For the month of January the Alida 4H Beef Club did a food drive at our local Co-Op food store. On January 25th, the group hit the streets of Redvers to collect non-perishable food items. These food items will be donated to the Carlyle food bank. A big "thank you" to the Advantage Co-Op Redvers and all those who donated.

ALIDA FEBRUARY HAPPENINGS

Submitted by Edel Cowan

Aaron and BettyJo DeJong of Lashburn, SK were at Alida from February 3-5 visiting with friends and participated in the annual Alida Oilmen/Farmers Bonspiel.

Kent and Myrla Holland of Moose Jaw were at Alida from February 3-5 visiting with family and friends and Kent also participated in the Oilmen/Farmers Bonspiel.

Congratulations to Aaron Lemieux and Mallory Hawker on the birth of their baby girl, Violet Rae who arrived safe and sound February 3/2023.

It was a very busy weekend (February 3-5) at the the Alida Rink when the annual Alida Oilmen/Farmers Bonspiel was held with eight teams participating. The Bonspiel opened Friday evening with a six and an eight o'clock draws. This was then followed by a Calcutta auction with auctioneer Dellan Mohrbutter doing the honors, proving to be a very successful event for the curling club. On Saturday a very delicious beef supper with all the trimmings was served to approximately 150 guests (including the curlers and take-outs). The final games of both the A and B-events were played after supper, resulting in the A-event being won by Competition Transport (Cory Purves team, Carnduff) and the B-event winner Shaw Earth Moving Team (Gainsborough). The Calcutta winner was Kristopher Potapinski and second place was Parry Peet. A note of interest was the two benches (out by the curling ice) with an engraved plaque in memory of Lynette Peet which were purchased by the club from the proceeds of bracelets made by Heidi Magotiaux and sold at the funeral gathering at the Peet farm. Later in the evening the silent auction winners were declared and prizes were picked up bring this event to a close. Congratulations to all winners. The Alida Curling Clubs wishes to acknowledge and sends their appreciation for all the support given to them during their events - it was a super weekend for this event!

The Alida community extends sincere sympathy to the following families who recently lost a family member: - 1.) Linda and Dale Potapinski on the death of her sister Rita Germain (Carlyle) on February 3/2023 (age of 56 years); 2.) Lawrence and Dot Zelionka on the death of his oldest daughter, Sandra Chandler (Henrietta, Oklahoma) on February 5/2023 (age 72); 3.) The Laval family on the sudden death of Fred Laval (Redvers), on January 26/2023 while on a Caribbean Cruise (age 91); 4.) The Kolb family on the passing of Ronald (Ron) Kolb (Carnduff) on February 9/2023 (age 83); 5.) The White families on the sudden death of Steven White, (Oxbow) on February 18/2023 (age 60).

On Valentine's Day (February 14) - hope you had a chance to enjoy a great day and maybe a special evening out. Here in Alida Café 361 served up 42 delicious meals (your chose of either Steak or Chicken Oscar). Job well done Lori, Bob, and Alexis - hope to be back again for another great feast (St. Patrick's Day next month??).

Hope you enjoyed the holiday on Monday, February 20 - Family Day, making it a long weekend. And it is also the beginning of the February school break - enjoy your holiday break students and staff.

The Breakfast Challenge has been defeated! On Sunday, February 5 had Kitchen Group # 4 back at the helm and they set a new record of serving up 65 breakfasts - Way to go Gals, you surely set a super record for the other groups to try to defeat. The Challenge total has been defeated again! On Sunday, February 12 Kitchen Group 1 served up 68 breakfasts to a great crowd of our faithful supporters and from both home and neighboring towns, (especially Redvers). We surely do appreciate your support. The menu stays the same, the faces may change behind the counter but the service will is always spectacular - a great job done guys and gals. On Sunday, February 19 had Kitchen Group 2 serving up 64 breakfasts, almost tied the total. On Sunday, February 26 had Kitchen Group 3 serving up 53 breakfasts. Next week (March 5) will have Kitchen

Group 4 back at the helm and the question - "Will they or won't they beat the Challenge total?" - Time will tell. See you at the rink.

Hurray - Hurray - Don't forget to get your Drama tickets - they are moving quickly. It is a 3-act comedy "I Take This Man" a screwball farce - come on out and enjoy a night of hilarious antics by our local actors. They are very busy working on their production - only a few days away now - The set is built and decorated as well as the hall in itself, actors putting the last touches to their lines and antics. Very few tickets left - Saturday Dinner Theater and Friday Cocktail Night are sold out; Seating still available for Thursday Cocktail Night (call Linda 306-577 3155 for tickets) and Sunday Matinee is first come first served and doors open 1:00pm. Of course menus have been decided upon; workers found and lined up with dates and duties. See you soon.

Activity was at its fullest at the rink on Saturday, February 25 when the Alida Ladies Bonspiel - "Curl for Cancer" got underway. This event was dedicated to our local ladies - Lynette Peet, Lisette Dubuc and Elaine Purves (as they great supporters of the club). It was also recognized that Saturday would have been Lisette's birthday and everyone joined in singing "A Happy 'Heavenly' Birthday". There were five teams that registered for the one-day, 6-end bonspiel and most of the ladies were decked out in their finest costumes. We had Hippies, Lucky Charmers, Bush Whackers, Gnomes, and S.A.S.K members. However the best dressed team was presented to the Gnomes. Everyone enjoyed the special supper (Lasagna, Pull pork, salad bar, dessert) which was well attended when approximately 110 (including the curlers) went through the buffet line. The Chinese and Silent auctions were extremely successful with winners declared at the end of the evening. A decision was made to donate a portion of the auction proceeds towards the new Cancer Screening Bus. The Alida Curling Club appreciates all the great support, donations that everyone showed towards their event. Thank you all!

CARNDUFF GYM CLUB HOSTS LOCAL SE COMPETITION

Submitted by Melissa Toms

On February 4th, 2023 the Carnduff Gym Club Hosted a fun competition at the Dean Fraser Center in Carnduff. The Carnduff Gym Club competitive team hosted 84 gymnasts from Ross Gym & Fit (Moosomin) and Moose Mountain Jumpers (Carlyle) during this fun meet. Recreational, Competitive and Acrobatic Gymnasts completed routines and enjoyed meeting other gymnasts from around the SE corner of Saskatchewan. This is the second year for Carnduff to host this fun competition. It gives all the recreational and acrobatic gymnasts a chance to show off what they have been learning and the competitive gymnasts get a fun practice run before they head to actual competitions throughout the province over the next couple of months. Each participant went home with a subway gift card thanks to our sponsors.

SO OUT OF PRACTISE

Submitted by Jocelyn Hainsworth

I know I can do this. I know I've done it before. Multiple times even. But man, am I ever rusty.

In the extreme distant future ... well, it seems like it right now ... we are going to Mexico for a week.

We've been there/done this a time or two. It's not hard, just get out your credit card, pick your resort and time and away you go. This trip is even super easy because the date and destination have been chosen for us ... next January at the Riu Vallarta. There's going to be a beach wedding and we are invited to join that party. It's going to be a fun family time.

What's not to love about warmth and sunshine in January? The luxury of wearing summer clothes and sandals all day? Of walking along the beach, the waves rolling in and splashing against your ankles? Searching for sea shells?

And the biggest luxury of all ... not having to cook even once for a whole week! I tell you, that part of travelling is coming back to me as clear as a bell.

It's all the painful business details leading up to the good part that are a struggle. They say a person tends to block out the negative memories. Maybe that's what's going on.

First of all, the travel agency wanted us to buy our travel insurance through them. Oh yeah, I had forgotten about that. We need travel insurance. Once upon a time I decided that we didn't need that and it was the one and only time (so far) that plans changed and we didn't get to go. That's a couple thousand dollars I will never get back. That's NOT going to happen again.

Therefore, one needs cancellation and interruption insurance. Anyone who participated in the Christmas break disaster this year can testify to that. I only watched it on TV and want nothing to do with such a debacle, so I kind of gagged a little at the extra cost but knew I had to do it. Thank goodness someone smarter (or with a better memory) than me said she was checking out what was automatically covered on her credit card. Oh yeah, that's a thing! And now it's a thing on my "Things To Do" list.

But, that's only one kind of insurance we need. It's all coming back to me now. There's that health insurance bit too. That's another phone call, and it will be a long one. The last time we travelled was pre-Covid and only one of us was over 65. They sure get interested in a person's health after you reach that magic number. In the intervening years I have passed that milestone as well, and my fellow traveller has made it into his 70s. Maybe I can do this online?

But once those things are done (and nothing else I've forgotten comes up) all there will be left to do is stock up on sunscreen and a) lose enough weight to fit into my pre-Covid clothes, or b) buy a whole new summer wardrobe.

Oh yeah, and find someone to babysit our dog. Our usual dog sitter is going to the wedding also. That's the best part of this trip ... the grandkids are coming too. The plan is to bury Grandpa on the beach ... you know, like pirate's treasure. It will keep them all busy and happy for days. We may even dig him back up and bring him home again if he's good.

This past week or so, with the temperatures down around the Siberia mark, I've had time to nail down these troublesome details and start looking forward to just getting there.

That's another part that I had forgotten – anticipation absolutely adds to the fun, but it's so hard! It's cold outside! Spring seems like a million years away! I want to go to Mexico NOW.

ICE RESCUE TECHNICIAN PROGRAM

At the end of January, Trans-Care Rescue Ltd. had the privilege of providing the 1006/1670 compliant Ice Rescue Technician Program to the Redvers Fire Department and some of their mutual aid partners from Carnduff and the RM of Argyle were in attendance.

Although pretty nippy with the windchill below -30 , everyone went all out in the practical, working as a team.

Thanks to Chief Hutton and Redvers Fire Department for hosting this event! And special thanks to Trans-Care Rescue Ltd. for providing the program.

St Patrick's Day Soda Bread Recipe Cards For Kids

Author: Keeper of the Kitchen

Prep time: 15 mins Cook time: 40 mins Total time: 55 mins

Serves: 1 loaf

Ingredients

- 500g plain flour
- 2 tsp sea salt
- 1 tsp bicarbonate of soda
- 400ml whole milk
- Juice of one lemon
- 2 tsp honey

Instructions

1. Heat oven to 200C/180C fan/gas 6.
2. Mix together the milk and lemon juice in a small mixing bowl and wait 10 minutes until it becomes buttermilk.
3. Meanwhile, mix together the flour, salt and bicarb in the large mixing bowl.
4. Add the honey.
5. Pour the buttermilk into the flour mixture and stir until it forms a sticky dough.
6. Tip the dough onto a floured baking tray and using well-floured hands, shape it into a ball.
7. Use the sharp knife to cut a deep cross over the top of the bread. (This will stop it from splitting in the oven.)
8. Put in the oven and bake for 30 - 40 mins. (You can tap the top of the bread – if it sounds hollow, it's ready!)
9. Serve warm with butter.

HAVEN HAPPENING MARCH 2023

Submitted by Barbara Dennis

The Valentine meal for 2 raffle was very well received – thank you to all who purchased tickets. Most especially thank you to ALL FIVE businesses for their generosity to the Haven Activities Department – very much appreciated. The five lucky winners for a Valentine's meal for two were: Harvey Garnier at Broadway Bakeshop, Amber Culbertson at Filcan Neighbourhood Grill, Cheryl Zander at Rising Phoenix Cafe, Dolores Caldwell at Subway, and Cindy George at The Homestead. Congratulations to you ALL!

Our in-house raffle for a Valentine's basket of goodies was won by Jackie Simmons. Congratulations to Jackie – and thanks to all who supported this endeavour as well.

We will have to wait for Hawaiian luau photos – copy needed to editors before event happens!!!

March – is it coming in like a lamb or a lion? Weather reports are conflicting with what is actually happening! Whatever the weather we attempt to bring warmth and cheer to each one of our residents on a daily basis. Dependent on the resident that may mean a game of Bingo/ Pokeno/Dice/Cards/board game; holding hands; a new hairdo; a fresh manicure; a walk down memory lane; puzzle help; or something as simple as a hug/ laugh/cry. Everyone needs to know they are loved and that someone cares.

March will bring St. Patrick's Day – I believe a draft of green beer is on the beverage list.

Musical entertainment slated for this month includes, Phil Wilk, Ed James, Keith Olsen, Phil Reddekop and Marie Vail, along with 4 Given. The male quartet based out of Kola, MB will be presenting a concert on Sunday afternoon, March 26th. We do not have the space to open our doors to the public 'in mass' but we do ask those that join us to make a deposit in our collection jar. Every dollar counts! All entertainers will be very much enjoyed and appreciated: all contributions are coveted.

Until next time: "May the road rise up to meet you. May the wind be always at your back. May the sun shine warm upon your face; the rains fall soft upon your fields and until we meet again, may God hold you in the palm of His hand." – Traditional Gaelic Blessing

Going Green WITH Food...

HEALTHY TREATS (left above):

Create a St. Patrick's Day snack that's tempting and healthful for kids. Slice a green bell pepper widthwise; it will reveal a shamrock or lucky four-leaf clover shape. Slice another pepper lengthwise to create stems. Serve with your child's favorite dip.

INDULGENT TREATS (left middle):

The three-leaf clover, or shamrock, became linked with Ireland through the missionary work of Saint Patrick, who used its trefoil pattern to symbolize Christianity's Holy Trinity. In celebration of the holiday that commemorates the saint's death (March 17), place a sprig or two of clover atop each cupcake decorated with buttercream icing. Remove sprig before eating.

TO WASH IT ALL DOWN (left below):

1/2 cup milk
1 scoop of vanilla ice cream or frozen yogurt
4 drops mint extract
