CANADA DAY CELEBRATIONS!!

SUMMER 2022

Submitted by Jocelyn Hainsworth

Well, we've tipped into the summer season. The longest day of the year is already behind us, believe it or not. I don't know how that happens so fast every year. Before we know it we will be at the shortest day and thawing out the Christmas turkey.

But, I'm getting ahead of myself here ...

First let's do the months of July and August in high style!

Redvers Tourism is stepping out into the summer months with plans to make the Log Cabin a happening place all season long. There are posters all around town and on Facebook, but in case you missed them, here they are again:

CANADA DAY! The day began with the Knights of Columbus serving a pancake breakfast, there was a ball tournament going on all day, the firemen challenged kids to their Kids Fireman's Rodeo both morning and afternoon and there was a bouncy castle for the littler kids all afternoon. As always there was a parade and a food concession and beer garden sponsored by the Redvers Rec Board at their new building at the ball diamonds. A craft session later in the afternoon had kids making their own Canadian flag. Thanks to our Canada Day grant, the Redvers Lion's Club support and Lionel's and Lori-Ann's at Triple LB for their substantial contribution the day ended with a grand finale of fireworks. A huge shout out to the Redvers Firemen and women for the time and effort they put into Canada Day every year! They are a big part of the parade, man their rodeo for the kids and then end off their day by managing everything about the fireworks. We appreciate what you do!

But Canada Day is only the beginning! Thanks to the Lion's Club sponsorship and The Redvers Public Library the Redvers Log Cabin and Tourism are hosting a Young Wizard's camp on July 7th from 1:00 to 4:00. It will be three hours of story telling, arts and crafts, a magic workshop and will end off with a magic show! To register your child (ages 7 - 12) for the workshop call 452-3255. The magic show which begins at 3:00 is open to everyone. We hope it's a great weather day and that lots and lots of people come out for the fun!

Last summer's success with having a BBQ at our Farmer's Market made it an easy decision to do it again. We have even decided to build on that success by offering a short craft session for little kids from 11:00 to 11:30 at the Log cabin each market day. Because of the wonky weather so far there is no telling when the gardens will start producing but we aim to have our first market day July 13 and each Wednesday after that for the rest of the summer.

These attractions will keep us busy throughout the summer and we encourage and welcome any volunteers who have a spare day to help flip burgers and serve drinks. We would also happily accept painting help when the weather cooperates - even if you can only manage a few hours - leave your name and number with the staff at the Log Cabin and we'll let you know when the fun begins! Many hands make light work!

So, there you have it! Hope to see you some time, or many times, this summer!

ALIDA JUNE

HAPPENINGS

The Alida community is sorry to see that Bob Harrison has left our little village. He has lived here for all his life until now and at the end of May/2022 he decided to make his new home at Sylvan Lake, AB. He will be nearer to his children and grandchildren and I'm sure that they all will keep him very busy. Just moving in time for the baseball season to begin, and again I'm sure that Bob will be at every game possible to watch his grandsons. Best wishes Bob in your new home and enjoy those grandkids.

Despite the fact that most of our farming families were still busy with their seeding operations the Alida Rec. Bd. decided to go ahead with the scheduled Sports Day weekend anyway. They would just hold it for one day only, Friday, June 3 as there were only two teams that had registered. At approximately 6:00 the two teams – Team 361 Café and the Big Ballers (Junk pick-up boys) headed for the ball field and began their game. It was quite the game, one should have been there to see it and cheer everyone on to victory. The winner of the game was the Big Ballers as they sent Team 361 Café to defeat. Congratulations to all those who came out to participate and cheer. They also had a Show and Shine Event where a 1988 Cadillac owned by Jim Boettcher and Tim Cowan's 1979 Pontiac Trans Am, as well as a John Deere model L Tractor (about 1939) owned by Dale Anthony were on display at the skating rink. The board members also had a drink table, and a BBQ was set up at the rink. This was very well attended and a huge success – those hamburgers were definitely very delicious – great work gals. Later in the evening the draw for the BBQ Pack was made and the winner of this draw was Tanisha McKinnon. Congratulations Tanisha and enjoy your winnings.

The Alida community extends sincere sympathy to the Madsen family on the death of Lorraine Madsen, who passed away 3 June 2022 at Weyburn. She was predeceased by her husband, Ross (2019). She leaves to cherish her memory her children: son, Gary (Jody) Madsen of Calgary, daughters, Leanne Madsen (of Estevan) and Deborah (Todd) Rose (of Idaho) and their families, in-laws, Lynn

(Yolande) Madsen, Elaine (Ed) Kennedy, Betty (Norm) Lee, Ferne (Wayne) Smith and nieces and nephews.

It tried it's best to give us a little shower throughout this past week, but here at the farm it wasn't enough to do much good, except to dirty the windows. So guess I'll go water the plants again, those pots surely do dry up quickly. It has to rain very soon, at least enough to fill the water barrel once again. If it's not those pesky little wood-ticks bugging you now the mosquitoes have joined forces with them as well and one can hardly enjoy the outdoors. Guess one has to just grin, spray yourself and enjoy things the way they are. Received a nice rain late Saturday (June 11) – it left lots of puddles lying around forming many little mud puddles, and filled my rain bucket, now I'm able to water plants for quite some time. Looks and sounds like rain for this coming week.

The flower pots on Centre Street are all planted and that's beginning to make a beautiful colored floral row down the middle of the street – once again appreciation goes to those who sponsored a pot and taking care of it, does make a difference and beautify our little town.

Jeff Cowan spent Friday evening and part of Saturday, June 11 visiting with his parents Gray and Edel as well as with friends Grant and Jenny before he had to head back to Regina. His time is always too short but it's still nice to see his face and reacquaint with his dog Navy.

On Sunday, June 12 there was a small gathering at the outdoor church service at the Dannevirke Cemetery grounds at 11:00 a.m. with Rev. Michelle Moore officiating in celebration of the 99th Anniversary of Dannevirke Lutheran Church and Cemetery which was formed in 1923 (built in 1925), and also to acknowledge the new gazebo which is built on the original church site. Following the service a delicious luncheon was provided, lots of visiting, reminiscing of many of the good old days held at this site. It was a great morning and afternoon spent. Great appreciation goes out to the board members for organizing this event. Attending from Alida area were Alan and Kathy Arthur, Gray and Edel Cowan.

It is Father's Day this coming Sunday (June 19) – Happy Father's Day to all Dads, Grandpas, Uncles – you all deserve a day off. Hope all Dads, Granddads, Uncles, Brothers, Step-dads etc. had a great day on Sunday, June 19.

Shelly Cowan and daughter Ainsley

joined up with Kelsey and Lacie and they all participated in the Dog Jog at Estevan on Sunday, June 12.

There's not too much news happening right now, it seems that the fellas are all busy with spraying as soon as the weather co-operates. Darn wind always seems to be blowing, which of course is needed to help dry up any puddles that Mother Nature left behind during her rain showers. We had another nice rain Sunday evening. Definitely keeping the men folk busy, here's hoping for suitable weather this week.

I noticed a poster up in the Alida Post Office reminding those who attended Alida School in Grade 9 for a Class reunion on July 8. They plan on meeting at the Alida Rink in the afternoon to set up, hosting a potluck cold plate supper, and a great time for reminiscing "the good old days". Remember to bring any mementos, pictures etc. If interested in attending please contact Brenda Poulsen/McGillis at 403-704-4371 or by e-mailing her at brenda6100@live.com by June 28. There's camping available at the Lion's Campsite, to reserve a spot call the MLA office (306) 443-4400. Hope to see everyone about and about that weekend – it should be "A Great Time in the Old Town" that day.

On Monday, June 20 Shelly Cowan spent a day in Estevan where she had a Dental appointment and then helped daughter Kelsey with her move to a new residence. Good luck Kelsey in your new home.

Holly Anthony left of Friday, June 26 for Emerson, MB where she spend a few days visiting her sister and family,

The Alida Rec Board members are busy getting the swimming pool ready for the up-coming season. Lifeguards have been hired among our eligible local young people. Swimming lessons have also been scheduled for two weeks in July: week 1 – July 11-15; week 2 – July 25-29 and only one week in August – August 15-19. To register for lessons call 306-452-7098. Hopefully you will enjoy your lessons this year and of course in turn enjoy the Swimming Pool. You'll notice a new addition to the pool area this year – a new gazebo that will provide excellent shade while at the pool. Appreciation goes out to the Vermilion Energy crew for suppling the labor in building this gazebo on their day of caring. This will be a great asset for everyone at the pool this year.

The South East Medical Group is pleased to announce that Dr Mehdi Shadmani has joined our team! He is now available for clinic appointments! Please contact the Redvers Medical Clinic or the Tony Day Family Medical Clinic in Carnduff to arrange an appointment. We are thrilled to welcome you to our communities!

A few words from Dr Shadmani:

My name is Mehdi Shadmani; I grew up in Iran. I lived in different regions with temperatures between -40 and 50+ Celsius, so I am not unfamiliar with the winters of Saskatchewan!

I am a General Practitioner who studied medicine in Iran. I graduated in 1997. I have practiced medicine in Public Health Centre and my private medical clinic in various areas including rural.

Besides practicing medicine, I was a member of the board committee of the Iranian Diabetes Society and a member of the Advisory Committee for developing The Iranian National Guideline for Management and Treatment of Dyslipidemia; also, I had the opportunity to be volunteering in various health-promoting programs.

While in Canada, I studied Acupuncture and worked in the educational system.

I am pleased to be part of the community.
