TESTING THE WATERS

On Tuesday, May 30th, the Redvers Volunteer Fire Department were out and about in town testing the fire hydrants and fire hoses.

When they stopped in front of the Millions' house, these two little cuties couldn't help themselves but to go out and assist them. Rylan Millions (pictured left) was so excited, he even put on his fire suit!! Little sister Kayley Millions is shown above assisting volunteer fireman, Axel Larsen.

ALIDA MAY HAPPENINGS

Submitted by Edel Cowan

On May 3 members of the Alida Golden Gate Centre held a potluck supper and enjoyed a last fling for this time of the season, enjoyed visiting with those who came and of course the supper was super delicious and a great selection of different food. Love those potlucks! Following supper some stayed and enjoyed a game or two of cards before calling the evening done. Members usually close down their get-togethers for the summer months and then will start up again sometime later in the fall. If you are thinking of joining the Centre and participated in their activities (cards, jig-saw puzzles, crafts or whatever ideas one can come up with) or just have a good time visiting with some coffee, just ask some of the members (Margaret, Brenda, or Lil) and they'll tell you how and when to join up.

Gray and Edel Cowan attended the Artemis Dance Annual Recital (ages 9 and up) "When I Grow Up" at Redvers High School on Saturday, May 6 where their granddaughter Ainsley Cowan participated. It was a very interesting and neat performance by all the dancers. They also held a performance on Sunday, which will end their dance sessions for this year. Kudos goes to everyone, a great job done by all.

Lacie Nilsen visited with her parents Shelly, Tim Cowan and sister Ainsley on Sunday, May 7. She came to watch Ainsley participate in her last day of the dance recital, and also spent a few moments with her grandparents Gray and Edel before returning to Regina on Monday afternoon.

Winner of the Alida Rec. Board Shopping Spree merchandise drawn on May 11 was Val Patron of Redvers – Congratulations Val.

Faye Walker left for Saskatoon on May 11, stopping to a visit in Regina with her cousin Donovan before continuing on to Saskatoon. The next day she and her daughter Deidra flew to Toronto where they attended the funeral of Faye's aunt and they also visited with other family members before returning to Saskatoon. Faye returned home on May 16 after visiting her cousin in Regina once more. Condolences are extended to Faye on the passing of her Aunt.

We received our first rain late Friday evening on May 12, and it was rainy most

of Saturday as well, do believe we received approximately 1.5 inches of moisture. Then on Sunday it was back to sunny skies and warm weather, however it will be a few days before the fellas are back in the field as things must dry up first.

On Sunday, May 14 Lori held another Sunday brunch for Mother's Day at Café 361. It was another great feast– awesome food Lori, another great job done. We will surely look forward to the next one, whenever it may be, just keep us informed.

Gray and Edel Cowan spent Sunday (May 14) afternoon with Tim, Shelly and Ainsley Cowan at their campsite at Moose Creek Regional Park. Also joining the family were Kelsey Rydberg and Steven Wilson of Estevan. A delicious Mother's Day supper was enjoyed by us all.

The Centre Street Flower Pots are back in place and awaiting sponsors. Much appreciation goes to those who stepped forward to sponsor a pot. It surely does help to beautify our little town.

The Alida Golden Gate Centre acknowledges and greatly appreciates the generous donation that they received from the Pride Project through the Prairie Pride Credit Union.

On May 18 the Alida Golden Gate members held their first annual Plant Exchange. A wide variety of plants were available, such as roses, day lilies, irises, Calla lilies, tomatoes, hot peppers, bell peppers, kangaroo apples, potentillas, and a verity of house plants. It was a successful event and they are planning and hoping on this being a yearly event.

Jeff Cowan, Regina came home on May 19 to visit for a couple of days with his parents Gray and Edel, his brother Tim, Shelly and Ainsley and helped Tim celebrate his birthday. While here he also visited with friends Grant and Jenny. He returned home to Regina later on May 20.

The Anthony families held a graveside service at the Carnduff Cemetery on the afternoon of May 20 for their brother/uncle Wayne Anthony. Following the service and luncheon everyone returned to the Anthony farm to spend time visiting, from a far were – nephew Greg, his wife Monika Goddard, their son Shawn, daughter Jessica and her finance Kyle (all from Ontario); niece Sheri Diebel (Saskatoon), sisters Heather Goddard and Hazel Diebel, Hazel's grandson Bobby, his girlfriend Mika and their daughter Evelyn (all of Moose Jaw). The family enjoyed two full days of fun and visiting with Dale and

Holly.

On May 20 Adam Cowan, Estevan visited at the Cowan Farm with his grandparents, Gray and Edel, as well as with his Uncle Tim, Aunt Shelly, Ainsley and of course with his Uncle Jeff. He returned home to Estevan on Sunday, May 21.

Hope everyone enjoyed the long weekend – Victoria Day (Queen's Birthday) on May 22, our day was spent around home as fellas were in the field.

Shelly Cowan and daughter Ainsley travelled to Minot to spend the long weekend (May 21-22) visiting with the Nilsen family before returning home.

Seeding operations are back in full swing now – here's hoping for a stress free season, no serious breakdowns, no further rain until after seeding is completed. Gardens are finally in, too. It is officially the first day of summer now – so enjoy your summer folks, drive safe and take care.

Gray and Edel Cowan were unable to attend the family memorial graveside service for his Uncle Robert (Bob) Robins in Weyburn on May 25. Bob had passed away June 6/2020 at Sydney, BC.

Edel Cowan attended the funeral of Bent Lauritsen on May 26 at Dannevirke Lutheran Church with internment at Dannevirke Cemetery. Bent had passed away May 19, 2023. Sympathy is extended to his wife Doris and all family members.

Alida hosted their annual Town Wide Garage Sale on Friday, May 26 (4:00 – 8:00 pm.) and again on Saturday, May 27 (9:00 am – 2:00 pm). There were lots of different items on display. Hopefully the vendors were happy with the results of the two-day sale.

The Rabies Clinic was held at the Alida Rink on Saturday, May 27 from 11:00 am to 12:00 noon. Hope you remembered to bring your pet(s) to the clinic.

The Alida Rec. Board will hold their annual Sports Day on June 2 and 3 with a Slow Pitch Tournament, Beer Gardens and Canteen. To enter a team please text Teresa at 306-485-8527 by June 1. Also remember to check out the Sports Day BBQ Pack at the Alida Post Office – tickets are available (\$5 ea. or 3/\$10) – E transfer also available – for info call 306-485-8527. This will be drawn on Sports Day.

The Alida Pool is almost prepared for the upcoming season to start. Swimming Lessons (3 sets) will be held in July (3-7) (17-21) (31-Aug 1), cost \$75/week. To book please call Shanna at 485-8647.

Marie McKenzie

1938 ~ 2023

Anna Marie McKenzie of Medicine Hat passed away on Friday, April 28, 2023 at the age of 84 years, beloved wife of late Archibald McKenzie. She leaves to cherish her memory one daughter, Rayann Brown ; two grandchildren, Dawnette Harkness and Melissa (Robert) Klassen; eight great children, four great great grandchildren with two on the way; four brothers, Napoleon Dubuc, Lionel Dubuc, Pete Dubuc, and Ross Dubuc, as well as numerous nieces and nephews. She was predeceased by her parents, Raoul and Rachel Dubuc; her husband Archie in 1995; son-in-law Marcus Harkness on December 26, 2022; two brothers, Paul Dubuc and Gerard Dubuc;; sisters Yvonne Jensen and Angele Rimbault. Marie Dubuc was born on September 29, 1938 to Raoul and Rachel Dubuc and raised on the family farm north of Alida. Marie was the fifth of nine children. Marie met Archie McKenzie and were married on October 18th, 1958. Joining their union was their daughter Rayann. After they were married they moved to Regina where Archie worked in insurance as well as driving a taxi cab. Marie was a stay at home mom. In 1962, Archie, Marie, and Rayann moved to Alida, Saskatchewan. They built their home on an acreage west of Alida. Archie and Marie owned a lumber yard called Antler River Lumber where Marie did the book keeping. Years later Marie and Archie built a small motel on their acreage and named it Little Acres Inn. You could find Marie doing the books or housekeeping. She made sure the rooms were perfect for each and every guest. Marie had a love for sports, gardening, playing bingo, and spending time with family. In 1976 and 1979 Marie's granddaughters were born. She was always so proud of them. She spoiled them, teased them, and spent many hours playing cards, and teaching them how to bake and sew. She was very active in their lives and that continued up to the very end. In 1993, Archie and Marie moved to Kenosee Lake where they lived until Archie passed away. Marie then moved to Carlyle where she made her home for many years. In February of 2023, Marie moved to Medicine Hat, Alberta where she lived with her daughter Rayann until her passing. A family graveside service will take place at the St. Raphael Cemetery in Cantal, Saskatchewan at a later date. To leave a message of condolence you may visit www.pattisonfuneralhome.com.

GRADUATIONS

Submitted by Jocelyn Hainsworth

It's that time of the year again – graduation time. Time to celebrate our young people as they prepare to write their final exams and head out into the big wide world. Ready or not, their high school days are behind them, and we all wonder how did that happen so fast?

How did they go from the little faces sporting toothless grins in their kindergarten pictures to being these young women and men in formal gowns and tuxedos? When people asked them at kindergarten grad what they were going to be the answers came easy: nurses, farmers, teachers, firemen, astronauts, race car drivers – the possibilities were endless. Now that the real decisions are immanent confidence is harder to come by. A few have made definite choices, some are wisely keeping their options open, and the rest recognize they are best to let the first part of furthering their education be finding a job while attending the School of Real Life.

'Graduation' is a word we have come to think of as just this: the end of a section of schooling. Be it kindergarten, elementary, middle school or high school we call them all graduations and celebrate them as the completion of something, but if you think about it this meaning is distorted. Another meaning for the word graduation – and even more suitable – is 'a mark or set of marks to show steps or stages of measurement'.

Although we all acknowledge that graduation is the end of high school, I've never heard a valedictorian say "We're done!" and stop there. They speak of the friendships they have made, the bonding they have done, the experiences they have shared, but the main topic of the speech focusses on the future. They may be all choosing different paths but they are all going the same direction – forward.

Think of the ruler you used in elementary school. We old people remember that ours were a foot long and showed increments of inches but when we bought them for our kids they were marked off in centimeters. It doesn't matter what the spaces between the lines are called, though, it just matters that each line signifies a progression. A move forward. A graduation.

In the same way, this weekend's graduation is a measurement that has been met. The graduates stand on this significant mark on their measuring stick in their fine clothing and we congratulate them and wish them well. While they savour this moment, we all know that their journey has only just begun – there will be so many more graduations to claim. They are only at the beginning of their ruler.

Interestingly, this very same weekend there is a 60th year class reunion going on.

These are people who are closer to the other end of their rulers. They have progressed through so many milestones: higher education, marriage, careers (possibly several), raising families, welcoming in-laws and then grandchildren, things that today's graduates can barely fathom. These older rulers also show scratches and other wounds: divorces, deaths, disabilities and other disappointments life deals out over that much time – again, things that today's grads can barely fathom. These are the grads of the early '60s. They had their moment in the fancy-dresses-and-three-piece-suits spotlight complete with lofty speeches and grandiose dreams, but now they also have the wisdom one gains over a lifetime of regular living.

And that wisdom is what made it easy to say "yes" to an invitation to this party. The days of competitiveness over marks in school or possessions afterwards are in the past. The worries over social standing or getting ahead no longer hold any power. Simple things like spending time with lifelong friends is pure gold.

No one knows how many graduations – either of the party type or the increment kind - we have on our personal rulers, life is kind of scary that way.

Maybe the most meaningful wish a person can offer is that your ruler is marked off in many many increments, and that each of them has a graduation story by the time you reach the end.

HAVEN HAPPENINGS JUNE 2023

Submitted by Barbara Dennis

Many thanks to Pharmasave and Bill Murray for sponsoring a large portion of our Mother's Day Raffles. Three separate draws were made and the winners announced on Mother's Day. The lucky winners were Jackie Simins, (wine, flower, sun catcher compliments of Bill Murray/Rec Dept.), Marlene Bauche (artificial potted plant/mini flag compliments of Rec. Dept), and Scott Haines (slippers/chocolates/mug compliments of Pharmasave). Mother's Day, May 14, residents and guests enjoyed the musical stylings of the Caragana Ramblers from Kisbey. Thankfully a large number of family members were able to visit with their mothers/aunts/grandmothers while tapping toes, sipping tea and partaking in resident produced crumpets.

The fall planted bulbs of 2021 emerged once again this spring to bring wonderful color and the spirit of hope to the courtyard flower beds. Yellow daffodils, and tulips in yellow, lavender and this red with yellow tipped petals were just some. The 2023 edition of hanging and potted plants arrived and are in place. Some of the residents enjoyed digging in the dirt to plant some veggies along with a

few bedding plants. Now to keep them watered – always a challenge!

The graduating class of 2023 graced our halls on May 26th. Two of the 22 grads had immediate family members to greet and have a photo taken. The pride and excitement those two seniors had for their grandchildren was contagious as evidenced by the tear laden eyes of many, staff included! We are thankful for visits from all but especially visits from youth.

Long term care department had another visitor Friday, May 26th. This one laden down with colorful, cheerful beautifully pieced quilts. The Piecemakers Quilting Group have generously donated numerous throws/lap/twin size quilts to the Health Facility. For all of these we say thank you, your blessings will be enjoyed for years to come.

The Bothwell cheese campaign has been very well received – thank you to all who supported this fundraiser for the Recreation Department here at the Haven. The orders should arrive prior to Father's Day – perhaps a special Bothwell treat awaits a few of the fathers in the area!?!

Looking forward to the calendar which is plum full of baking with rhubarb, entertainers, crafts, a visit to the Log Cabin for saskatoon pie, plus bingo's, Obie time, Pub Days and the occasional pet visit. We hope many of you will come around and spend some time with your former friends and neighbors.

And last but not least – Garage Sale June 3 – please know we are open for business. Use the exit door closest to Eichhorst Street – (the old Haven dining room). We have a great variety of items from dog treats to bird feeders using grandma's China: an aquarium and a knitting machine!

June – traditionally the month we fully transition into summer – enjoy each sunrise/sunset, the birds that sing, the flowers that bloom and give thanks for all our blessings. Take care.
