by his wife

Chun, daughters Andrea and Nancy, his children Jason, Brian, Jamie and two grandchildren, siblings Anne, Lorna, Marlene, Raymond and Terry. A graveside service will take place a later date at the Maryland Cemetery, Lampman. Condolences are extended to the Fenrick families.

On Tuesday September 29 Eleanor Harrison and son Daryl travelled to Olha, MB to attend the funeral of a cousin Penny (Shannon) Mychasiw. Respects were also paid at a Ukrainian Settlers Mass Grave site. The Memorial commemorated the Memory of 42 children and 3 adults who tragically died in a Scarlet Fever Epidemic in May 1899.

Randy and Glenda Zelionka of Loon Lake, AB spent a few days visiting with his father Lawrence and Dot Zelionka. While they were here they also helped Lawrence celebrate his 96 birthday on September 30. Others who attended in his special day in the afternoon were Shelly Douglas, Gray and Edel Cowan.

REDVERS & DISTRICT LIONS CLUB

The Redvers & District Lions Club has been part of the community for over ten years now. We are a service club and are proud to have supported and championed so many worthwhile projects, organizations and events over these years. To date, our annual Ticket of the Month (Lions Lotto) has donated more than \$98,000 back to our community! And we couldn't have done it without your support. Each year our limited 350 tickets sell out, allowing us to award big cash prizes to our winners which total over \$19,000. Tickets for next year's Lions Lotto go on sale soon!

Over this past year, the proceeds from the Lotto fund have assisted the Redvers Pool for shade structures, Redvers Tourism for fireworks, Minor Ball for diamond improvements, Redvers and Bellegarde Schools for student hot lunches, Redvers Winterfest and Rock N' The Block events, Redvers Centennial Haven seniors' activities, Redvers Library summer programming, the Redvers Activity Centre wheelchair accessible van, Stars landing pad and local EMS equipment.

Our Lions Club awards an annual scholarship to a graduating student, from Redvers or Bellegarde Schools, who is going on to postsecondary education recognizing their commitment to volunteerism, leadership and community involvement. The recipient this year was Jenna Aulie of Redvers School.

Just a reminder about some of our other service projects – we have a collection box located at the Redvers Medical Clinic for used prescription eye glasses which are sent to the CNIB who partner with Lions International to distribute the glasses to those in need around the world. As well, we continue to partner with Nelson Motors in Redvers, collecting used vehicle batteries with proceeds from this program going directly back into our own community. You'll spot several of our Lions Club members slinging drinks at the upcoming Health Foundation Fundraiser. And we were happy to once again flip burgers and hotdogs this past June at the Redvers School barbeque.

On Sunday, October 23rd, our club will once again be canvassing Redvers for donations of nonperishable food items, household paper products and hygiene items, as well as new or gently used, clean winter outerwear and winter footwear. You can set your items on your doorstep or on the lawn in front of your home by noon that day as we drive around to collect OR you can predrop off items at 39 Wauchope Street. We hope to fill the enclosed collection trailer and then drop everything off with the Carlyle Food Bank who does amazing work in distributing these things to those in need in the area.

Our club meets the second Monday of every month except in the summer months. We are an enthusiastic group who would love to grow the club and welcome any new members. If you are interested in finding out more, check out our Facebook page, contact any of our current members or come out to one of our meetings!

THE HAP-HAZARD SUMMER OF 2022

Submitted by Jocelyn Hainsworth

Here it is the beginning of October: the leaves are all turning colours and on windy days (do we have any other kind in Saskatchewan?) they blow away to land on grass that's still green. It always makes me think of a pot of gold coins strewn across lush carpet. With its warm afternoons and chilly evenings, autumn is my absolute favourite season – my apologies to the sun/heat worshippers.

As far as the camping season went, we had a good summer. There were several family reunions filling the camping spots for a few weekends over the summer months. My family's was one of them on the July long weekend and I hope everyone else's was as good a time as ours was. Redvers campground offers a great space for this kind of gathering with ball diamonds, pool, and golf course to enjoy and the curling rink venue handy for more formal gatherings like weddings and dances. Keep it in mind for your own future planning.

We hired two students for the summer: Kayla Bouchard and Abby Matthewson – a big 'Thank You!' to both girls for your cheerful service throughout the summer. This year the board added to their job descriptions a little by offering a short Children's Craft Time during the Farmer's Market every Wednesday which the girls handled.

The Redvers Library had also been approved for hosting the Science Centre's travelling program but due to the crew who were to deliver the fun and learning all coming down with Covid Redvers lost out on the opportunity. It was an outdoor program and was planned for the Log Cabin. One would think weather was going to be the biggest threat to success but it was that darned virus that did us in.

The weather did make things hard for us too, though. The flower beds at the gazebo really took a beating – if they weren't under water the mud was being baked into a solid brick with high temperatures. The annuals we planted struggled, quite a few of the lilies didn't make it, the perennials fared a little better and the quack grass and sow thistle flourished. The high winds and flash flood we had in July made things worse by breaking branches off and leaving them stranded in pools of storm water for weeks.

A bright spot in the trying-to-keep-things-alive picture is how well the trees we planted last spring are doing. The survival rate has been very heartening and provided that they stay healthy and growing like they are, the gazebo area will soon be sheltered once more. Actually, it's nice to see how all of the trees throughout the campground are coming along – they add so much; shade, beauty, and privacy.

We had one project that was a left over from last year: the Advantage Coop has granted us the stain we needed for all of our buildings but nailing down a time to get the actual staining done seemed like one job too many. Finally, in late August the work was started thanks mostly to Lorraine George and Kayla Bouchard. The work is not done yet but, weather permitting, it will be by the end of this month.

Another notable improvement is the new sign installed at the Lily Garden in honour of Jean Erickson thanks to her son Marius and family. Be sure to drop by and read up on the history of Jean and her contribution to lily varieties in Saskatchewan.

Thank you!

A huge thank you to everyone that supported me this summer with encouragement and donations to help fight kids cancer. Your support helped me to get out and ride for this great cause.

Thank you so much!

WE HAVE A NEW LIBRARIAN IN TOWN!!

Hey guys! I thought using Covering the Corner would be the perfect way to introduce myself as the new Librarian! My name is Shelby Rose, I am originally from Manor and have lived in Redvers for about 5 years now. I have my journeyman's in hairdressing as well and currently do hair out of my house in town! You may have also come across me at The Back 9 Clubhouse here in town where I've worked seasonally over the last few years. I'm super excited for this new experience and can't wait to see you all :)
